SUBJECT: Notice of Tentative Credit Accident and Health Insurance Rates and Opportunity to Request a Hearing

DATE: August 1, 2013

I. NOTICE OF TENTATIVE CREDIT ACCIDENT AND HEALTH INSURANCE RATES

Regulation 69-11.1, Regulation of Credit Insurance, requires the South Carolina Department of Insurance (Department) to promulgate tentative rates for credit accident and health insurance by August 1 of each year. The tentative rates are those the Department believes may reasonably be expected to produce a loss ratio of not less than fifty percent (50%) in the following calendar year. This bulletin constitutes official notice of the tentative rates for 2014.

The Department has reviewed the last several years' experience for credit accident and health insurance written in conjunction with consumer credit transactions subject to the Consumer Protection Code and not including credit accident and health insurance written in conjunction with loans subject to the Consumer Finance Law. The aggregate loss ratio for credit accident and health insurance at the prima facie rates are: forty-six and six tenths percent (46.6%) in 2012, forty-seven percent (47.0%) in 2011, and fifty and one tenth percent (50.1%) in 2010. With the current year experience producing an aggregate loss ratio of approximately forty seven percent (47%) and a weak but growing national economy, the tentative rates proposed for 2014 for 14-day Retro and 30-day Retro coverage remain unchanged from the 2013 rates.

What follows are the tentative single premium rates per \$100 of initial indebtedness proposed for 2014 for credit accident and health insurance:

<i>Period</i>	<i>14-Day Retro</i>	<i>30-Day Retro</i>
12 Months	\$1.70	\$1.60
24 Months	2.30	2.20
36 Months	2.90	2.80
48 Months	3.40	3.30
60 Months	3.90	3.80
72 Months	4.30	4.20
84 Months	4.70	4.60
96 Months	5.00	4.90
108 Months	5.30	5.20
120 Months	5.60	5.50
132 Months	5.90	5.80
144 Months	6.10	6.00
156 Months	6.30	6.20
168 Months	6.50	6.40
180 Months	6.70	6.60

For periods that do not equal an integral number of years, the rates may be interpolated to the upper quarter of a year with finer interpolations permitted to the equivalent of the nearest month. For example, the rates for a period from 0 to 3 months for the 14-day plan would be one-fourth of \$1.70 or \$0.43.

Rates for policies of credit accident and health insurance where the premiums are paid other than on a single premium basis must be actuarially equivalent with the rates specified above.

The Department will not approve rates that deviate from the prima facie rates except where such rates are actuarially equivalent.

II. OPPORTUNITY FOR A HEARING

Regulation 69-11.1.D.(5) provides that “every insurer which feels aggrieved by any of the rates so promulgated shall have fifteen days to request a public hearing with respect to such rate or rates.” Accordingly, all requests for a hearing must be submitted to the Department in writing on or before August 15, 2013. Please direct any requests for a hearing to the attention of:

Jeffrey Jacobs, Chief Legal Counsel
South Carolina Department of Insurance
Post Office Box 100105
Columbia, South Carolina 29202-3105

All requests must include documentation supporting your position that the tentative rates for credit accident and health insurance need to be changed. After all such hearings have been held, the final rates or an affirmation of the tentative rates shall be sent to all companies before October 1, 2013.
