Appropriation Period: FY 2009-10

Agency: H21 - Lander University

Functional Group: Higher Education &
Cultural

427 College of Business & Public Affairs

This activity includes expenditures for all instructional and scholarly activity of faculty, including salaries, and students in the following programs: Business Administration, Criminal Justice Management, Political Science and Sociology. Included are expenditures necessary for external program accreditation, curricular development and implementation, research activities of both faculty and students and for providing expertise and resource to the local community. Lander University was established under section 59-135-10 et. seq. of the S. C. Code of Laws.

Statewide Result Area: Improve the state's post-secondary education system and cultural resources

Strategy: Provide for an efficient and effective statewide Higher Education system through improved statewide planning.

FY 2009-10

Total	General Funds	Federal Funds	Non-Recurring Provisos	Part III (ARRA Funds)	Other Funds	FTEs
\$1,959,332	\$1,595,875	\$0	\$0	\$0	\$363,457	19.50

Other Fund - Subfund No. & Title:

3036 - Higher Education Deposits

Budgetary Program No.: I

Expected Results:

1. Maintain Full and unconditional SACS accreditation. 2. Maintain full and unconditional accreditation within the College for creditable programs. 3. Support efforts to redesign the General Education Program to more effectively provide a liberal arts foundation for all academic Programs. 4. Comply with program productivity standards as required by the South Carolina Commission on Higher Education. 5. Maintain faculty access to and training in instructional technology that allows all faculty to use instructional technology in their teaching. 6. Continue to develop and revise program assessment plans in order to improve the academic programs and the institution.

Outcome Measures:

1. On December 11, 2007, SACS reaffirmed Lander's accreditation. 2. Following program fully accredited: Business Administration by American Assembly of Collegiate Schools of Business - International Association for Management Education. 3. General Education Program is in the process of being reviewed and courses supporting each of the competencies are being resubmitted. 4. All programs meet program productivity standards. 5. As of June 2009, approximately 99% of the University's full-time faculty members have been issued a laptop; a Technology Learning Center has been established to provide training for faculty and staff; 52 'smart' classrooms have been equipped with all of the electronics needed for projection and Internet access. 6. An institution-wide process of submitting (or revising) Unit Goals and associated Indicators of Success which support one or more of the University's five Strategic Goals occurs annually.
