South Carolina Criminal Justice Academy

DMT OPERATOR CERTIFICATION TRAINING

Class Limit: 30

Course Location: SCCJA

Course Description:

This course is designed to provide the law enforcement officer with a thorough training background in the operation of the Datamaster DMT. The course is divided into two phases- classroom lecture and hands- on operation of the Datamaster. The classroom lecture covers the current laws in South Carolina regarding DUI, Felony DUI, Implied Consent, Videotaping, and other related alcohol offenses. The history of breath testing, both in South Carolina and nationally, is discussed. The operation of the Datamaster DMT is reviewed and the students are taken, step by step, through the Datamaster DMT operational steps. The hands on phase of the course consists of students operating the Datamaster DMT in the lab and includes implied consent tests, non implied consent tests, refusals, incomplete tests, status code entries and each student changing the simulator solution.

Who Should Attend?

Class I certified law enforcement officers involved in traffic enforcement and regular patrol duties.

Proficiency:

Students must successfully pass a written test with a 70% and demonstrate their ability to operate the DMT device. **Officers will be required to renew this certification every 2 years to maintain this certification.**
