In order to receive payment from SCCID an investigator must be on the list of approved investigators maintained by SCCID and adhere to the following policies and regulations.
 - a. Investigators must meet and continue to adhere to all SLED licensing requirements and policies pertaining to private investigators.
 - b. SCCID must be provided proof that investigator is licensed by SLED prior to being placed on approved list. SCCID must be immediately notified of any change in status concerning SLED licensing. SCCID must be notified of any criminal or civil action brought against investigator in any federal, state or local jurisdiction.
 - c. The investigator must have a separate business address and taxpayer identification number from the attorney of record.
 - d. Investigators shall receive a maximum of \$50 per hour for work performed.

 - g. The investigator is the agent of the attorney and the attorney shall adhere to Rule 5.3 of the South Carolina Rules of Professional Conduct pertaining to responsibilities regarding non-lawyer assistants. All bills, invoices, etc. for services rendered shall be submitted for review by the attorney for whom the investigator is working prior to submission to SCCID. The attorney as supervisor of the investigator shall insure the investigator bill is proper and that SCCID is only being billed for necessary services authorized by the attorney.
