Message to the Students of USC Lancaster

On behalf of the University of South Carolina Lancaster, let me take this opportunity to welcome you to the campus. I am confident that you will find that you have made a positive decision to start your university career here. We are blessed with an excellent faculty and staff whose primary concern is your success. Our facilities are first rate and continue to improve. We enjoy the support of the citizens of our service area, the business community and the legislative delegation. You are privileged to be counted among the academic community at USCL.

But remember that no privilege comes without its duties. You are expected to contribute to the academic and cultural life of this campus by class attendance and participation, by attendance at our cultural events, and by giving back to the Lancaster community in the form of service. As a campus we emphasize these responsibilities and as a student you will be expected to play a major role.

Don't forget to enjoy your time with us. These are years that you will remember for the rest of your life as a time of change and learning, but also as a time of fun and excitement. I look forward to meeting each of you and I encourage you to tell me of any problems that you might encounter.

Good luck and best wishes.

John Catalano
Dean of the University of South Carolina Lancaster

THE CAROLINIAN CREED

The community of scholars at
The University of South Carolina is dedicated
to personal and academic excellence.

Choosing to join the community obligates each member to a code of civilized
behavior.

As a Carolinian...

I will practice
personal and academic integrity;

I will respect
the dignity of others;

I will discourage
bigotry, while striving to learn from
differences in people, ideas, and opinions;

I will demonstrate
concern for others, their feelings, and their need for conditions which support their
work and development.

Allegiance to these ideals requires each Carolinian to refrain from and discourage
behaviors which threaten the freedom and respect every individual deserves.

STUDENT LIFE

•Student Life Statement

An important aspect of university life, sometimes overlooked by students, is the rich opportunity to participate in and contribute to the extracurricular life of the campus. USC Lancaster encourages and fosters the growth and development of student organizations, clubs, publications and student activities. Our campus provides the opportunity for every student to make important and noticeable contributions. Your ideas, hard work and participation in student activities on this campus will be visible and deeply appreciated.

•Commencement and Other Formal Ceremonies

Commencement is a dignified and formal ceremony that honors students who have earned degrees. The academic costumes worn in the procession and at other formal university occasions trace their origins to those worn by faculty and students at medieval European universities. The costume remains relatively unchanged since the 16th century. The style of the gown, the shape and tassel of the headpiece, and the colors on the hood all denote the wearer's academic heritage.

The headpiece is appropriately worn with the board flat on the top of the head and with the tassel falling from the left quarter of the board. Tassel colors denote the field of discipline in which the wearer's degree was earned. Doctoral tassels are often gold. The soft velvet Tudor cap is also worn by many who hold the doctorate.

The hood is worn falling from the shoulders down the back of the gown in a display of vivid color. It is edged in velvet, which by its color denotes the field of discipline in which the wearer's degree was earned and it is lined in two colors of silk, which represent the college or university from which the degree was earned. Hence, the University of South Carolina hood is lined in garnet and black and edged with the appropriate discipline color.

The University Mace is carried in procession on occasions of outstanding importance, such as commencements, convocations, and formal dedications. The placement of the mace on its stand signals that the proceedings are about to come to order; its retirement indicates the conclusion of the exercises. The Mace is carried in procession by the President of the Student Government and escorted by the University Chaplain and representatives of the Faculty, the Faculty Emeriti, Alumni, the Board of Trustees, and the University community at large. Academic maces are historically regarded as manifestations of the *immortal dignity* of universities and thus represent the past, present and future.

- **Medford Library**

Medford Library serves the students and faculty of USC Lancaster and is also open to the public, high school age and above. The online library catalog serves as an index to the entire USC System libraries' collections, including books, government publications, e-books, audiovisual material, and periodical holdings. In addition, Medford Library provides access to numerous electronic resources including Infotrac, EBSCOhost, JSTOR, Project Muse, online encyclopedias, and NetLibrary e-books, some of which are provided through DISCUS (Digital Information for South Carolina Users) and PASCAL (Partnership Among SC Academic Libraries) statewide funding. Many of the electronic resources provide full-text of the articles or books that are indexed, and most can be accessed from off-campus using proxy access or the appropriate username and password (available in the library). Most print library materials circulate for a loan period of three weeks; fines of .25 per day per book may apply to overdue materials. The loan periods for Reserve materials vary according to instructor preference, and overdue fines on these items are higher. Reference materials, periodicals, and audiovisual media may be used only in the library. A coin-operated photocopier is available. Any patron needing a book, government publication, or article for scholarly purposes that Medford Library does not own may request it through the library's online Interlibrary Loan service known as *ILL Express!* For more information about Medford Library, go to the web at <http://usclancaster.sc.edu/library/>.

- **Opportunity Scholars Program**

The Opportunity Scholars Program (OSP) provides services to increase retention and graduation of first-generation college students. Services offered include participation in cultural events and educational trips, career planning, four-year college transfer assistance, tutoring and academic advising. USCL students who meet OSP requirements are encouraged to apply for the program; however, only 150 students are accepted and early application is encouraged. During commencement, OSP members wear a blue-ribboned silver medallion in recognition of their

academic achievements. The TRiO Learning Resource Center, which houses OSP and Upward Bound, is located on the first floor of the Medford Library building. The lab is equipped with 20 state of the art computers. A full-time staff of education professionals and ten tutors/mentors deliver academic services to TRiO students year-round.

USCL CODE OF STUDENT CONDUCT

Based on USC Policy STAF 6.26

Policy for: USC Lancaster Campus

Procedure for: USC Lancaster Campus

Authorized by: John Catalano, Dean

Issued by: Office of Academic & Student Affairs

1. INTRODUCTION

- 1.1. This discipline system extends and applies the general principles of the Statement of Student Rights and Freedoms within the Academic Community to specific actions and responsibilities of students and student organizations at USC Lancaster. It accepts the proposition that "academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society," and that "free inquiry and free expression are indispensable to the attainment of these goals." As such, the University strives to maintain an educational community that fosters the development of students who are ethically sensitive and responsible persons.
- 1.2. USC Lancaster strives to protect this educational community and to maintain social discipline among its students and student organizations. Consistent with its purposes, reasonable efforts will be made to foster the personal and social development of those students who are held accountable for violations of University social regulations.
- 1.3. The purpose of this document is to set forth the specific authority and responsibility of the University in maintaining social discipline, the educational process of determining student and student organization accountability for violating the regulations, and the proper procedural safeguards to be followed in this process to insure fundamental fairness and protect the students and student organizations from unfair imposition of serious penalties and sanctions.

2. APPLICATION OF LAWS AND REGULATIONS

- 2.1. Students should be aware that educational institutions are not sanctuaries beyond the reach of the criminal laws of the communities and states wherein such institutions exist. While the rules and regulations of USC Lancaster are not meant to duplicate general laws, there are some aspects in which the lawful interests of the institution as an academic community coincide with the broader public interests treated in general laws. Students, or student organizations, who commit offenses against the laws of municipalities, states, or the United States, are subject to prosecution by those authorities and may be subject to disciplinary action under University rules when their conduct violates institutional standards.
- 2.2. Students, no less than other citizens, are entitled to be secure in their personal lodgings, papers, and effects against unreasonable searches and seizures. Searches and seizures by law enforcement personnel incident to investigations or arrests are conducted only under proper warrant. This does not prohibit normal inspections of University housing or other facilities for maintenance, health, or safety purposes.
- 2.3. Students enjoy the same freedoms of speech and peaceable assembly as all citizens, but they are under certain legal obligations in the exercise of these freedoms by virtue of their membership in the University community. Expression may be subjected to reasonable regulations of time, place, number of persons, and form under established regulations. Expression in the form of action that materially interferes with the normal activities of the

institution or invades the rights of others is prohibited. The University is pledged to protect lawful exercise of the rights of free speech and assembly and will invoke appropriate legal and disciplinary sanctions when necessary in the pursuit of this goal.

3. AUTHORITY AND RESPONSIBILITY

- 3.1. Responsibility for good conduct rests with students as individuals, for both themselves and their guests. Student organizations have similar responsibility for maintaining good conduct among their members and guests and at activities they sponsor. All members of the University community are expected to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others.
- 3.2. The Board of Trustees is the governing body of the University and the powers of the President and the faculty are delegated by the Board in accordance with its policies. The faculty, subject to review by the President and the Board of Trustees, has legislative powers in all matters pertaining to the discipline of students and student organizations. The USCL student discipline system is administered by the Office of Academic & Student Affairs. Student Government as an elected and representative voice of the student body, has the right to comment on any proposed changes pertaining to the discipline of students.
- 3.3. The Associate Dean for Academic & Student Affairs is responsible for formulating and implementing policies and procedures, in cooperation with other appropriate University bodies, for the judicial consideration of conduct violations and the imposition of sanctions in an efficient, consistent, fair, legal, and educationally meaningful manner. The Office of Academic & Student Affairs may further delegate its responsibility to various judicial bodies and administrative staff.

4. CODE OF STUDENT CONDUCT - GENERAL PROVISIONS

- 4.1. This section establishes the rules and regulations all students and student organizations of USC Lancaster are expected to follow under the duty and corollary powers inherent in educational institutions to protect their educational purposes through the setting of standards of student conduct and scholarship and through the regulation of the use of University facilities.
- 4.2. Students and student organizations have a right to expect enforcement of these rules and regulations. The University also has the right to expect students and student organizations to abide by them as befits the responsibilities of students as members of the University community. Knowledge of these rules and regulations can prove most beneficial to students and student organizations in utilizing and protecting their guarded rights. It is important to add, however, that unfamiliarity with institutional regulations or rules is no ground for excusing infractions.
- 4.3. Scope of Application - The University may take disciplinary action for a violation of the Student Code of Conduct when the offense takes place on University premises or at University sponsored, endorsed, supported or related events which occur off campus, or when an offense which occurs off campus is such that in the judgment of the Associate Dean for Academic & Student Affairs, failure to take disciplinary action is likely to interfere with the educational processes or orderly operation of the University, or endanger the health, safety and welfare of the University community.
- 4.4. Definition of a "Student"
For the purpose of this policy a "student" is defined as any person who is admitted, enrolled or registered for study at USC Lancaster for any academic period. Persons who are not officially enrolled for a particular term but who have a continuing student relationship with, or an educational interest in, USC Lancaster are considered "students". A person shall also

be considered a student during any period that follows the end of either the Spring or Fall semester that the student has completed until the last day for registration for the next succeeding semester. A person shall also be considered a student during any period while the student is under suspension from the institution or when the person is attending or participating in any activity preparatory to the beginning of school including, but not limited to, orientation, placement testing, etc.

