Intent To Sole Source

COTS SPARS GRANT MANAGEMENT SYSTEM

It is the intent of the South Carolina Department of Public Safety (SC DPS) to issue a sole source procurement to provide a COTS SPARS grant management system with advanced analytics to track subgrantee applications and awards. The system must allow access to the State Preparedness Assessment and Reporting Service (SPARS) web-based software-as-a-service (SaaS) and utilize the same interface as utilized by the SC Law Enforcement Division (SLED) for shared grantees to reduce training and end user support requirements. The system implementation must be completed by June 30, 2018.

The new system must provide and address all of the following Agency needs/requirements:

Initial Setup

1. Add grants specified by SC DPS
2. Setup custom codes using spreadsheet provided by SC DPS
3. Import current subgrantees list
4. Setup additional subgrantees provided by SC DPS
5. Setup SC DPS user accounts from list provided by SC DPS
6. Setup grant document templates
7. Setup reimbursement document templates
8. Build functionality to support user self-registration
9. Modify grant application process to allow subgrantees to submit applications for the approval process
10. Provide a Technical Support Desk operating on regularly scheduled workdays
11. Training: Provide on-site training for SC DPS staff and remote web collaborative training for unlimited number of participating subgrantees
12. System upgrades
13. Financial Tracking: System must track the grant expenditures of subgrantees

14. Grants: Ability to process multiple grants
15. Users: SC DPS will require a license for approximately 200 user accounts.
16. Grant Documents: Facilitate compliance monitoring of grant life cycle
17. Contractor must maintain appropriate administrative, physical, and technical industry-best standards safeguards for protection of the security, confidentiality and integrity of SC DPS's data
18. Customization as needed

Qualified vendors must respond via email to Margaret Woodson of SCDPS at margaretwoodson@scdps.gov no later than 5:00pm on March 14, 2018.
