MASTER PLAN FOR A FUTURE PARK SITE -- RFP 1415-119-RM

TOWN OF MOUNT PLEASANT AND THE CHARLESTON COUNTY PARK & RECREATION COMMISSION

Qualified Design firms are invited to submit Proposals to the Town of Mount Pleasant to provide professional design services for development of a Conceptual Master Plan for a Future Site on Rifle Range Road. In 2010, TOMP and CCPRC jointly acquired parcels on Rifle Range Road for future use as a park TOMP and CCPRC have a desire to jointly master plan the property. The parcels are composed of approximately 80.2 acres of wetlands and 165.4 acres highland. The location of the property is within a 15-minute drive of nearly 15,000 people, providing an excellent opportunity to fill a gap in recreation services. It is anticipated that the TOMP's portion of the project will provide active recreational uses, such as multi-use athletic fields and other athletic facilities as well as other appropriate facilities that will enable TOMPRD to carry out its stated mission, while CCPRC's portion of the project will provide amenities that are more typical of CCPRC's regional parks.

Interested firms or persons can obtain the solicitation by submitting an e-mail request to rmiddleton@tompsc.com. If you have any questions, please contact Regina Middleton with the Town's Purchasing Division Office Monday through Friday from 8:00am to 4:30pm by e-mail or at 843-884-8517, extension 3536. Responses to the solicitation shall be sent directly to the Town at the address provided in the solicitation. Please do not submit responses or questions to the Charleston County Park & Recreation Commission.
