Oklahoma National Stockyards Weekly Cattle Summary									
Compared to last week: Feeder steers and heifers sold mostly steady on a very light test. Not enough steer or heifer calves for an accurate trend. Receipts are light this week due to the 4th og July holiday falling over the weekend. Temperatures have been in the 90's and humid, but heavy rains with flash floods possible will move into the state on Tuesday and Wednesday. Supply included 68 percent over 600 lbs and 48 percent heifers.									
Slaughter cows and bulls sold mostly steady. Packer demand moderate to good. Demand was good for cows returning to the country. A total of 116 cows and bulls sold with 69 percent going to packers.
