We know that our STARS are helping out in many areas across the state at fishing rodeos, providing lunch relief in our regional offices, helping the biologists and technicians and assisting with many other activities. We have heard that you don't want individual credit for your assistance, it is just something you want to do, but we still want to thank you. Please just let someone, such as the regional coordinator in the HUB offices, know that you are helping. We really do appreciate all that you are doing!

Mary Pugh would love for STARS to volunteer at the Palmetto Sportsmen's Classic.

The show dates are March 24, 25, 26 and you can contact Mary Pugh at (803) 734-4008 and she will make you feel welcome and right at home!

E-mail addresses - We have used e-mail addresses several times, and this has worked well. If you do not have an e-mail address, but can use one from a relative or friend, send it to us and we will add it to our list. Please make sure the person gives you permission to use the e-mail address and also lets you know when we send you information. Send any e-mail addresses or corrections to CampbellL@dnr.sc.gov.

STARS on the DNR WEB - Our STARS program now has a Web site on the DNR Web page with a link to the **★★★STARS FOREVER★★★** newsletter. You can access the DNR home page at www.dnr.sc.gov and look to the left, then click on **STARS**. The link to the newsletter is on the right.