4.5. **General Principles of Group Responsibility for Student Organizations**

Although not all acts of individual group members can or should be attributable to the group, any group or collection of its members acting in concert should be held responsible for its actions. In determining whether a group may be held collectively responsible for the individual actions of its members, all of the factors and circumstances surrounding the specific incident will be reviewed and evaluated. As a guiding principle, groups will be held responsible for the acts of their members when those acts grow out of, or are in any way related to group life. Isolated violations of individuals should not be chargeable to the group, but evidence of group conduct exists where:

- Members of the group act in concert to violate University standards of conduct.
- A violation arises out of a group-sponsored, financed, or endorsed event.
- A group leader(s) has knowledge of the incident before it occurs and fails to take corrective action.
- The incident occurs on the premises owned or operated by the group.
- A pattern of individual violations is found to have existed without proper and appropriate group control, remedy, or sanction.
- Members of a group act in concert, or the organization provides the impetus for violation of University rules and regulations.

5. CODE OF STUDENT CONDUCT – OTHER PROVISIONS

The following statements constitute the official record of all general conduct rules and regulations at USC Lancaster. Individual students and student organizations are expected to abide by these regulations and administrators are expected to enforce them. These regulations should be read broadly and are not designed to define prohibited conduct in exhaustive terms. Additional rules and regulations may be promulgated during the year; announcements will be made upon adoption of the changes or additions.

NOTE: Attempting, abetting, or being an accessory to any act prohibited by the General Student Conduct Regulations shall be considered the same as a completed violation.

- 5.1. **Compliance with General Laws:** Students or student organizations involved in violations of any federal, state, or local laws may be subject to disciplinary action. Disciplinary action imposed by the University may precede and/or be in addition to any penalty imposed by an off-campus authority.
- 5.2. **Damage to Property:** Damage to or destruction of property owned or operated by the University, its students, faculty, administration and staff, or actions that have the potential for such damage or destruction is prohibited. Conduct which threatens to damage, or creates hazardous conditions such as dropping, throwing, or causing objects or substances to fall from windows, doors, ledges, balconies or roofs is also prohibited. This includes, but is not limited to, unauthorized application of graffiti, paint, etc. to property.
- 5.3. **Harm to Persons:** Actions which result in physical harm, have the potential for physically harming another person, which create conditions that pose a risk of physical harm to

another, or which cause reasonable apprehension of physical harm are prohibited. Conduct which threatens to cause harm to persons, or creates hazardous conditions for persons, such as dropping, throwing, or causing objects or substances to fall from windows, doors, ledges, balconies or roofs is also prohibited.

- 5.4. **Possession of Firearms and Other Weapons:** The unauthorized possession or use of firearms, or weapons of any other kind (including but not limited to dirks, slingshots, metal knuckles, razors, BB guns, and air pistols) is prohibited. The use or display of any object or instrument in a dangerous, provocative or threatening manner is prohibited. The Office of Campus Security may provide temporary storage of these items with scheduled access by owners.
- 5.5. **Use of Fireworks and Explosive Materials:** The ignition or detonation of anything which could cause damage to persons or property or disruption by fire, smoke, explosion, noxious odors, stain, corrosion or similar means; or possession of anything in the nature of fireworks, explosives or chemical explosives is prohibited on any property owned or operated by the University or off campus University sponsored events without prior University authorization.
- 5.6. **Creating a Fire Hazard:** No person shall start a fire or create a fire hazard on University property without University authorization. This regulation is also intended to prohibit the possession and/or use of candles, torches, incense burners, other open flame apparatus, as well as extension cords and other devices or materials which may create a fire hazard if used without authorization or in unauthorized areas.
- 5.7. **Misuse of Fire Alarms and Safety Equipment:** No person shall make, or cause to be made, a false fire alarm, or emergency report of any kind. No person shall tamper with, damage, disable or misuse fire safety equipment including, but not limited to, fire extinguishers, fire hoses, fire alarms and fire doors.
- 5.8. **Theft or Misappropriation:** Theft of any kind, including seizing, receiving, or concealing property with knowledge that it has been stolen, is forbidden. Sale, possession, or misappropriation of any property, including USC property, without the owner's permission is also prohibited. Property that is found should be turned in to the Office of Campus Security.
- 5.9. **Unauthorized Sale of Textbooks:** The sale of a textbook by any student who does not own the book is prohibited without prior written authorization from the owner of the book. Books that are found should be turned in to the Office of Campus Security or the Office of Academic & Student Affairs.
- 5.10. **Disorderly Conduct:** Individual or group behavior that interferes with the freedom of expression, movement or activity of others, or with the educational mission of the University is prohibited. Such conduct includes, but is not limited to, unwelcome physical contact, harassment, or classroom behavior that interferes with either:
 - (a) the instructor's ability to conduct the class or instructional program; or
 - (b) the ability of other students to profit from the class or instructional program.
- 5.11. **Hazing:** No organization, registered or otherwise, officially or in fact, may participate in the activity of hazing, which is defined as any activity undertaken by a group or organization or a member of that group or organization in which members or prospective members are subjected to activities which harass, intimidate, physically exhaust, impart pain, cause undue mental fatigue or mental distress, or which cause mutilation or alteration of the body or parts of the body. Such activities include but are not limited to, tests of

endurance, submission of members or prospective members to potentially dangerous or hazardous circumstances, activities which have a foreseeable potential for resulting in personal injury, or any activity which by its nature is so profound that it would have a potential to cause severe mental anxiety, mental distress, panic, human degradation, or public embarrassment.

Registered organizations and groups shall be permitted certain initiation ceremonies and activities, which when examined by the ordinary University student, would seem reasonable under the circumstances and justified in view of the purpose for which they are conducted.

It shall not constitute a defense to the charge of hazing that the participants took part voluntarily, that they voluntarily assumed the risks or hardship of the activity, or that no injury in fact was suffered.

Complaints for alleged hazing should be directed to the USCL Director of Student Life.

- 5.12. **Misuse of University Documents:** Forgery, alteration, or misuse of any University document or record is forbidden, including, but not limited to, furnishing false information or withholding material information from the University processes or procedures.
- 5.13. **Fraud or Lying:** Lying or fraudulent misrepresentation in, or with regard to, any transaction with the University, whether oral or written, is prohibited, including but not limited to misrepresenting the truth before a hearing of the University or knowingly making a false statement orally or in writing to any University official which materially interferes with University processes or procedures.
- 5.14. **Misuse of University Student Identification Cards:** Lending a University Student ID card to anyone for reasons not authorized by the University Student ID policy, failing to present a Student ID card when requested by a University official acting in the performance of his or her duties, or possessing or using a fraudulent ID card, may subject the owner and/or the holder to disciplinary action.
- 5.15. **Failure to Comply with Official Requests:** Students and student organizations are expected to comply with and respond appropriately to the reasonable and lawful requests of University officials in the performance of their duties. Students are expected to appear at disciplinary hearings to respond to allegations or testify as a witness when reasonably notified to do so. A failure to properly comply with or complete a sanction or obligation resulting from a disciplinary hearing or adjudication may also be considered failure to comply with an official request.
- 5.16. **Unauthorized Presence/Use of University Facilities:** Unauthorized entry into, presence in, or use of University facilities equipment or property which has not been reserved or accessed through appropriate University officials is prohibited.
- 5.17. **Misuse of Keys:** No person may use or possess any University key without proper authorization. No student is allowed under any condition to have a University key duplicated. (Note to student assistants: Loaning a room key to a person not authorized to enter that room may be considered a violation of this regulation).
- 5.18. **Disruptive Activity:** No person or organization may interfere with, disrupt normal activity and operations of, or promote the interference or disruption of students, faculty, administration, staff, or the educational mission of the University or of the University or its buildings, equipment or facilities. Any form of expression that materially interferes with such activities and operations or invades the rights of persons may be proscribed or prohibited.

Non-compliance with reasonable time, place, or manner restrictions on expression is considered a violation of this section. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter's ability to conduct the class or program, or the ability of others to profit from the class or program.

NOTE: To remain in the vicinity of activity which threatens to disrupt or is disrupting normal University functions may have serious legal and disciplinary implications. Bystanders, if their presence incites or adds to the disruption, as well as more active participants in the disruptive activity may be charged with jointly engaging in an enterprise which is prohibited by law. Students should accordingly avoid the scene of any disruptive or potentially disruptive action. In any case, failure to leave when asked to disperse by University or law enforcement officials will result in disciplinary and/or legal action.

NOTE: In any case wherein USC Lancaster students are involved in action which is disruptive of the normal activities of the institution or its personnel, or which exceeds the bounds of normal internal discipline in its impact, the Dean of the Campus may exercise the right to name a Special Hearing Board, Committee, or Officer to investigate the questioned action and to initiate appropriate disciplinary or other measures.

- 5.19. **Misuse of Telephones and/or other Communication Technology:** No student shall misuse or abuse, or assist in the misuse or abuse of communication equipment at the University. Such activity includes, but is not limited to, using any form of communication equipment to harass or threaten any person or persons, or using any form of communication equipment to disrupt the normal operations or activities of any person, organization, or the University. Communication equipment includes, but is not limited to, electronic mail, pagers, voice mail, computers, printers, etc.
- 5.20. **Violation of Alcohol Policies:** Students and student organizations must comply with the published regulations, and any and all applicable laws, concerning the transport, display, provision, and consumption of beer, wine, and other alcoholic beverages. An outline of University regulations is available at <http://www.sc.edu/policies/staf/staf302.html>. As a general rule, students and student organizations are not permitted to possess alcohol on the USCL campus or at any officially-sponsored function. Violating any other provision of the Student Code of Conduct while under the influence of alcohol is a violation of this Alcohol policy. Such conduct includes, but is not limited to, public intoxication.
- 5.21. **Violation of University Drug Policies:** The unauthorized possession, use, manufacture, sale, or distribution of any counterfeit, illegal, dangerous, "designer," or controlled drug or other substance is prohibited. Violating any other provision of the Student Code of Conduct while under the influence of any illegal or illegally obtained drug is also a violation of this policy.
- 5.22. **Failure to comply with University Policies and Procedures:** Failure to abide by any published University policy or procedure is prohibited.
Committing or attempting to commit an act of sexual assault as defined by the University Sexual Assault Policy.
- 5.24. **Computer Misuse:** In addition to adhering to the University's "Computer Network and Access Policy," misusing University computing resources by intentionally making, receiving, accessing, altering, using, providing or in any way tampering with files, discs, programs, passwords, messages or other computer users without their permission is

prohibited. Using computer resources to harass others or in ways that violate institutional computer use policies is prohibited.

