FORM B – PROGRAM REVISION REQUEST

**Decision Package**: 1767

*Provide the decision package number issued by the PBF system (“Governor’s Request”).*

**Title**: Move FTE positions to other funds from state funds and transfer authorization from other funds operating to other funds classified positions.

*Provide a brief, descriptive title for this request.*

**Amount**: What is the net change in requested appropriations for FY 2014-15? This amount should correspond to the decision package’s total in PBF across all funding sources.

**Enabling Authority**: SECTION 10-3-60. Rent revenue from Governor’s Mansion Complex used for operation of complex. [SC ST SEC 10-3-60]

Revenues generated from the rentals of the facilities of the Governor’s Mansion Complex may be retained and expended for the budgeted operation of the complex.

*What state or federal statutory, regulatory, and/or administrative authority established this program? Is this decision package prompted by the establishment of or a revision to that authority?*

**Factors Associated with the Request**: Mark “X” for all that apply:

- Change in cost of providing current services to existing program audience.
- Non-mandated change in eligibility / enrollment for existing program.
- Change in case load / enrollment under existing program guidelines.
- Non-mandated program change in service levels or areas.
- Loss of federal or other external financial support for existing program.
- Exhaustion of fund balances previously used to support program.
- Proposed establishment of a new program or initiative.

**Recipients of Funds**: These funds will be used to pay for a classified FTE for the Governor’s Office Mansion & Grounds in support of the Mansion Complex, including the Lace House which generates revenue through rentals.

*What individuals or entities would receive these funds (contractors, vendors, grantees, individual beneficiaries, etc.)? How would these funds be allocated – using an existing formula, through a competitive process, based upon predetermined eligibility criteria?*
Is this decision package associated with other decision packages requested by your agency or other agencies this year? Is it associated with a specific capital or non-recurring request?

Related Request(s)

NA

Would these funds be matched by federal, institutional, philanthropic, or other resources? If so, identify the source and amount.

Matching Funds

NA

What other possible funding sources were considered? Could this request be met in whole or in part with the use of other resources, including fund balances? If so, please comment on the sustainability of such an approach.

Funding Alternatives

Rental of the Lace House has grown over the past few years requiring more staff time to manage and oversee the operation. This change allows the revenues generated from the rental to pay for the salary of a Classified FTE. We will move $10,000 from other operating funds to other funds classified positions in order to fund the FTE transfer. In addition, 3 Unclassified Positions are being moved from General Funds to Other Funds for similar reasons. Other funds are already appropriated to facilitate the FTE transfer.

Summary

Provide a summary of the rationale for the decision package. Why has it been requested? How specifically would the requested funds be used?
