ANGEL OAK ELEMENTARY SCHOOL

The work includes, but is not limited to, the renovation of the existing 44,000 square foot school building along with the construction of a new, one-story, fully sprinkled, 38,300 square foot building located on the site of the current Angel Oak Elementary School (6134 Chisolm Road, Johns Island, SC 29455). Renovations of the existing school include the replacement of HVAC and fire alarm systems. Additional upgrades will include replacement of roofing, flooring, doors, hardware ceilings systems and selective walls in the facility. Several existing spaces in the building will also be repurposed to accommodate an expanded front office area.

The new addition will be constructed predominately of load bearing CMU masonry with brick veneer, joists, and metal decking. Two roof systems are utilized included modified bituminous sheet system and standing seam metal. Roof mounted HVAC units with make-up air dehumidification will be used for the majority of the spaces in the new addition. Finishes will include, but are not limited to: VCT, ceramic and quarry tile, rubberized flooring, carpet, acoustical ceilings, paint, casework and marker/tack boards. The package also includes site work and utilities including ground modification with earthquake drains, paving, curb & gutter, basic mechanical and electrical services, electrical life safety systems, technology items, and cable trays.

The Owner has retained the services of a Program Manager to represent the Owner's interest during the construction of the work.

Solicitation 16-CMG-R-003 is available at the offices of Cumming Construction Management, Inc. 3820 Faber Place Drive Suite 600, N. Charleston, SC 29405. Solicitation may be requested in writing, by facsimile at 843-760-6880 or requested via email addressed to smarlowe@ccorpusa.com. Plans and specifications are not available for inspection at this time.

The contractor's qualifications, experience, financial stability and ability to perform the requirements of the contract are the general evaluation criteria for qualifying a contractor for this particular project. The determination of which contractors are pre-qualified, and thereby entitled to bid, is not subject to review pursuant to Article 17 of the CCSD Procurement Code.

All bids are to be accompanied by a bid bond or certified check of not less than five percent (5%) of the base proposal. The successful offeror will be required to furnish Performance Bond and Labor and Materials Bond in the amount of one hundred percent (100%) of the Contract Amount. No bonds are required to be submitted with qualifications. Specific requirements for the qualifications are contained in Solicitation No. 16-CMG-R-003 and must be strictly adhered to. All qualifications must comply with the laws of the State of South Carolina.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
