The SC Department of Juvenile Justice is requesting information from interested manufacturers/dealers for the purpose of participating in request for information and evaluation process for secure identification wristbands for its locations in Columbia, Ridgeville, and Union, SC. SCDJJ will evaluate Manufacturer's responses to the Agency requirements. This evaluation may include a demonstration of the proposed identification system and a month long wear testing of the offered wristbands. Manufacturer's whose systems/wristbands are chosen by the evaluation panel will be included on the bidder's list for an upcoming solicitation for which them or their dealers may participate.

The offered identification system must be able to be deployed in a server based environment so that intake staff at various statewide locations can have access to it via the Agency network.
