DISCOVER THE PARK SCAVENGER HUNT

The answers to the “no touch” scavenger hunt can be found throughout the park.

We hope that you will enjoy seeing the entire park as you search for the answers.

1. The exposed bluff at the park is part of what geological formation?
2. What is unique about Observation Point Number 5?
3. How many steps lead up to the Observation Overlook?
4. How many numbered observation points are in the park?
5. Name as many animals you can find in the bluff exhibit in the Interpretive Center.

6. Pick up any evidence of man (litter).
THANK YOU!

7. What can you find out about Great Blue Herons?
8. How many ship/boat models can you find in the Interpretive Center?
9. What are the big marble and granite stones along the Interpretive Center walkway called?
10. When did the Santee Canal open?
11. How old would you guess the large Live Oak tree with the exposed roots located near the amphitheater is?
12. How much did it cost to build the Santee Canal?
13. On the upper deck at the Interpretive Center, listen and write down how many different sounds you hear.

14. How many canoes can you find in the park?

15. Look for a sun trap. (A sun trap is anything that captures the sun’s heat.) What did you find?

16. When did the South Carolina River and Canal System function?

17. At the bridge over Biggin Creek, can you find the large Osprey nest?

18. How much did plantation owners make by letting their slaves work on the Santee Canal?

19. What were the arches under the Stony Landing House used for?

20. At the old canal, stop and imagine what it was like to travel to this site in the early 1800s.
