7 Performance Auditing

The work of the Legislative Audit Council is authorized by S.C. Code §2-15-10 et seq. Our sole program is conducting performance audits of state agencies and programs to find ways to save money and improve their performance. We help ensure that operations are efficient and that agencies follow the law and achieve the expected results.

Statewide Result Area: Strengthen central state government and other governmental services

Strategy: Provide Accountability to the citizens of South Carolina in all State Government Services.

Budgetary Program No.: I-II

Expected Results:

Our expected results are for state government to realize financial benefits and improve its operations by implementing the recommendations in our audits.

Outcome Measures:

In FY 08-09, the Legislative Audit Council published three performance audit reports and two follow-up reports. We made 96 recommendations and identified potential financial benefits of approximately \$1.7 million. In each of our audits, we also identified ways to improve the performance of state government that are not financial. Recently, we received the State Agency of the Year award by the South Carolina Association of Taxpayers.
