# South Carolina

## Driver's Licenses and Identification Cards

## New License Features

- The new design has multiple levels of security and is more resistant to tampering.
- The new features will help deter fraud and identity theft.
- Each credential has a unique serial number tied to the recipient.

## Laminate

- The laminate is tamper resistant and has holographic images of the state seal, palmetto trees and the SCDMV logo.

## Adult Driver's License

### Front of Driver's License

### Back of Driver's License