- 5.25. **Harassment:** Conduct that creates or attempts to create an intimidating, hostile, or offensive environment for another person. Such conduct includes, but is not limited to action(s) or statement(s) that threaten harm or intimidate a person, or any other form of unwanted contact.

6. SANCTIONS, INDIVIDUAL STUDENTS

- 6.1. The following disciplinary sanctions may be imposed upon students found responsible for a violation of the Student Code of Conduct. All sanctions may be imposed either singularly or in combination. The purposes of imposing sanctions are twofold: one, to protect the University community from behavior which is detrimental to the community and/or the educational mission of the University; and two, to assist students in identifying acceptable parameters and consequences of future behavior. The sanction(s) imposed is (are) intended to correspond with the severity or frequency of violations, as well as the student's willingness to recommit himself or herself to good citizenship through behaviors that fall within the Student Code of Conduct of the University.

Expulsion: Dismissal from the University without the ability to apply for re-admittance.

Suspension: Denial of enrollment, attendance, and other privileges at the University for a specified period of time. Permission to apply for re-admission upon termination of the period may be granted with or without conditions or restrictions. Students may be required to complete a period of disciplinary probation upon their return to the University. **NOTE:** Any student suspended or expelled for disciplinary reasons must vacate the campus within the period of time noted in the notice of suspension. The student may not return to campus or University property during the term of the suspension without prior written permission by the Associate Dean for Academic & Student Affairs or designee.

Conduct Probation: A period of review and observation during which a student is under an official warning that subsequent violations of University rules, regulations, or policies are likely to result in a more severe sanction including suspension or expulsion from the University. While on conduct probation, a student may be considered to be "not in good standing" and may face specific limitations on his or her behavior and/or University privileges (see Conditions/Restrictions).

Conditions/Restrictions: Limitations upon a student's behavior and/or University privileges for a period of time, or an active obligation to complete a specified activity. This sanction may include, but is not limited to: restricted access to the campus or parts of campus, denial of the right to represent the University in any way, denial of parking privileges, required attendance at a workshop, or participation in public service.

Written Warning: An official reprimand that makes the misconduct a matter of record in University files. Any further misconduct could result in further disciplinary action.

Fines and Restitution: An order may be issued to make restitution or to pay a fine when a student has engaged in conduct including but not limited to: the damage or destruction of property, the theft or misappropriation of property, fraudulent behavior, or violations of the alcohol and/or drug policies. Such property may belong to an individual, group, or the University. Restitution may be in the form of financial payment, community service, or other special activities designated by the hearing authority. Additional fines may be assessed as a punitive measure.

7. SANCTIONS, STUDENT ORGANIZATIONS

- 7.1. The following disciplinary sanctions may be imposed upon student organizations when they have been found responsible for violating the Student Code of Conduct. All sanctions may be imposed either individually or in combination. Disciplinary sanctions are imposed for the purpose of holding student organizations and their membership accountable for their actions and the actions of their guest(s), whether on campus or at any organization sponsored function.

Permanent Revocation of Organizational Registration: "Permanent revocation" of the organization's registration means revocation without leave to apply for new registration. Any organization whose registration is permanently revoked must cease all organizational activities upon receipt of the notice of permanent revocation. Any member of an organization whose registration has been permanently revoked shall relinquish any appointed or elected office held with that organization's governing body. Balances of all organizational funds granted by the Student Government Association are to be surrendered to the custody of the SGA. Office or housing space assigned by the University shall be vacated within five (5) work days (an organization under emergency suspension may be required to vacate space more quickly) from the date the notice of suspension is issued. Space vacated due to suspension may be reassigned to other eligible University organizations.

Suspension: Suspension means denial of rights and privileges of a registered organization for a specified period of time. Any organization whose registration is suspended or revoked must cease all organizational activities upon receipt of the notice of revocation or suspension. Any member of a suspended organization may not hold an appointed or elected office with that organization's governing body for the duration of the organization's period of suspension. Balances of all organizational funds granted by the Student Government Association are to be surrendered to the custody of the SGA. Office or housing space assigned by the University shall be vacated within five (5) work days (an organization under emergency suspension may be required to vacate space more quickly) from the date the notice of suspension is issued. Space vacated due to suspension may be reassigned to other eligible University organizations. Leave to reapply for registration as a student organization may be granted with or without qualifications. Office or housing space will not automatically be reassigned. The organization may reapply for a space assignment, subject to availability. Suspended organizations will automatically be placed on probationary status for a minimum of one academic year following their renewed registration.

Conduct Probation: A period of review and observation during which a student organization is under an official warning that their misconduct was very serious. Subsequent violations of University rules, regulations, or policies could result in a more severe sanction including suspension. During the probationary period, a student organization is deemed "not in good standing" with the University and may be subject to conditions and/or restrictions, including but not limited to the following:

- Denial of the right to represent the University;
- Denial of the right to maintain an office or other assigned space on University property;
- Denial of the privileges of:
 - Receiving or retaining funding;
 - Sponsoring any social event;

- Sponsoring any speaker or guest on campus;
- Participating in any social event;
- Co-sponsoring any social event or other activity;
- Membership recruitment.

Conditions/Restrictions: Limitations upon a student organization's privileges for a period of time or an active obligation to complete a specified activity or activities. This sanction may include, for example, denial of housing or social privileges, etc.

Written Warning: An official written reprimand making the misconduct a matter of record in University files for a specified period of time. Any further misconduct could result in more severe disciplinary action.

Restitution/Fines: An organization may be ordered to make restitution or to pay a fine when the organization has engaged in conduct including but not limited to: the damage or destruction of property, the theft or misappropriation of property, fraudulent or disruptive behavior, or violations of the alcohol and/or drug policies. Such property may belong to an individual, group, or the University. Restitution may be in the form of financial payment, public service, or other special activities designated by the hearing authority. Additional fines may be assessed as a punitive measure.

8. DISCIPLINARY PROCEDURES, INDIVIDUAL VIOLATIONS

8.1. The following is a format of rights, responsibilities, and procedures to be used in assuring fundamental fairness in disciplinary proceedings involving one or more students or student organizations accused of an infraction of the Student Code of Conduct.

8.2. The Office of Academic & Student Affairs resolves alleged violations by individual students and student organizations.

8.3. **INVESTIGATION OF COMPLAINTS:** Upon receiving a complaint of misconduct, or upon his or her own initiative, the Associate Dean for Academic & Student Affairs or designee may review relevant evidence and consult with relevant parties regarding the incident in question. If the evidence warrants disciplinary action, the Office of Academic & Student Affairs will send written notification to the accused student or student organization representative indicating the nature of the activity in question and what University rules were allegedly violated.

8.4. **OPTIONS FOR RESOLUTION OF DISCIPLINARY CHARGES**

The student or student organization representative is given the opportunity to meet with the Associate Dean for Academic & Student Affairs or designee to discuss the charges. If the student fails to meet with the Associate Dean or designee, a hold may be placed on the student's registration preventing him/her from registering for future classes until the matter is resolved. Additionally, the student may be charged with a violation of the "failure to comply" provision of the student code of conduct (section 5.15). A student organization may be restricted from any or all activities until the representative meets with the Associate Dean or designee. The Associate Dean or designee may make a determination and impose a sanction by considering whatever evidence is available. At the conclusion of this discussion regarding the charges, the Associate Dean or designee may either drop the charges if they are unsupported by evidence, or offer the following options to resolve the charges:

Mediation - An agreement to participate in a mediation process. This option is reserved for situations where all of the immediate parties in the incident agree to have a conflict

resolved in this fashion, and the option is considered appropriate by the Associate Dean or designee. Failure to fulfill the terms of a mediation agreement could lead to re-activation of the charges as well as additional disciplinary action.

Informal Hearing - An informal hearing with the Associate Dean or designee (The Associate Dean or designee may decline to hear the case in this manner and require one of the following two options). An informal hearing allows the charged party(ies) to present evidence for consideration and suggest witnesses that the Associate Dean or designee may consider interviewing before a decision is rendered. The Associate Dean or designee may contact other parties who have knowledge/information regarding the incident in question. The charged student(s) /student organization representative waives the right to question such parties or otherwise participate in an evidentiary hearing. Informal hearings are not required to be tape-recorded. Within three weeks of this hearing, barring special circumstances requiring an extension of this time limit, the Associate Dean or designee will send the charged party(ies) a letter that indicates the finding of "responsible" or "not responsible" for the charges, and any sanctions imposed subsequent to a finding of responsibility.

Formal Hearing - A formal hearing before the USCL Disciplinary Committee. The Committee shall consist of the Associate Dean for Academic & Student Affairs, the Director of Campus Security, a USC Lancaster faculty representative, a US Lancaster staff representative, and a USCL Student representative. Faculty, staff, and student representatives are administratively appointed and serve a one-year term (June 01 – May 31). University Conduct Hearings are tape-recorded.

NOTE: Should a student fail to appear for a Formal Administrative Hearing or a Formal University Conduct Hearing, that student may be considered as having waived his/her right to represent themselves in the hearing, and a decision may be made in their absence.

8.5. **RULES GOVERNING FORMAL HEARINGS**

When a student/student organization representative chooses an option of a formal administrative hearing, or when a case is referred to a council hearing, the Office of Academic and Student Affairs shall set a date and place for a hearing and notify those charged, the panel and relevant witnesses and participants as to the scheduling of the hearing.

