

## August 2014

These publications were produced by South Carolina state agencies and state-supported academic institutions. All titles unless otherwise noted are available online through the [State Documents Depository](#).

### Economic Development

Clemson University, Strom Thurmond Institute

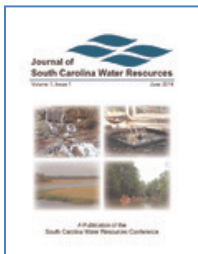

Yandle, Bruce

[The economic situation](#) - 2014-09-01 [The economic situation](#)

OCLC#: 27672655

This is a quarterly newsletter on the economy written by Senior Fellow Bruce Yandle, Clemson Alumni Distinguished Professor of Economics Emeritus and Interim Dean of Clemson's College of Business & Behavioral Science. The newsletter provides an analysis of national, regional, and state economic trends and activity. Each issue gives an update on GDP growth, interest rate trends, and comments on major events that affect the economic outlook.

### Environment & Natural Resources

Clemson University, Institute of Computational Ecology

South Carolina Water Resources Conference

[Journal of South Carolina water resources](#) - 2014

OCLC#: 890602124

This journal corresponds closely to the October, biennial meeting of the South Carolina Water Resources Conference. The aim of the Journal of South Carolina Water Resources is to provide a forum for articles about the condition of South Carolina's water resources, with the goals of influencing science-based management decisions and heightening awareness of our water resources. Issues published in odd-numbered years will feature select manuscripts, and in even-numbered years there will be a theme focus to preview the upcoming conference.

### Health

South Carolina Data Oversight Council

[Principles and protocol for the release of health care data](#) - 2014-07

OCLC#: 890604417

This document gives the kinds of health information that can be released for consumers, purchasers, health care facilities, health care insurers and health care professionals, researchers and governmental agencies.. It provides for the classification and release of data, management policies for the Data Oversight Council, encounter-level data and restricted data.

## Transportation

South Carolina Department of Transportation

[South Carolina traffic fatality report for 2014](#)

OCLC#: 890649446

This statistical sheet shows 2010-2014 traffic fatality comparisons through July, 2014, top probable causes, fatalities by route category, top fatality counties, fatalities by restraint usage and top crash events.
