Each Frankie's location is equipped with everything from go-karts and bumper boats to their signature miniature golf courses. Also included in the complexes are expansive arcades, amusement rides and even laser tag, available at the Greenville and Columbia locations. The parks also feature driving ranges, rock climbing walls and batting cages for those who want to do something a little more active during their visit. After all the activities, grab some dinner at Frankie's Grill where they serve up burgers, sandwiches, hotdogs and more.

Given that Frankie's Fun Park appears to have everything a vacationer could want, you're probably thinking that a place like this will cost you one of your very well-tanned arms and legs, but actually the parks are reasonably priced. With no admission fee, low-cost activities and inexpensive fare, the savvy vacationer could have a fun evening for just \$10 a person—including dinner! Frankie's even offers wonderful value packages for a birthday party or group outing.
