Oklahoma National Stockyards Weekly Cattle Summary				NY Cotton Exchange				Wed's Futures Closing Prices		May		67.32	
Compared to last week: Feeder steers 2.00 to 4.00 higher. Feeder heifers steady to 2.00 higher with 600-700 lbs up to 5.00 higher. Steer and heifer calves 2.00-4.00 lower. Demand remains good for feeder cattle despite last Friday's bearish COF report and today's lower cattle futures. Numbers are still limited and along with that more and more heifers are returning to the country as replacements. Demand for calves moderate. Cold, wet weather is limiting demand, especially those unweaned calves. These are seeing discounts of up to 20.00 per cwt to their weaned mates. Heavy rains throughout the day prompted gaunt to average weigh-ups. Rains continue to fall over much of Oklahoma. Supply included 75 percent over 600 lbs and 41 percent heifers.				Slaughter cows and bulls steady to 2.00 higher. Packer demand moderate. A total of 459 cows and bulls sold with 25 percent going to packers.				Jul				67.09