The USCL Disciplinary Committee shall serve as the hearing council and shall consist of the Associate Dean for Academic & Student Affairs (who shall chair the Committee), the Director of Campus Security, a USC Lancaster faculty representative, a USC Lancaster staff representative, and a USCL student representative. Representatives are administratively appointed and serve a one-year term (June 01 – May 31).

The Disciplinary Committee is charged with hearing and reviewing cases involving USC Lancaster students charged with violations of the Student Code of Conduct and will impose sanctions based on USC and USCL policies and procedures.

Hearings shall be considered closed and confidential. All statements, information, or comments given during hearings shall be held in strictest confidence by Committee members, University staff, witnesses, advisors, and observers before, during, and after deliberation in keeping with relevant law and policy. Video, audio, stenographic, or photographic recording of hearing proceedings are prohibited, except as authorized by University policy.

If any material facts are in dispute, testimony of witnesses and other evidence shall be heard.

A party charged with a violation is responsible for presenting his/her own case. Advisors are not permitted to speak or to participate directly in any hearing.

The Associate Dean for Academic & Student Affairs will exercise control over the hearing to avoid needless consumption of time through repetition of information and/or prevent the harassment or intimidation of participants. Any member of the hearing Committee may require the Committee to go into private session to discuss and decide a matter by majority vote. The Chair can recess the hearing at any time. The Associate Dean shall insure that all procedures are appropriately followed.

The party(ies) charged with a violation(s) and the Committee members shall have the right, within reasonable time limits set by the chair, to present questions for witnesses who testify orally. Subject to provisions in the Student Code of Conduct, Committee members may require that questions by the charged party(ies) be addressed to Committee members who can ask these questions of the witnesses.

All hearings shall be conducted in an informal manner and technical rules of evidence will not be applied. Witnesses (except for the charged party or parties) shall be present during a hearing only during the time they are testifying.

The Committee may proceed independently to secure evidence for the hearing. The charged party(ies) shall have access to any evidence at least three (3) days before the hearing, unless exigent circumstances preclude this possibility. The charged party(ies) shall have reasonable time to respond to it.

If the charged student/student organization representative chooses not to attend the formal hearing, the Committee may proceed with the hearing and reach decisions and impose sanctions without the student's/representative's participation.

A tape recording of the hearing shall be kept by the Office of Academic & Student Affairs until any appeal or any external judicial review has been concluded, or ninety (90) days from the date of the hearing, whichever is longer. No typed record shall be required. The charged party(ies) and advisor shall have the right, upon request, to listen to the recording in the presence of a staff member from the Office of Academic and Student Affairs .

The charged student or student organization representative may request a duplicate copy of the recording at his/her/its own expense within a period of ninety (90) days from the date of the hearing.

8.6. DELIBERATION AND DECISIONS OF THE COMMITTEE

After hearing the evidence, the Committee may choose to continue the hearing at a later date if additional evidence or witnesses are needed.

After all information has been presented and the charged party has made a final statement, the Committee shall meet in private to discuss the case, reach its decision, and if appropriate, determine a sanction. Decisions must be by majority vote. If the student(s) is(are) found responsible of violating the Student Code of Conduct, the Committee may hear any information concerning any past disciplinary record(s) of the student(s) or student organization(s) in determining an appropriate sanction(s).

The Associate Dean for Academic & Student Affairs, or designee, shall be responsible for forwarding the written decision of the hearing authority to the charged party(ies). The letter from the hearing authority shall consist of findings of the hearing authority and the

rationale for the findings, sanction(s), and statement regarding the right to appeal and the appeal procedures.

9. APPEALS – OFFICE OF THE DEAN

- 9.1. Decisions of the Associate Dean for Academic & Student Affairs or designee, or from a formal University Conduct Hearing, may be appealed by a student/student organization found responsible for a violation to the Dean of the Campus. The reasons for an appeal are limited to the following:

The Associate Dean or Disciplinary Committee committed a procedural error in hearing the case which significantly prejudiced the findings; or,
New evidence, which could not have been available at the time of the hearing, and which is material to the outcome of the case, is available.

- 9.2. An appeal to the Dean of the Campus must be made in writing within five (5) University business days of receipt of the original written decision to the Office of Academic & Student Affairs who will submit it to the Office of the Dean. A decision is assumed to be received three (3) University business days from the date of mailing. On appeal the Dean or designee shall review the appeal.

After review, the Dean or designee may either:

affirm the finding(s) of the original hearing authority, in which case the decision is final; or
remand the case to the original hearing authority, in which case the decision is final; or
may remand the case to the original hearing authority for further proceedings with directives to attend to procedural errors or new evidence.

In extraordinary circumstances, the Dean or designee may direct a new hearing before the Associate Dean or the Disciplinary Committee. All deadlines expressed in any section are subject to change if exigent circumstances exist.

The Dean or designee shall send written notification of the decision regarding the appeal to the appealing party within fifteen (15) University business days of receiving the appeal barring special circumstances requiring an extension of this time limit. A copy of the decision will be sent to the original hearing authority.

Decisions of the Dean may be appealed in writing within five (5) University business days to the Vice Provost for Regional Campuses. The decision of the Vice Provost in all appellate matters is the final decision for the University. However, the President has the discretionary authority to review decisions at the Vice Provost level or below, and the Board of Trustees has the discretionary authority to review decisions of the President. Such review of disciplinary decisions will take place only in extraordinary cases, such as where serious procedural issues seem to have occurred or where the decision appears to be in direct violation of University policy.

Requests for such review normally will be considered only after the prescribed avenues of appeal have been completed. Requests shall be made by written statement that includes the facts of the case, the type of hearing and appeal and the reasons justifying extraordinary review. Such requests must be filed in the Office of the President within five (5) University business days of the receipt of the appeal decision. If review is granted, the reviewing authority will determine appropriate procedures. New evidence will not normally be considered.

10. GENERAL PROVISIONS

NOTE: Advisors are not permitted to participate directly in the hearing process, or to speak for the charged student(s) or student organization(s).

11. EMERGENCY ACTION

11.1. The University may impose emergency action upon a student or student organization when there is reason to believe, based upon available evidence, that the student/student organization poses an immediate threat to the safety, health or welfare of persons, property or the orderly operation of the University.

This action is warranted by potential or threatened danger or disruption, and indicated only when the serious nature or immediacy of the threat requires immediate action. The action is interim in nature, pending the outcome of disciplinary procedures. Emergency action authorized by this policy includes:

Emergency Suspension, Individual Student(s) - This action requires a student to leave University property immediately, and not return during the suspension period, and/or comply with other stated conditions for a specified period. Emergency suspension may be used to temporarily suspend a student's eligibility for enrollment or attendance, as well as for denial of the student's access to University facilities or property. The Office of Academic & Student Affairs may impose emergency suspension.

Emergency Limitation of Privileges, Individual Student - This action may place a limitation on a student's eligibility to enjoy certain privileges, or participate in or attend certain events (or certain kinds of events) without the suspension of enrollment status. This

action may prohibit a student's presence on University property or certain facilities, or impose conditions that must be met in order for that student to enjoy certain privileges, participate in activities, or attend events. The Office of Academic & Student Affairs may impose this action.

Emergency Suspension and/or Restriction, Student Organization - This action may suspend or restrict a student organization for an interim period of time pending the outcome of disciplinary proceedings when there is reasonable cause to believe that the continued activities of the organization and its members may pose an immediate threat to the safety, health or welfare of persons, property or the orderly operation of the University. During the time of suspension the organization may be required to cease all organizational activities and vacate any assigned University space immediately upon written notice. This action may be imposed by the Office of Academic & Student Affairs for all student organizations.

- 11.2. When emergency action is taken against a student or student organization the student or student organization representative is given notice explaining the nature, reason for, and duration of the action, as well as any conditions that may apply. A student notified of such action shall, upon written request, be given an opportunity to meet with the University authority taking the action within five (5) business days from the date of the request. This meeting shall be held to consider only the following issues related to the emergency action:
 - a) The reliability of information alleging misconduct; and
 - b) Whether the conduct or surrounding circumstances reasonably indicate the student's presence on campus or continued unrestricted participation in campus affairs or the organization's unrestricted activities would pose an immediate threat to the safety, health, or welfare of persons or property and/or interfere with the orderly operation of the University. It is not the purpose of the meeting to hear evidence concerning guilt or innocence related to pending or possible charges against the student.
- 11.3. Any student who is suspended on an emergency basis and returns to the campus or University property and/or violates other stated conditions during the specified period shall be subject to further separate action and may be treated as a trespasser. Permission to be on campus for a specific purpose must be requested and obtained in writing or by telephone from the Office of Academic & Student Affairs or designee prior to any conduct contrary to the suspension or restrictions.
- 11.4. Following the imposition of emergency action, standard University disciplinary procedures shall be provided as expeditiously as possible.

12. RETENTION OF STUDENT DISCIPLINE RECORDS

Type of Records - Records subject to this policy include, but are not restricted to the following:

Student Academic Responsibility Committee reports and decision statements which have been forwarded to the Office of Academic & Student Affairs for retention;
Department of Student Life information and documentation which have been forwarded to the Office of Academic & Student Affairs for information or action;
Student Conduct Referral forms and Policy Violation Report Forms; and
Records of disciplinary proceedings.

- 12.2. Student records of cases which have been resolved with a sanction less than suspension or expulsion will be maintained in the Office of Academic & Student Affairs for a period of 7 years from the date of the last offense. Students graduating before that time may petition in writing to request that their records be destroyed upon graduation. Records may be retained by the University beyond the normal period in circumstances including, but not limited to, situations when legal action is taken by any party(ies) involved.
- 12.3. When a date for purging records has been reached, records in all formats, are to be destroyed. (NOTE: Statistical database may be retained but all information that would identify an individual will be removed.)
- 12.4. Records where the discipline sanction was suspension or expulsion will be maintained for a period of at least ten (10) years from the date of the last incident.
- 12.5. All records will be disposed of in accordance with the current Policy on Academic Responsibility.

