Functional Group: Transportation & Regulatory

1520 Utilities-Electric

This program is responsible for monitoring the rates and services of the jurisdictional electric utilities in South Carolina (SC) to ensure compliance with the rules and regulations of the Public Service Commission (PSC), and other applicable state and federal regulations. Performance of these duties includes inspections, audits and examinations of these utilities. The functions of this activity are governed by Article 1, Chapter 4 Title 58 of the South Carolina Code of Laws, especially 58-4-50.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for a reasonable and safe business regulatory environment.

FY 2009-10

Total	General Funds	Federal Funds	Non-Recurring Provisos	Part III (ARRA Funds)	Other Funds	FTEs
\$776,927	\$0	\$0	\$0	\$0	\$776,927	7.50

Other Fund - Subfund No. & Title:

3035 Operating Fund

Budgetary Program No.: IV.,I.,V.

Expected Results:

Act in the public interest to ensure adequate and reliable service is provided at reasonable rates under prudent utility operations while also enhancing economic well being. Protect the health, safety and welfare of SC's citizens by ensuring that electric utilities operate within the regulatory and business practices established by the PSC.

Outcome Measures:

Ensure that jurisdictional electric utilities are in compliance with applicable statutes, rules, and regulations by performing appropriate tests, and investigations.

Agency: R06 - South Carolina Office of Regulatory Staff

Functional Group: Transportation & Regulatory

1521 Transportation

The Transportation Department is responsible for monitoring motor carriers of passengers, household goods and hazardous waste for disposal, and for ensuring the safety of the State's railroad system.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for a reasonable and safe business regulatory environment.

telecommunications industry in South Carolina remains viable.

Outcome Measures:

Ensure that tariff filings are in the public interest. Ensure only applicants who meet appropriate qualifications receive certificates to operate in SC. Take appropriate corrective action for carriers not compliance. Conduct routine audits and inspections to ensure compliance. Manage the USF, ILF and TRS funds.

Agency: R06 - South Carolina Office of Regulatory Staff

Functional Group: Transportation & Regulatory

1523 Consumer Services

This program provides customer service to consumers with complaints and inquiries involving transportation companies and utilities providing electric, natural gas, telecommunications, water and wastewater services that are regulated by the State of South Carolina. Duties include investigating, mediating and resolving utility and transportation customer complaints and inquires to accomplish the statutory requirements for the Office of Regulatory Staff. Complaints and inquiries are recorded to identify trends that may impact the utilities and their customers. The public is also provided consumer education and information on utility related issues.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for a reasonable and safe business regulatory environment.

1611 Audit

ORS performs audits of regulated utilities' applications for changes in rates, charges and tariffs to verify the completeness, accuracy and fair presentation of the financial data used to justify the changes; and, monitors the operating results of utility companies to ensure that rates, charges and tariffs being charged are in accordance with the orders issued by the PSC.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for a reasonable and safe business regulatory environment.

FY 2009-10

Total	General Funds	Federal Funds	Non-Recurring Provisos	Part III (ARRA Funds)	Other Funds	FTEs
\$1,243,070	\$0	\$0	\$0	\$0	\$1,243,070	15.00

Other Fund - Subfund No. & Title:

3035 Operating Fund

Budgetary Program No.: II.,I.,V.**Expected Results:**

Protect the rate paying public and the service providers in SC by ensuring that the financial data presented as justification for changes in rates, charges and tariffs is complete, accurate and fairly stated. Ensure that rates, charges and tariffs being charged do not exceed those authorized by the PSC.

Outcome Measures:

Ensure the financial data supporting the applications before the PSC have been examined and found to conform with accepted regulatory accounting standards.

Agency: R06 - South Carolina Office of Regulatory Staff**Functional Group:** Transportation & Regulatory**1612 Water/Wastewater**

This program is responsible for monitoring investor owned water and wastewater utilities in the state for compliance with PSC rules and regulations with regard to operations and rates.

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for a reasonable and safe business regulatory environment.
