## MEDICAID BULLETIN

**TO:** All Providers  
**SUBJECT:** New SCDHHS Website

The South Carolina Department of Health and Human Services (SCDHHS) is excited to announce the launch of its newly designed public website on Monday, Nov. 7, 2011.

The site (<http://www.scdhhs.gov>) will contain much of the same information currently available, but will feature a more attractive, user-friendly design that enables faster, easier and more direct access to information. The Department invites providers to visit the site and submit comments to [comments@scdhhs.gov](mailto:comments@scdhhs.gov). Thank you for your support of the Medicaid program.
