3181-Sale of List per Proviso 79.4

**Budgetary Program No.:** I.

**Expected Results:**

To provide employees and the public with fair and impartial elections through executive oversight of all SEC related matters. The Sale of List program is used 1) to maintain and provide an accurate list of all registered voters in the State for customers and 2) to provide jury lists, as provided in Section 14-7-130 of the S. C. Code of Laws. Payroll, employee benefits, Human Resources, Accounts Receivable, Accounts Payable and preparation of the agency budget are activities maintained in the Administrative division.

**Outcome Measures:**

The Administrative division provides quality customer service to the public and to SEC employees. Employee services such as HR, payroll, and benefits are provided in the Administrative division. Invoices received are processed within the required 30 day timeframe. Statistics on election expenditures are compiled and used as justification for budget requests. The self-supported Sale of List program continues to supply customers with up-to-date and accurate lists of registered voters. Clerks of Court are also provided jury rolls through the Sale of List program.

**Budgetary Program No.:** V.**Expected Results:**

The SC HAVA State Plan outlines how the State achieved compliance with HAVA by providing voting machines to accommodate disabled voters, providing a review screen on every voting machine, installed web and toll-free access for voters who cast a provisional ballot to determine the status of their ballot, provided instruction, training and outreach materials to voters and election officials, traced receipt of identification for voters who register by-mail, revised certain forms, and developed a formal complaint procedure for reporting HAVA violations. Using HAVA funds, the State will purchase a new voter registration system to improve the administration of voter tracking by counties.

**Outcome Measures:**

Continuing Voter Education and Outreach programs have resulted in a more educated and informed electorate and fewer voter issues on election day. A new voter registration system will provide counties with the tools necessary to track voters and absentee voting, as well as, facilitate the process of reapportionment resulting in an improved voter registration file.
