<b>Oklahoma National Stockyards Weekly Cattle Summary</b>							<b>NY Cotton Exchange</b>		
Compared to last week: Feeder steers and heifers too lightly tested for a market trend. Receipts are light this week due to a cold front bringing snow and ice into the state late last week and through the weekend. Quality was mostly plain, with most cattle being full and fleshy. Supply included 82 percent over 600 lbs and 22 percent heifers.							<b>Wed's Futures Closing Prices</b>		
Due to limited receipts no trend could be established. Packer demand moderate. A total of 58 cows and bulls sold with 71 percent going to packers.							Mar	63.61
