271 Audit the State's Basic Financial Statements

The State's basic financial statements are prepared by the Comptroller General's staff. Section 11-7-20 (B) of the South Carolina Code of Laws, as amended, requires the State Auditor to audit the State's basic financial statements annually. The State's basic financial statements are very important to the financial community and the outcome of the audit can affect the State’s bond rating. The State Auditor’s Office conducts this audit jointly with a private accounting firm.

Statewide Result Area: Strengthen central state government and other governmental services

Strategy: Provide effective and efficient central state Finance support.

Expected Results:
The State's Comprehensive Annual Financial Report (CAFR), which includes the State's basic financial statements, has received the Government Finance Officers Association Certificate of Achievement for Excellence in Financial Reporting every year since 1988. To receive the Certificate of Achievement for Excellence in Financial Reporting the Comptroller General must publish an easily readable and efficiently organized CAFR. The report must satisfy both generally accepted accounting principles and applicable legal requirements. The report must be submitted within six months of fiscal year end. Expectations: The audit work complies with applicable standards of the American Institute of Certified Public Accountants (AICPA). The report is issued in sufficient time to enable the Comptroller General to meet the GFOA's submission deadline. The report is completed within the budget.

Outcome Measures:
The audit was issued in accordance with generally accepted auditing standards and on schedule.

273 Medicaid Audits

Institutional providers of Medicaid services submit cost reports to the South Carolina Department of Health and Human Services (DHHS). These cost reports are used by DHHS to establish standards and reimbursement rates that are paid to Medicaid providers. DHHS contracts with the State Auditor to audit the cost reports. The contract with DHHS requires that State Auditor's Office conduct audits of all Medicaid providers once every four years. The Code of Federal Regulations, Title 42, Section 457.236 establishes audit requirements of the Medicaid program.

Statewide Result Area: Improve the health and protections of our children and adults
Strategy: Provide timely and effective interventions when safety is compromised in the home or family.

Expected Results:
Audit reports are issued, subject to appeal, on 25% of the State's Medicaid providers each fiscal year. Engagements are completed on budget. Final reports are issued in compliance with applicable standards of the AICPA and with Federal Regulations related to audits of Medicaid providers.

Outcome Measures:
Forty reports, representing 23 providers, were issued during fiscal year 2009. Approximately 15% of the Medicaid providers were subject to audit during the fiscal year. All engagements were completed at or under budget. All reports were issued in compliance with applicable standards of the AICPA and with Federal Regulations related to audits of Medicaid providers. Audits of Medicaid providers identified net receivables due to the State and Federal government of $3,024,290.

274 State Agency Audits
Financial audits serve as a deterrent to fiscal mismanagement, fraud, and misuse of State assets. Section 11-7-20 (A) of the South Carolina Code of Laws, as amended, requires the State Auditor to audit all State agencies annually, if practicable. In fiscal year 2007 the State Auditor's Office had oversight responsibility for ninety-two State agencies. These agencies were appropriated General Funds and Total Funds in excess of $6.1 billion and $19.2 billion, respectively.

Statewide Result Area: Strengthen central state government and other governmental services
Strategy: Provide effective and efficient central state Finance support.
