The governing body of the Council shall be composed of 18 members. Ten of the members will be selected at-large by the Governor. These members will be appointed and serve at the pleasure of the Governor until replaced. The remaining eight members of the Council shall represent organizations and local physical fitness councils that are affiliated with the Council in accordance with the Council's bylaws. Members of the Council representing affiliated organizations and councils shall be selected by their respective constituents. All Council members should be experienced or interested in the promotion of physical activity and healthy lifestyles.

One member of the Council shall be designated by the Governor as Chairman. The Chairman shall serve at the pleasure of the Governor. The Council shall be staffed by an Executive Director and such other employees assigned by the Department of Health and Environmental Control as may be needed to accomplish the work of the Council.

The Council is authorized by the Governor to receive and disburse funds made available for these purposes through the Department of Health and Environmental Control.

To the extent that it is inconsistent with this Executive Order, Executive Order 88-03, executed February 5, 1988, is hereby rescinded.
