<b>Oklahoma National Stockyards Weekly Cattle Summary</b>							<b>NY Cotton</b>		
Compared to two weeks ago: Feeder cattle and calves 5.00-10.00 lower; instances of cattle over 750 lbs up to 15.00 lower. Un-weaned or short weaned steer and heifer calves up to 20.00 lower. Demand for feeder cattle moderate following another week of lower slaughter cattle prices. Weather in control of demand for calves as wide swings in temps are difficult in maintaining the health of a calf. Quality plain to average, and attractive. Weather front moved in late last week and some cooler temperatures for a short period, warmer weather and strong winds are in store for the week ahead. Supply included 73 percent over 600 lbs and 39 percent heifers.							Exchange		
No trend established for slaughter cows and bulls due to limited number of comparable sales. Packer demand moderate. Demand remains good for bred cows and pairs. Total of 371 cows and bulls sold with 42 percent going to slaughter.							Thursday's Futures
