Agency: R16 - Second Injury Fund

Function Group: Transportation & Regulatory

1332 Claims Administration

Claims administration is the primary activity of the agency. It exists to investigate, evaluate and make the final decision to accept, compromise, or deny claims for payment. SC Code of Laws Sections 42-7-200;42-7-310;42-7-320,42-7-400 and 42-7-410 (Same for all activities)

Statewide Result Area: Improve the conditions for economic growth

Strategy: Provide for a reasonable and safe business regulatory environment.

Expected Results:
Expected Results are to protect employers from increased workers' compensation insurance costs; advance the hiring and retention of the disabled; to ensure payment of workers' compensation benefits to injured workers whose employers are in violation of the Workers' Compensation Law; prompt determination of eligibility; efficient claims processing and payments; contain claims cost; and sound fiscal management.

Outcome Measures:
606 employers benefited from the Second Injury Fund in FY10 vs. 783 in FY09. 510 injured workers received benefits from the Uninsured Employers' Fund in FY10 vs. 597 in FY09. 57% of Second Injury Fund claims were accepted within 4 years of the date of accident, ensuring that these claims should not have an adverse affect on the employer's workers' compensation insurance premium. Reduced the annual assessment by $23.3 million in FY10 vs. $24.7 million in FY09 through a stringent reimbursement audit process. Administrative cost ratio for the Second Injury Fund and Uninsured Employers Fund are 2% and 7% respectively. These cost ratio are considerably lower than insurance industry administrative cost ratio.

1333 Legal

Represent the agency in contested claims before the Workers' Compensation Commission and in all appeals to higher courts.