- **Confidentiality of Student Records**

In accordance with the Family Education Rights and Privacy Act of 1974, University of South Carolina students have the right to review, inspect, and challenge the accuracy of information kept in a cumulative file by the institution unless the student waives this right. It also ensures that records cannot be released in other than emergency situations without written consent of the student, except in the following situations:

- a. To school officials with legitimate educational interests; A school official is a person that is employed by the University in an administrative, supervisory, academic or research, or support staff position; a person or company with whom the University has contracted to perform required functions (such as an attorney, auditor, service provider, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

- b. To officials of other institutions in which the student seeks or intends to enroll provided that the student had previously requested a release of his/her record;
- c. To authorized representatives of the U.S. Department of Education, U.S. Department of Defense (Solomon Amendment), U.S. Attorney General, INS, the Comptroller General of the United States, state education authorities, organizations conducting studies for or on behalf of the University, and accrediting organizations;

- i. The University may disclose the result of a disciplinary proceeding to a parent or guardian so long as the student is under the age of 21 at the time of the incident and the proceeding has resulted in a violation of University drug or alcohol policies, or any federal, state, or local law.
- j. To students currently registered in a particular class section, the names and e-mail addresses of others on the roster may be disclosed in order to participate in class discussion.

At the time of registration, but not later than 14 days after the beginning of a term, students may ask the Office of the Registrar in writing not to release directory information pertaining to them. A primary Request form (AS-175) is available from the Office of the Registrar.

The University of South Carolina has designated the following items as Directory Information: a student's name, electronic mail address, local and permanent mailing addresses and telephone numbers, semesters of attendance, enrollment status (full-or part-time), date of admission, date of expected or actual graduation, school, major and minor fields of study, whether or not currently enrolled, classification (freshman, etc.), type of degree being pursued, degrees, honors, and awards received (including scholarships and fellowships), weight and height of members of athletic teams, and whether the student has participated in officially recognized activities and sports sponsored by the University.

The University may disclose any of these items without prior written consent, unless the student has submitted a written request to the Office of the University Registrar not to release directory information pertaining to them. Requests will be processed within 24 hours after receipt.

Appeals

An appropriate hearing board will provide each student with an opportunity to challenge the content of University records, to ensure that the records are not inaccurate or misleading, and to provide an opportunity for the correction or deletion of any inaccurate, misleading, or otherwise inappropriate data contained therein. Such requests should be made through the petitions committees of the individual campuses.

• Crime Statistics Report

When an accident, incident or other emergency occurs on campus the procedures and facilities for students and others to report them are as follows:

If an accident or emergency occurs, the Dean, the Associate Dean, the Director of Campus Security, Building Director, or Nurse is notified and he or she makes an assessment of the injury and its severity. On-site treatment is limited to general first aid such as bandages and ice

packs. The injured person is transported to the hospital or doctor by USCL personnel or the Lancaster County Ambulance Service when proper treatment cannot be provided on site. The family is also notified of the accident if necessary.

If an incident occurs, the Dean, the Associate Dean, or the Director of Campus Security is notified and he or she makes an assessment and responds to the injuries and the incident if it is of a civil nature. If the incident or accident is of a criminal nature (such as theft) or property damage occurs (such as an automobile accident) the City of Lancaster Police are contacted and take responsibility for the incident.

The Director of Security is responsible for enforcing the rules and regulations of the stated policies. On campus from early morning until late afternoon, the Director of Security is in constant communication with the administration by means of radio to insure an immediate response to any emergency.

Four security guards work a rotating shift to provide security for the campus. The on-duty guard is stationed in the lobby of Hubbard Hall and makes rounds over the entire campus, including the parking lots. If he should encounter any problems or incidents that he cannot solve or handle, he calls the Director of Maintenance and Security and/or the City of Lancaster Police, who will respond and take control of the situation.

USC Lancaster requires that all faculty, staff and students have ID's on their person when they are on campus. The ID's are checked when necessary by the Director of Security, the Administration, the Security Guards, and the City Police to insure that only authorized personnel are using the facility. All faculty, staff and students are required to have a USC Lancaster parking decal attached to their vehicle when parking on campus. The Director of Security is responsible for the registration records and policing the parking lots to insure that only registered vehicles are parking on campus. The Security Guards also check parking decals during their rounds to help ensure the safety of everyone.

All freshmen and new students are informed of security procedures and practices during freshman orientation and are encouraged to be responsible for their own security and the security of others. Students are issued handbooks describing the proper conduct essential to the operation of USCL. Individuals who do not conduct themselves in a manner consistent with those statements may be subject to criminal and/or civil proceedings, as well as stated University sanctions described in the handbook. For the most current crime statistics please visit: <http://ope.ed.gov/security/>

USC Lancaster does not authorize any off-campus activities by student organizations. All student activities are carried out on Campus, and school officials and local law enforcement officials monitor and maintain proper conduct.

- **Drug Policy**

Use, possession, sale, or purchase of drugs on or adjacent to University property may result in criminal prosecution and University sanctions including but not limited to permanent expulsion from the University. University and community services to assist individuals with alcohol and drug dependency problems are available: USCL Counseling Center, 127 Starr Hall, 313-7112 or Lancaster County Commission on Alcohol and Drug Abuse, 114 Main Street, 285-6911.

- **Physical Disabilities Statement**

Persons with physical disabilities, which cause them to be mobility impaired to the extent that such impairment substantially interferes with their ability to attend University sponsored, public, ticketed events without special accommodations, should provide a request for such special accommodations as soon as possible but no later than two (2) days before the scheduled date of the event. Such persons may be required to provide medical documentation of the disability if the disability is not obvious. Requests for special accommodations should be provided to: Dean of Academic Affairs (313-7101) for events at USC Lancaster, and the University of South Carolina System Equal Opportunity Office (777-3854) for other facilities of the University of South Carolina not listed above. Every effort will be made to honor requests for special accommodations; however, if tickets to an event are unavailable to the general public, the University may not be able to accommodate the request.

- **Sexual Assault Policies and Services**

The University of South Carolina is an educational community bound by common standards of conduct and a commitment to its educational mission. Sexual assault is considered particularly abhorrent because it interferes with the educational mission by:

- endangering the physical and emotional safety of community members;
- damaging trust in the community;
- offending the dignity and violating the autonomy of community members; and
- disrupting the academic progress of victims or survivors during their recovery.

As a result the University provides the following services:

- resources aimed at reducing the risk of sexual assault, including educational programs for men and women;
- a statement of expectations for behavior with regard to sexual conduct;
- procedural interventions to offer support and information following a sexual assault; and
- campus judicial procedures that provide for the needs of victims or survivors and protect the rights of alleged assailants.

Statistically, members of college communities are at great risk of being assaulted or exploited sexually and most probably by someone known to or trusted by the victim. Studies have shown that sexual assaults occur with disturbing frequency among college age men and women but are often unreported. In order to provide for the needs and care of victims, as well as to enforce the behavior standards critical to the University's mission, it is important that all violations of this policy are reported to appropriate authorities, including the law enforcement officials or agencies with jurisdiction in the location of the incident. Portions of this policy may parallel published laws, but are in no way intended to substitute or supplant those laws. As members of the University community, students are expected to comply with and abide by the University policies and guidelines issued below, as well as the laws of the State of South Carolina.

The use of alcohol and other drugs, in conjunction with an incident of sexual assault does not mitigate accountability for the commission of this crime or diminish the seriousness of the crime. The use of substance with the possibility of harm to another individual will be considered by the associate Dean or Student Affairs Committee when determining responsibility and appropriate sanction.

This policy is subject to change to comply with changes in relevant laws or University operating procedures.

Victim's Bill of Rights

Victims of sexual assault who report their experience to University officials can anticipate that:

1. All sexual assaults will be treated seriously.
2. Victims will be treated with dignity and respect and in a nonjudgmental manner.
3. Campus organizations and services that can assist victims will be identified.
4. When a crime is reported to University officials, those officials will offer assistance in notifying proper authorities.
5. When victims report and choose to pursue action against alleged assailants, assaults will be investigated and adjudicated by appropriate criminal and/or University authorities.
6. University personnel will not discourage victims from reporting, nor encourage them to underreport or report the incident as a lesser crime.
7. Victims may invite an advisor they choose to accompany them through University disciplinary proceedings.
8. A victim will be notified of the outcome of related University discipline proceedings. The victim and the charged student must respect the privacy of all involved.
9. University personnel will cooperate in obtaining, securing and maintaining evidence (including a medical examination), necessary in legal proceedings.
10. Victims will be made aware of any State or Federal laws regarding mandatory testing of sexual assault suspects for communicable disease and whether these professionals can notify a victim of the results of these tests.
11. Victims will be notified of mental health services available.
12. Victims will be afforded the opportunity to request immediate transfer of classes or other steps to prevent unnecessary or unwanted contact or proximity to an alleged assailant when reasonably available.
13. All students have the right to an environment free from sexual or physical intimidation, or any continuing disruptive behavior that would prevent a reasonable person from attaining their educational goals. Disruptive behavior of this nature should be reported to appropriate University staff, so it can be addressed.
14. The sexual history of the victim is not considered relevant to the truth of the allegation; therefore, information regarding sexual history external to the relationship between the victim and the alleged assailant will not be considered in discipline hearings.

University Definition

For the purpose of this policy and related procedures, the term sexual assault is defined as “unwilling or unconsenting sexual intercourse or penetration of any bodily opening with any object; the touching of an unwilling person’s intimate parts (such as genitalia, groin, breast, buttocks, mouth, and/or clothing covering them); touching an unwilling person with one’s parts or forcing an unwilling person to touch another’s intimate parts.”

Behavior contemplated in this definition includes acts that are unwanted and/or may be committed either by force, threat, intimidation, or deceit, or through exploitation of another's mental or physical condition of which the assailant was aware or should have been aware. USC Lancaster conduct regulations incorporate this definition by obliging students to comply with all published policies and procedures of the University. (See University Policies and Procedures.) Behaviors prohibited by this policy may also be prohibited by the general conduct regulations obliging students to comply with all published state, federal, and local laws, and the prohibition of "disorderly conduct" defined to include behaviors that unnecessarily disturb others, including unwelcome physical contact and/or threatening behavior. They may also be simultaneously prohibited by the general regulation prohibiting "disruptive activity," defined to include any behavior that interferes with or disrupts normal activities or invades the rights of persons.

