1354  Occupational Safety & Health Program (OSHA)

The SC OSHA Compliance Program enforces workplace safety and health regulations by conducting unannounced inspections to identify hazards. OSHA inspectors investigate workplace fatalities, catastrophic accidents, employee-initiated complaints and other types of referrals alleging hazardous conditions. Inspectors also focus on industries and employers with a high likelihood of injuries, illnesses or fatalities. Violations are cited and penalties may be assessed. OSHA consultants and trainers also work with employers in improving workplace safety and health conditions. This activity is governed by the Federal Occupational Safety and Health Act of 1970 and Title 41, Chapter 15 of the S.C. Code of Laws.

Statewide Result Area:  Improve the conditions for economic growth
Strategy:  Provide for more effective and broad based incentive and grant programs.

Budgetary Program No.: II.A.

Expected Results:
Make SC workplaces safe.

Outcome Measures:
Reduce injury and Illness rate. Decrease the number of fatalities in SC workplaces. Conduct workplace inspections that result in the identification and correction of hazards. Conducted 1,482 inspections identifying and correcting 3,023 violations. Injury and Illness rate is 3.8 per 100 private sector employees, the lowest in the history of the program. Conducted 557 training programs and 926 consultative visits correcting 6,025 hazards and saving businesses over 2.6M in penalties.

1356  Labor-Management Mediation

This office investigates industrial disputes, strikes, lockouts and their causes and tries to help the two sides reach an agreement. When requested by both sides, a mediator will act as an arbitrator or appoint one. Title 41, Chapter 10 of the SC Code of Laws.

Expected Results:
Eliminate the causes of misunderstanding and differences between organized labor and management.

Outcome Measures:
Number of negotiated contracts. Reduce to zero the number of strikes, the number of workers involved in a strike and the number of work hours lost to a strike. Negotiated Contracts - 52 Number of strikes - 0 Number of lost work hours - 0

Agency: R36 - Department of Labor, Licensing & Regulation  Functional Group: Transportation & Regulatory

1357 Elevator and Amusement Ride Inspection

The Elevator Inspection program protects the people of the state from damage to life or health caused by unsafe conditions in elevators and other types of conveyances. The program inspects and permits all new and altered elevators and conveyances and is mandated to provide annual safety inspections on existing elevators. The Amusement Ride Inspection program administers regulations to guard against damage to life, health or economic loss in the assembly, disassembly and operation of amusement devices. The program inspects and permits amusement devices at carnivals, fairs and amusement parks. The provisions of this activity are governed by Title 41, Chapter 16 of the SC Code of Laws.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for more effective and broad based incentive and grant programs.

Expected Results:
Make SC elevators and amusement rides safe for users.

Outcome Measures:
Continue the trend of NO injuries and fatalities on elevators and conveyances. Inspect elevators annually. Permit elevators annually. Ensure corrections are made in a timely manner. Issue penalties for non-compliance.
Continue the trend of NO injuries or fatalities on amusement rides. Inspect and permit amusement rides as they enter the state. Ensure corrections are made in a timely manner. Issue penalties for non-compliance. Elevator inspections - 7,152 Amusement Ride Inspections - 584

Board of Chiropractic Examiners

This program licenses approximately 1,509. These professions are regulated to make sure that some minimum level of skill is met to support public health and safety. The POL program was established to oversee the administration of licensing programs which have quasi legislative and judicial functions. They promulgate regulations and adopt a code of professional ethics. They also determine the eligibility of applicants for examination and licensure, evaluate and approve continuing education course hours and programs and discipline licensees. The provisions of this activity are governed by Title 40, Chapter 9 of the SC Code of Laws.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for more effective and broad based incentive and grant programs.

**Agency:** R36 - Department of Labor, Licensing & Regulation  
**Functional Group:** Transportation & Regulatory

**1372 Building Codes Council**

This program licenses approximately 1,000. These professions are regulated to make sure that some minimum level of skill is met to support public health and safety. The POL program was established to oversee the administration of licensing programs which have quasi legislative and judicial functions. They promulgate regulations and adopt a code of professional ethics. They also determine the eligibility of applicants for examination and licensure, evaluate and approve continuing education course hours and programs and discipline licensees. The provisions of this activity are governed by Title 6, Chapter 9 of the SC Code of Laws.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for more effective and broad based incentive and grant programs.

Agency: R36 - Department of Labor, Licensing & Regulation  
Functional Group: Transportation & Regulatory

1389  Board of Registration for Geologists

This program licenses approximately 641. These professions are regulated to make sure that some minimum level of skill is met to support public health and safety. The POL program was established to oversee the administration of licensing programs which have quasi legislative and judicial functions. They promulgate regulations and adopt a code of professional ethics. They also determine the eligibility of applicants for examination and licensure, evaluate and approve continuing education course hours and programs and discipline licensees. The provisions of this activity are governed by Title 40, Chapter 77 of the SC Code of Laws.

Statewide Result Area:  Improve the conditions for economic growth  
Strategy:  Provide for more effective and broad based incentive and grant programs.

Budgetary Program No.: 1

Expected Results:
To provide agency programs administrative support to help accomplish their mission.

Outcome Measures:
Office of General Counsel handled 475 cases. Processed 10,010 vouchers.
1614 State Emergency Preparedness

The Division of Fire and Life Safety has responsibility under the State Emergency Plan for Emergency Support Function (ESF) 4 - Structural Fire Fighting and ESF 9 - Search and Rescue. The staff works with the State Firefighter Mobilization Committee to fulfill this responsibility by participating in emergency planning meetings, drills. The division, along with Administration, purchases equipment for local fire departments and emergency responders through Homeland Security Grants through SLED. Title 23, Chapter 10 of the SC Code of Laws.

**Statewide Result Area:** Improve the conditions for economic growth

**Strategy:** Provide for more effective and broad based incentive and grant programs.

**Expected Results:**
Enhance the fire safety and emergency response in SC by providing needed training and equipment.

**Outcome Measures:**
Outfit and train local fire departments and emergency responders in the state by the deadlines agreed upon in Homeland Security Grants. Received nearly $8.4M in grants to purchase equipment for local fire departments and state-wide COBRA/USAR teams for use in a natural disaster or in an event involving weapons of mass destruction or hazardous materials. Also provides training for the localities and teams.

**Agency:** R36 - Department of Labor, Licensing & Regulation  
**Functional Group:** Transportation & Regulatory

1780 Boiler Inspection Program

It is unknown at this time how many Boilers will be registered by this program. Current estimates are between 12,000 and 15,000. These professions are regulated to make sure that some minimum level of skill is met to support public health and safety. The POL program was established to oversee the administration of licensing programs which have quasi legislative and judicial functions. They promulgate regulations and adopt a code of professional ethics. They also determine the eligibility of applicants for examination and licensure, evaluate and approve continuing education course hours and programs and discipline licensees. The provisions of this activity are governed by Title 41, Chapter 14 of the SC Code of Laws.

**Statewide Result Area:** Improve the conditions for economic growth

**Strategy:** Provide for a reasonable and safe business regulatory environment.
