

The answers to this “no touch” scavenger hunt can be found throughout the park. We hope that you will enjoy seeing the entire park as you search for the answers.

1. How many steps lead up to the Observation Overlook?
2. How many numbered observation points are located in the park?
3. Name as many animals as you can find on the bluff exhibit in the Interpretive Center.
4. Pick up any evidence of man (litter!) THANK YOU!!!!
5. On the upper deck at the Interpretive Center, listen to all the different sounds that you hear.
6. How many canoes are in the park?
7. Look for a sun trap. (A sun trap is anything that captures the sun's heat.) What did you find?
8. What is the name of the Children's Garden? Name one feature that you found there.