USC Lancaster conduct regulations and disciplinary procedures consider attempting, abetting, or being accessory to any act prohibited by the general conduct regulations the same as a completed violation.

Criminal Definition

As noted above, in publishing this policy the University is not intending to substitute or supersede related civil and criminal law. It is the policy of the institution to strongly encourage victims to report all incidents and violations to the law enforcement officials or agencies with appropriate jurisdiction and avail themselves of all the services and rights to which they are entitled by law.

It should be clearly understood that there is a fundamental difference between the nature and purpose of student discipline and criminal law. Regardless of the charge issued by procedures employed, sanctions issued by the University can be expected to be consistent with the educational mission of the institution.

According to USC Lancaster's Arrest Policy, students who are apprehended and charged by law enforcement agencies with felony criminal charges off campus are required to inform University officials. The University may bring disciplinary action against the student for the same incident if the alleged conduct is prohibited by the institution and/or if it is judged to be adverse to the recognized mission of the institution. University disciplinary procedures should be considered distinct and independent of any and all criminal procedures. Discipline procedures may precede, occur simultaneously, or follow and consider the results of court action. When necessary, temporary action may be taken in the form of summarily suspending, summarily restricting, or officially requesting no contact between the victim and assailant, as well as possible relocation or removal from the classes. Any of these measures may result in a student's restricted participation in University events outside attendance of classes and appointments related to the resolution of discipline matters.

At this printing, the South Carolina State Code (SC Code Ann. Sec. 16-3-651 to 16-3-654) defines criminal sexual conduct, which includes rape, as "sexual intercourse, cunnilingus, fellatio, anal intercourse, and any intrusion, however slight, into anal or genital openings, except when such intrusion is accomplished for medically recognized treatment or diagnostic purposes." (SC Code Ann. Sec. 16-3-651) The law goes on to describe three degrees of criminal sexual conduct:

First degree sexual conduct involves a sexual contact (battery) using aggravated force, and/or in association with another crime such as kidnapping, robbery, extortion and burglary. First degree criminal sexual conduct is a felony and is punishable by imprisonment for up to 30 years.

Second degree criminal sexual conduct involves batteries accomplished or attempted with aggravated coercion. Batteries involving an assailant in a position of authority over the victim is also considered second degree criminal sexual conduct. Criminal sexual conduct in the second degree may be punished by up to 20 years imprisonment. Third degree criminal sexual conduct involves batteries where force or coercion is used and/or the assailant knows or has reason to know that the victim is mentally defective, mentally incapacitated or physically helpless, even though aggravated coercion is not used. Third degree criminal sexual conduct is a felony and punishable by up to 10 years in prison.

Immediate Care and Treatment Procedures for Victim

If an assault takes place on campus: contact Campus Security, Lancaster City Police at 283-3313, or dial 911. The sooner a sexual assault is reported, the easier it is to collect valuable evidence. To facilitate evidence collection, the victim:

- Should not bathe or douche.
- Should not urinate.
- Should not drink any liquids.
- If oral contact has occurred, the victim should not smoke, eat or brush teeth.
- If clothes are changed, soiled clothes should be placed in a paper bag (plastic destroys crucial evidence).

Campus security may transport the victim to an area hospital for medical attention and a rape protocol exam. If the victim does not want to contact the police, a friend or relative may transport the student to the hospital. When the victim arrives at the emergency room, the hospital will call Palmetto Citizens Against Sexual Assault to arrange for a volunteer advocate to accompany the victim throughout the exam. The hospital staff may also contact the City Police. Medical attention is crucial to assess possible internal injuries or sexually transmitted diseases, as well as to collect medical evidence should the victim/survivor choose to pursue prosecution. The police will be contacted by the hospital to take possession of evidence collected while the victim/survivor makes a decision about whether to pursue charges.

If a victim chooses not to go to the hospital, the victim is strongly urged to seek appropriate medical attention.

Follow-up and Recovery Services for Victim

Research has shown that follow-up counseling is of significant benefit to a victim/survivor of sexual assault and/or related trauma. This counseling may be initiated at any time after an assault (from hours to years). On-or-off campus counseling and other services are available to a student victim whether the crime was reported or prosecuted. Agencies available to USC Lancaster students include:

- Palmetto Citizens Against Sexual Assault, located at 106 North York Street in Lancaster. This agency provides follow-up counseling to victims/survivors of sexual assault. Counselors are available 24-hours a day by calling 286-5232.
- The USC Lancaster Counseling Services is located in the Bradley Arts and Sciences Building. Counseling Services serve USC Lancaster students. Appointments can be made by calling 313-7112.
- Catawba Mental Health Center, located at 1906 Highway 521 Bypass South. Catawba Mental Health is open from 8:30 a.m. to 5 p.m. Monday-Friday. Appointments can be made by calling 285-7456. The number is also used for crisis situations after-hours.

Follow-up Services for the Accused Party

Follow-up counseling may be of significant benefit to an accused party. On-or-off campus counseling and other services are available to an accused party whether or not the crime was reported or prosecuted. Agencies available to USC Lancaster students include:

- The USC Lancaster Counseling Center, located in Starr Hall. The Counseling Center provides counseling to USC Lancaster students. Appointments can be scheduled by calling 313-7112.
- South Carolina Bar Association Lawyer Referral Service can assist accused parties in finding an attorney to represent them in civil and criminal proceedings. They can be contacted by phone at 1-800-868-2284 or (803) 779-7100.
- The Office of Academic and Student Affairs handles the investigation and resolution of discipline complaints. The phone number is 313-7101.

Reporting

All victims of sexual assault/battery are encouraged to report the incident to law enforcement agencies. Regardless of whether the victim chooses to immediately involve law enforcement officials, the victim is strongly urged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault, which may be used if the victim chooses to pursue legal prosecution at a later date. The rape protocol exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault, recognizing that as time passes, the quality of the evidence diminishes.

A victim/survivor may also choose to file a report to Campus Security or the Office of Academic and Student Affairs. Whether legal or disciplinary action is desired, an anonymous report may be filed at any time with Campus Security and the Office of Academic and Student Affairs. This report provides University staff with information about the crime that may be valuable in their efforts to prevent future crimes and educate other students about high risk areas.

University officials who have knowledge about an assault are required to file an anonymous report with Campus Security in addition to supporting the victim/survivor and referring that person to campus resources.

Discipline Policies and Procedures for Victim and/or Witness

Witnesses to or victims of the above described sexual misconduct may wish to contact Campus Security or the Office of Academic and Student Affairs, if the accused party is a USC Lancaster student.

In this event, officials in Campus Security or the Office of Academic and Student Affairs will meet with the witness or victim to discuss the report and determine whether there is reason to believe a conduct code offense has occurred. At the same time, discipline procedures will be reviewed and the possible roles the victim or witness may play in the gathering of this information and/or the resolution of the complaint will be explored.

At this meeting, if the victim or witness is willing and prepared, staff may conduct an investigative interview. At the victim's or witness's request, an advisor, counselor, attorney, parent, or friend may attend. In this meeting, and as needed, University discipline personnel will answer questions and provide offended individuals with general information about civil and criminal options available to victims or witnesses. If there is no objection, in order to promote efficiency and provide authoritative answers to questions about legal options, this first meeting could include officials from the Lancaster Police Department.

When it is determined that there exists sufficient reason to believe a violation of University policy has occurred, disciplinary procedures may be initiated. It should be understood that victims and witnesses need not "press charges"; instead, the University is considered the

complainant, and as such is responsible for initiating this investigative process. Victims or witnesses can expect to be asked to contribute testimony and information to assist in the resolution of the complaint.

Discipline Policies and Procedures for Accused Party

To begin discipline procedures, individuals thought to have relevant information or testimony, including the accused party, will be contacted and interviewed by appropriate University officials. If sufficient information is available to conclude there is reason to believe, or “reasonable grounds” to do so, the University will issue charges from the general conduct regulations and offer the accused party opportunity to choose from among three possible hearing formats.

The accused party may choose a pre-hearing adjudication, in which the charged party or parties accept responsibility for the charge(s) and request to have sanctions determined by a hearing authority without a formal hearing.

Alternatively, the accused party may choose an administrative hearing, in which a University official is authorized to consider testimony and act as hearing officer, deciding whether the accused is responsible for the charges(s) as issued, and what the University response or sanction, if indicated, should be.

Also available to charged students is a hearing before the Student Affairs Committee, a group of faculty, staff, and students who are trained and authorized to conduct hearings to determine responsibility and appropriate sanctions.

In each of these formats, the burden of proof shall be on the University as the complaining party. Decisions regarding responsibility of charges shall be based on a “preponderance of evidence” standard, meaning responsibility does not have to be proven beyond a shadow of doubt. The University need only demonstrate that the charged student is more likely than not responsible for the charge(s).

In these investigative hearings, regardless of the format chosen, hearing officers or members will not be restricted from testimony of technical rules of evidence. Charged students are assured a right of access to a list of witnesses invited to testify, as well as an opportunity to review all available physical and documentary evidence to be presented at the hearing. In these informal, non-adversarial hearings, there is no formal cross-examination. Charged students are, however, entitled to question and rebut any evidence presented. In order to conduct a fair, orderly hearing, reasonable accommodations may be made in hearing procedures, such as indirect questioning, or special seating arrangements in the hearing room. Both the charged student and the victim may be accompanied by an advisor of their choice and remain present while all testimony is presented.

Should a hearing authority determine a student is responsible for the charges issued, it will ask Campus Security about the student’s disciplinary history, then adjourn again to determine what sanctions are appropriate to the circumstances and individual. The hearing officers will attempt to respond in a manner that best provides for the educational goals of the process. Possible sanctions include permanent suspension for a period of time, suspension held in abeyance, disciplinary probation, restitution, an official warning, or any combination of these. Conditions, restrictions or specific prohibitions may be issued with or attached to any of these sanctions.

