**Description of Project:** FDTC will undertake the design and construction of the new Academic and Workforce Development Building on the College's main campus. The new facility will be the new central focal point of the College's main campus. It will be a three story building approximately 80,000 ft<sup>2</sup> in size, and it will house high tech teaching space, a state-of-the-art library/media center, a customer-friendly student intake services facility, and administrative offices. The project also includes construction of a new main campus entrance and parking areas for the new building. The building must meet LEED® Silver, or Green Globes Two Globes, certification as a minimum. Additionally, the project will include renovation of the existing 5000 building, and the demolition of the existing 100 and 400 buildings. This information is offered now only for informational purposes. The demo will involve a prolonged phasing of A&E services for the new parking areas where the buildings have been demoed. Asbestos reporting will be done by the owner. The College plans to obtain the services of a Construction Manager at Risk (CM@R) to provide construction management and pre-construction services for the project. The Designer will be expected to work as a team with the CM@R. Additionally, funding for the project will include funds provided by the FDTC College Foundation, EDA and USDA. Experience on projects using these types of funds is a plus.

**Description of Professional Services Anticipated for Project:** Architectural design and engineering services for the building, its associated site, and the 5000 building renovation plans.

## **CITY OF NORTH MYRTLE BEACH**

### **REQUEST FOR STATEMENT OF QUALIFICATIONS FROM DREDGING CONTRACTORS**

#### **FOR**

#### **PRE-QUALIFICATION FOR THE CHERRY GROVE BEACH CANAL DREDGING**

Beam & Associates, as a consultant to the City of North Myrtle Beach, South Carolina, is seeking submittals from qualified dredging Contractors for the dredging services required for the Cherry Grove Beach Canal Dredging project for the City of North Myrtle Beach.

Contractors wishing to present a bid for this project must first be determined to be qualified to perform the services required. As such, interested dredging Contractors should submit a Statement of Qualifications to Beam & Associates; 2120 Sea Mountain Hwy.; Suite 2105 A; North Myrtle Beach, SC 29582, no later than 3:00pm on Monday, May 9, 2016. All responses must be submitted in sealed envelopes and identified on the outside of the envelope/package as: Cherry Grove Beach Canal Dredging – Statement of Qualifications.

Statements of Qualifications (SOQ) received later than the specified time/date will not be accepted or considered. No facsimile or telephone submittals will be accepted. Beam & Associates will not be held responsible for unidentified SOQ responses.

The selection process requires submittal of one (1) original and two (2) copies of written responses to this request.

Beam & Associates and the City of North Myrtle Beach reserves the right to: 1) Accept or reject any or all Statements of Qualifications, 2) To select Contractors who appear suitable to the best interests of the City of North Myrtle Beach, 3) To request additional clarifying information from any respondent, 4) To waive any and all formalities or irregularities in any response, and 5) Conduct interviews with Contractors who are deemed responsible and present sufficient qualifications.

It is the intent of the City of North Myrtle Beach to develop a bidders list of acceptable dredging Contractors who will be allowed to bid on the upcoming project. Those who are short-listed may be asked to critique preliminary plans, schedule, and budget in an effort to ensure that the project is deemed practicable by those who intend to bid for it.

The information submitted in response to the SOQ will be subject to the freedom of information act and, as such, will be made available for public review, if a request is submitted.

The evaluation factors will include, but will not necessarily be limited to:

- In order for the Contractor's response to be deemed complete the Contractor must demonstrate in the SOQ that he has successfully completed dredging projects similar in size and scope in a marine environment. Specialized experience or technical expertise of the Contractor and their personnel in connection with projects of similar nature within the past ten (10) years must be demonstrated and must include all of the following:
  - a. Contractor must have at least ten (10) years of experience in dredging in marine (tidal influenced) environment.
  - b. The Contractor must have successfully completed five (5) marine dredging projects within the past 10 years. These projects must have been successfully complete, and accepted by the Owner.
  - c. For use with this project, Contractor must have access to a small hydraulic dredge that is maneuverable in tight spaces. The dredge must be capable of operating without deploying cables and/or anchors for guidance and maneuvering.
  - d. Contractor must have equipment and personnel capabilities to pump a distance of up to approximately 20,000 LF and up to approximately 22 ft. (+) in vertical differential (head) from the canals to the disposal basin.
  - e. Contractor must have the capabilities to dredge up to approximately 190,000 cubic yards of material for the above-mentioned pumping distance and elevation differential (head) within the allowed dredging window from October 1, 2016 through March 31, 2017.
  - f. Contractor must be capable of dredging and pumping a material that is an inconsistent mixture of sand and silt for the quantity, distance, and elevation as mentioned above.
  - g. Projects must have been completed within the specified time schedule.
- Past record of performance on contracts with municipal or private development factions, including quality of work, timeliness, and cost control.
- Capacity of the Contractors and all Sub-Contractors to perform the work within the prescribed time limitations, taking into consideration the current and planned workload of the Company and their Sub-Contractors.
- Familiarity of the Contractor and their Sub-Contractors with the type of mobilization, site access, and constructability issues applicable to the Project.
- Specific assessment of the constructability of the Project, and presentation of a clear work plan for how the Project can be accomplished within required accessibility and time constraints.
- Input from Contractor and Sub-Contractor References.

Contractor must obtain a City of North Myrtle Beach business license from the Revenue Department and obtain building permits from the Planning and Development Department before any work is to be performed.

Project Scope/Schedule:

The Schematic Layout Plan, Scope of Work, and preliminary Schedule for the Project are also available by email request to those listed below. Please submit all questions in writing by email to:

Braxton Kyzer, P.E.; email: [bkyzer@jgtinc.com](mailto:bkyzer@jgtinc.com); phone: 843-224-9283

ATTN: Tony Shealy, Procurement Specialist, 715 ninth Street, West Columbia, SC 29169

Neither the Owner nor the Engineer is responsible for any omissions or deletions to the bids submitted by the Contractor or Sub Contractor due to receiving an incomplete or partial set of Plans and Specifications.

Bidders are required to inform themselves fully of all laws, ordinances and conditions relating to the construction and labor under which the work will be performed, and each contractor must employ, as far as possible, such methods and means in carrying out the work accordingly. Bidders are required to visit the site and become thoroughly familiar with all existing conditions before submitting a bid. Failure to do so will in no way relieve the successful bidder from the necessity of furnishing any materials or performing any work that may be required to com-

plete the work in accordance with the true intent and meaning of the plans and specifications without additional cost to the owner.

No oral interpretations will be made to the bidders as to the meaning of the Plans and Specifications. Requests for interpretations or clarifications will not be made less than 2 days prior to receipt of proposals. All interpretations and clarifications made to bidders will be issued in the form of an addendum. Such addenda are to be covered in the proposals and in the closing contract they will become a part thereof.

# SCBO Notices

## VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
