CENTRAL CAROLINA TECHNICAL COLLEGE

QUICK FACTS FALL 2010

Mission Statement

Central Carolina Technical College is a comprehensive, public, two-year institution of higher education that is dedicated to fostering a positive environment of teaching and learning for faculty, staff, and students. The College serves primarily the region of Clarendon, Lee, Kershaw, and Sumter counties in South Carolina and confers associate degrees, diplomas, and certificates. College programs, student support services, and resources provide citizens, businesses, industries, and communities with quality, affordable, accessible, customer-responsive post-secondary education through life-long learning and specialized training opportunities. These are designed to develop the foundation for personal growth, economic development, and an improved quality of life through multiple learning environments including traditional and electronic instructional methods. The College's vast array of associate degree, diploma, and certificate programs prepares students to enter the job market, to transfer to senior colleges and universities, and to achieve their professional and personal goals. Specifically, Central Carolina offers academic programs in business, the health sciences, public service, industrial and engineering technology, and the arts and sciences. Through its comprehensive programs and support services, the College annually serves over 6,000 credit students and 3,000 continuing education students through traditional and non-traditional formats in multiple learning environments including online, electronic, and distance learning.

Revision Approved by the Central Carolina Technical College Area Commission, May 18, 2010 and the South Carolina Commission on Higher Education on May 26, 2010.