The University of South Carolina Lancaster will not tolerate the sexual harassment of any member of the University community. Sexual harassment subverts the mission of the University by threatening the careers, educational experiences, and well-being of all members of this community. It undermines the University's deep commitment to the primacy of a reward system based purely on merit, intellectual excellence, and job performance. Sexual harassment of employees or students at the University is defined as unwelcome sexual advances, requests for sexual favors, verbal or other expressive behaviors or physical conduct commonly understood to be of a sexual nature. Sexual harassment includes but is not limited to the following:

- a. Threats to make an adverse employment or academic decision if another person refuses to engage in sexual activities.
- b. Demands that another person engage in sexual activities in order to obtain or retain employment or academic benefits.
- c. Promises, implied or direct, to give employment or academic benefits if another person engages in sexual activities.
- d. Unwelcome and unnecessary touching or other sexually suggestive physical contact, or threats to engage in such conduct.
- e. Indecent exposure.
- f. Invasion of sexual privacy.
- g. Sexual advances, requests for sexual favors, sexual comments and questions, and other sexually-oriented conduct that is directed against a specific individual and persists despite its rejection.
- h. Conduct, even that not specifically directed at the complainant, which is sufficiently pervasive, severe, or persistent to alter the conditions of the complainant's employment or status as a student and create a hostile working or learning environment, when viewed from the perspective of a reasonable person of the complainant's gender.

The full policy as well as procedures regarding complaints, investigation, and sanctions are available in the University of South Carolina Policies and Procedures Manual under EOP 1.02 and can be accessed at <http://www.sc.edu/policies/eop102.pdf>.

* Areas that are reserved for events that do not have fixed seating but for which the sponsor determines that the interests of nonsmokers need to be protected.

All members of the USC community, including visitors and vendors working on campus, are expected to comply with this policy. This policy relies on the consideration and cooperation of tobacco users and non-users.

Violations of this policy are covered by existing faculty and staff employment policies and student conduct regulations and as such will be responded to within the realm, responses, and consequences allowed by those policies or regulations.

• **Student Grievance Policy - Non-Academic**

Preface

The University of South Carolina Lancaster is committed to a policy of treating all members of the University Community fairly in regard to their personal and professional concerns. This procedure is designed to provide students an opportunity to address non-academic complaints and problems that they have not been able to resolve through other channels.

Purpose

The primary objective of the grievance procedure is to insure that concerns are promptly dealt with and resolutions reached in a fair and just manner. It is essential that each student be given an adequate opportunity to bring non-academic complaints and problems to the attention of the University administration with assurance that each will be given fair treatment.

Definition

A grievance is defined as dissatisfaction occurring when a student thinks that any condition affecting him/her is unjust, inequitable, or creates unnecessary hardships. Such grievances include, but are not limited to, the following problems: mistreatment by any University employee, wrongful assessment and processing of fees, records and registration errors, racial discrimination, handicapped discrimination, sex discrimination, as they relate to non-academic areas of the University.

The grievance procedure shall not be used for appeals of disciplinary decisions, residency classification decisions, or traffic appeals decisions, or any other type of decision where a clearly defined appeal process has already been established.

Process

1. Initiating a Grievance - The initial phase of the student grievance procedure requires an oral discussion between the student and the person(s) alleged to have caused the grievance. This discussion must take place within 10 working days of the incident that constituted the grievance.

2. First Appeal

a. If the initial oral discussion phase is not successful in resolving the complaint or problem, and if the student wishes to file a formal grievance, the grievance form must be completed and filed with the immediate supervisor of the person alleged to have caused the grievance. The grievance form must be filed with the person's immediate supervisor within five (5) working days of the initial discussion referred to in paragraph 1 above.

b. The supervisor shall immediately acknowledge receipt of the grievance form and shall begin an investigation reaching a decision; the supervisor shall inform the student in writing

(with a copy to the Dean of Academic and Student Affairs) within three (3) working days of the conclusion of the investigation.

c. If the student feels the grievance has been resolved, the process is complete. If not, an appeal may be brought before the Grievance Committee.

Grievance Procedure

If the grievance is unresolved, the student may bring the grievance before the grievance Committee by presenting a written statement within five (5) working days of the date of the supervisor's decision. This statement shall be forwarded to the Dean of Academic and Student Affairs in a sealed envelope and shall:

1. State the grievance;
2. State why the response is unacceptable; and
3. Request a hearing before the grievance committee.

Any related materials (including a copy of the grievance form and the written response from the supervisor) must accompany the letter. The Dean of Academic and Student Affairs shall immediately notify the Chairperson of the Grievance Committee of the appeal.

Upon receipt of the appeal, the Chairperson of the Grievance Committee shall send a copy of the appeal to the members of the Committee and the major parties involved. The major parties include: the person(s) against whom the grievance was initiated, the supervisor of the individual(s) and the Dean of Academic and Student Affairs. The Chairperson of the Committee shall ask the major parties to respond in writing to the appeal within five (5) working days. At the end of the five (5) working day period, the Chairperson shall meet with the Grievance Committee to examine the grounds for the request for an appellate hearing. A hearing shall be granted if a majority of the quorum finds that grounds for the appeal have been substantiated. A tie vote shall result in a hearing being granted. The Chairperson shall notify in writing, all involved parties of the decision of the committee to either hear or not to hear the grievance. The hearing shall be conducted not sooner than five (5) working days after the decision to grant the request for the hearing, and not later than 15 working days after the decision to grant the request for the hearing. A postponement may be granted by the Chairperson upon written request of either party. The request shall state why the postponement should be granted.

Conduct of the Hearing

The Chairperson of the Grievance Committee shall open the hearing by reading the request for an appeal, and informing the parties involved of the jurisdiction of the committee and its procedures. The Chairperson shall ascertain that all the parties involved are aware of their rights, answer any questions they have in regard to these matters, and conduct the hearing.

All hearings shall be closed to the public, unless all parties agree that the hearing be opened to members of the University Community. A tape recording shall be made of the proceedings.

All parties involved in a hearing shall maintain in the strictest confidence the identity of the individuals appearing before the Committee, as well as the information presented to the Committee.

Hearings shall be conducted in an informal manner. The taking of statements from the parties to the grievance (and witnesses, if any) may be done by discussion format, though each individual appearing before the Committee may be subject to cross examination. Witnesses shall be present only during the time they are testifying. The major parties involved in the grievance shall be required to attend all hearings of the Committee.

At the conclusion of the hearing, each party shall submit a proposed solution of the grievance to the Committee. After receiving the proposed solutions to the grievance, the Chairperson shall

dismiss all the individuals who are not members of the Grievance Committee. The committee shall reach its decision based on the information presented during the hearing, and according to the Statement of Student Rights and Responsibilities. The Committee shall decide by majority vote the solution of the grievance. In the case of a tie, the Chairperson shall vote and thus break the tie. The Chairperson (or his or her designee) shall forward a written copy of the Committee's decision to the major parties involved and to the Dean's Office within 5 working days of the conclusion of the hearing.

Decisions of the Committee shall be final. The decisions of the committee shall be kept on file in the Office of Academic and Student Affairs. 8. The party(ies) charged with a violation(s) and the Council members shall have the right, within reasonable time limits set by the Chair, to present questions

for witnesses who testify orally. The Chair may require that questions by the charged party(ies) be addressed to Council members who can ask these questions of the witnesses.

9. All hearings shall be conducted in an informal manner and technical rules of evidence will not be applied. Witnesses (except for the charged party or parties) shall be present during a hearing only during the time they are testifying.
10. If the charged student chooses not to attend the formal hearing, that student may be considered as having waived his/her right to represent themselves in the hearing, and the Council may proceed with the hearing and reach decisions and impose sanctions without the student's participation.
11. An audio recording of the hearing shall be kept by the Office of Academic & Student Affairs until any appeal has been concluded, or ninety (90) days from the date of the hearing, whichever is longer. No typed record shall be required. The charged party(ies) and advisor shall have the right, upon request, to listen to the recording in the presence of a staff member from the Office of Academic and Student Affairs . The charged student or student organization representative may request a duplicate copy of the recording at his/her/its own expense within a period of ninety (90) days from the date of the hearing.

DELIBERATION AND DECISIONS OF THE COUNCIL

1. After hearing the evidence, the Council may choose to continue the hearing at a later date if additional evidence or witnesses are needed.
2. After all information has been presented and the charged party has made a final statement, the Council shall meet in private to discuss the case, reach its decision, and if appropriate, recommend a sanction.
3. The Council must render its decision within six hours of actual deliberation time, which may be spread over a period of one week, unless additional time is approved unanimously by the Council.
4. Decisions must be by majority vote, with the Chair voting only in the event of a tie. If the student(s) is(are) found guilty of violating the Code of Faculty/Student Academic Integrity & Responsibility, the Council may request any information concerning any past disciplinary record(s) of the student(s) in determining an appropriate sanction(s). The decision will result in a

“hung” council if no majority vote for either principal may be obtained within the time limits outlined above.

5. Within three days of reaching its decision, the hearing Chair will submit its written decision (and, if appropriate, recommendations for sanction) to the Associate Dean for Academic & Student Affairs.
6. Within 24 hours of receiving the Council’s decision and recommendations, the Associate Dean for Academic & Student Affairs will send a written notification of the Council’s decision and sanctions to both principals and to the Dean of the Campus. The notice will include relevant information regarding the right to appeal and appeal procedures.

RECOMMENDATIONS FOR SANCTIONS

Each faculty member retains the right and authority to determine the appropriate “in class” sanction for students violating the Code of Faculty/Student Academic Integrity & Responsibility.

In addition to any sanctions imposed by the professor, the Council may recommend that the Associate Dean for Academic & Student Affairs impose the following disciplinary sanctions upon students found responsible for a violation of the Code of Faculty/Student Academic Integrity & Responsibility.

All sanctions may be imposed either singularly or in combination. The purposes of imposing sanctions are twofold: one, to protect the University community from behavior which is detrimental to the community and/or the educational mission of the University; and two, to assist students in identifying acceptable parameters and consequences of future behavior. The sanction(s) imposed is (are) intended to correspond with the severity or frequency of violations, as well as the student's willingness to recommit himself or herself to good citizenship through behaviors that fall within the guidelines of the Carolinian Creed:

Expulsion: Dismissal from the University without the ability to apply for re-admittance.

