INTRODUCTION

Hon. A. J. Beattie, Comptroller General of South Carolina:

Dear Sir:

In accordance with the requirements of law I am transmitting herewith my report as State Treasurer for the fiscal year beginning July 1, 1935 and ending June 30, 1936.

On July 1, 1935, $4,734,895.75 Refunding 4% Brown Bonds and Stocks were called for payment in accordance with arrangements made during the previous year. At the time of this report, June 30, 1936, all of these have been surrendered and paid except $32,000.00. A trust fund has been created and set up to pay these when, as and if they are surrendered. In lieu of this issue the State now has outstanding Refunding 3¼% bonds in the amount of $4,200,000.00.

The only addition to the bonded indebtedness of the State is $700,000.00 of Institutional Bonds authorized by the General Assembly of 1934.

Short term, local borrowings have been at highly satisfactory rates; ¾ of 1% and even as low as 59/100 of 1%.

At this date, there is no "floating indebtedness."

Respectfully submitted,

E. P. MILLER,
State Treasurer.