Suspension: Denial of enrollment, attendance, and other privileges at the University for a specified period of time. Permission to apply for re-admission upon termination of the period may be granted with or without conditions or restrictions. Students may be required to complete a period of disciplinary probation upon their return to the University. **NOTE:** Any student suspended or expelled for disciplinary reasons must vacate the campus within the period of time noted in the notice of suspension. The student may not return to campus

or University property during the term of the suspension without prior written permission by the Associate Dean for Academic & Student Affairs or designee.

Conduct Probation: A period of review and observation during which a student is under an official warning that subsequent violations of University rules, regulations, or policies are likely to result in a more severe sanction including suspension or expulsion from the University. While on conduct probation, a student may be considered to be "not in good standing" and may face specific limitations on his or her behavior and/or University privileges (see Conditions/Restrictions).

Conditions/Restrictions: Limitations upon a student's behavior and/or University privileges for a period of time, or an active obligation to complete a specified activity. This sanction may include, but is not limited to: restricted access to the campus or parts of campus, denial of the right to represent the University in any way, denial of parking privileges, required attendance at a workshop, or participation in public service.

Written Warning: An official reprimand that makes the misconduct a matter of record in University files. Any further misconduct could result in further disciplinary action.

APPEALS – Office of the Dean

1. Decisions of the Associate Dean for Academic & Student Affairs or designee, or from a formal University Hearing, may be appealed to the Dean of the Campus by a student found guilty of violating the Code. The reasons for an appeal are limited to the following:

The Associate Dean or Academic Honor Code Council committed a procedural error in hearing the case which significantly prejudiced the findings; or,

New evidence, which could not have been available at the time of the hearing, and which is material to the outcome of the case, is available.

2. An appeal to the Dean of the Campus must be made in writing within five (5) University business days of receipt of the original written decision. A decision is assumed to be received three (3) University business days from the date of mailing. On appeal the Dean or designee shall review the appeal.
3. After review, the Dean or designee may either:

affirm the finding(s) of the original hearing authority, in which case the decision is final; or

remand the case to the original hearing authority, in which case the decision is final; or

may remand the case to the original hearing authority for further proceedings with directives to attend to procedural errors or new evidence.

4. In extraordinary circumstances, the Dean or designee may direct a new hearing before the Associate Dean or the Academic Honor Code Council. All deadlines expressed in any section are subject to change if exigent circumstances exist.
5. The Dean or designee shall send written notification of the decision regarding the appeal to the appealing party within fifteen (15) University business days of receiving the appeal barring special circumstances requiring an extension of this time limit. A copy of the decision will be sent to the original hearing authority.
6. Decisions of the Dean may be appealed in writing within five (5) University business days to the Vice Provost for Regional Campuses. The decision of the Vice Provost in all appellate matters is the final decision for the University. However, the President of the University has the discretionary authority to review decisions at the Vice Provost level or below, and the Board of Trustees has the discretionary authority to review decisions of the President.

Such review of disciplinary decisions will take place only in extraordinary cases, such as where serious procedural issues seem to have occurred or where the decision appears to be in direct violation of University policy.

7. Requests for such review normally will be considered only after the prescribed avenues of appeal have been completed.

Requests shall be made by written statement that includes the facts of the case, the type of hearing and appeal and the reasons justifying extraordinary review. Such requests must be filed in the Office of the President within five (5) University business days of the receipt of the appeal decision.

If review is granted, the reviewing authority will determine appropriate procedures.

New evidence will not normally be considered.

GLOSSARY OF COLLEGE TERMINOLOGY

Realizing that a clear understanding of words and terms is basic to communication, we prepared a Glossary of College Terminology. The glossary will aid students in their transition to the college environment at USC Lancaster and enhance interactions with faculty, staff and other students.

Accreditation - Institutional approval by an association based on specific standards. USCL is accredited by the Southern Association of Colleges and Schools.

Advanced Placement Examinations- Tests on college-level subjects offered by the College Board to qualified high school students. USCL has a procedure for awarding placement and credit to students who earn a minimum score of “3” on designated tests. See the Admissions Office Staff for details.

Advanced Standing - (1) A listing of academic courses taken at other colleges/universities including credit hours attempted, credit hours earned, grades and grade point average that is evaluated by the Dean of the College of the transfer student’s major. This form may be called a Transfer Credit Summary. (2) Credit earned by examination or exemption and posted on the student’s record.

Advisement - A meeting between a faculty advisor and a student to plan the next term’s academic schedule. Pre-advisement for the spring term is usually done in November; for the fall term, in April.

Advisement Folder - Folder containing the following information to assist the faculty advisor: admissions counseling form, copies of high school and/ or college transcripts, copies of Advanced Standings, GED Certificate, SAT or ACT scores, PGPA or GPA, intended major and related information.

Advisement Form - A form which designates approved academic course or courses to be taken by a student during an academic term. The form is completed by the student in consultation with the faculty advisor and signed by both.

Advisor - Faculty member who is assigned to a student to assist the student in scheduling courses, to explain degree requirements and assist students with their academic programs or coursework.

American College Test (ACT) - A college entrance examination that measures a student’s skills in the following areas: English, Math, Social Studies and Natural Sciences. Most colleges use either the ACT or Scholastic Aptitude Test (SAT) for admissions purposes.

Associate Degree - A two-year degree granted by USCL to a student who has earned a minimum of 60 credit hours in designated courses with a cumulative grade point average of 2.0 (C average).

Audit Student - One who monitors a college course without receiving academic credit. Audit fees vary depending on the number of courses the student is taking. An audited course at USCL may never be repeated for credit. Skills courses may not be audited. (see Skills Courses)

Baccalaureate or Bachelor’s Degree - A four-year degree granted by USC to a student who has earned a minimum number of credit hours (120 or more) in designated courses with a minimum grade point average of 2.0 (C average).

Catalog (or Catalogue) - A booklet which contains USCL’s academic regulations, degree requirements, course descriptions, faculty names and related information about the institution. A catalog may also be called a Bulletin.

Change of Campus Form - A form used by USCL which allows a student to attend a different campus in the USC system. Contact the USCL Admissions Office to obtain this form.

Class Schedule - A printed listing of course offerings, time, location and instructors of classes and information about Registration, Financial Aid and Admissions for the Fall, Spring and Summer terms at USCL.

Cognate - Academic courses intended to support coursework in a student’s major area of study.

College Level Examination Program (CLEP) - Tests on specific subjects sponsored by the College Board and offered at USC Columbia each month. Students who earn a minimum score and pass an essay, if required, are granted credit by USC. Information about CLEP is available in the Admissions Office, USCL.

College Work Study (CWS) - A Federal Assistance Program that provides employment to students in on-campus or off-campus setting. Students are allowed to earn a specified amount of money during an academic term. Contact the Financial Aid Office at USCL for more information.

Common Hour - A block of time when there are no classes scheduled. Common Hour is from 12:15-1:30 Monday and Wednesday.

This student should submit a partial high school transcript, application fee, SAT or ACT scores and a counselor or principal recommendation. (2) A USC student who takes courses on at least two USC campuses during the same academic term.

Continuing Education- Non-academic credit courses, seminars, workshops or conferences at USCL for personal or professional development.

Course - A specific class, such as English 101 or Math 122. A student may take a minimum of one course and generally a maximum of six courses each term. Students wishing to take more than 18 semester hours must have permission from the Associate Dean for Academic Affairs.

Course Number - A means of designating academic courses.

Credit Hours - A means of measuring academic study. Used by a college/university to determine requirements leading to a degree. Usually a three credit hour course designates that class will meet (approximately) three hours a week over a 16-week term.

Degree Students - Students who meet USCL admission requirements and plan to fulfill all requirements toward an Associate (2-year) and/or Baccalaureate (4-year) degrees as stated in the USCL catalog.

Degree Requirements - A grouping of academic courses which must be successfully completed to earn a degree.

Fees - Costs to attend USCL. The primary fee is tuition or the cost to take a course(s). Other fees include books and student insurance.

Financial Aid - Assistance in the form of grants, loans, work, tuition waivers, scholarships and any other type to provide for the payment of tuition and other expenses incidental to college attendance. Sources of assistance include Federal, State and Local Government as well as private organizations as businesses, clubs, unions and churches. See the Financial Aid Officer for details.

Freshman - (1) Beginning college student. (2) Student who has earned between 0 and 29 credit hours in college.

Full-Time Student - Student who takes 12 credit hours or more during a given 16-week term; student who takes six credit hours or more during an eight-week term; student who takes four credit hours or more during a five week summer term. (Note: This definition may vary for Financial Aid recipients; contact the Financial Aid Office for details.)

Grade Point Deficit (GPD) - The number of grade points a student lacks to have a 2.0 (C average) Grade Point Average (GPA). This can be calculated by subtracting the number of grade points earned from twice the number of grade point hours attempted.

Grade Point Hours (GPA Hours) - The number of credit hours that have been attempted (or carried) for a letter grade. These hours are used to calculate the student's Grade Point Average (GPA). Courses that receive the grades of "S", "U", "T", "IP", "NR", and "Audit" are not counted in the Grade Point Hours.

Grade Point Average (GPA) - The average of grades a student earns at the end of a semester obtained by dividing the total number of grade points by the total number of credit hours attempted. The cumulative GPA is the average of all college work attempted.

To compute a GPA (See formula on the following page):

- a. Add all hours attempted, not hours earned.
- b. Determine the grade points for each course based on the following:

A = 4.0 grade points	B+ = 3.5 grade points
B = 3.0 grade points	C+ = 2.5 grade points
C = 2.0 grade points	D+ = 1.5 grade points
D = 1.0 grade points	F = 0 grade points

- Multiply the semester hours attempted for each course by the grade points for each course grade.
- Total the grade points.
- Divide the total number of grade points by the total number of hours attempted:

$$\text{GPA} = \frac{\text{total grade points}}{\text{total hours attempted}}$$

Compute Your GPA

Example: Fall term

Course	Grade (grade pts)	Credit hrs attempted	Credit hrs earned	Total grade pts
ENGL 101	B+ (3.5)	3	3	10.5
MATH 141	A (4.0)	4	4	16.0
CHEM 101	C (2.0)	4	4	8.0
PSYC 101	F (0.0)	3	0	0.0
Total		<u>14</u>	<u>11</u>	<u>34.5</u>
GPA	=	$\frac{\text{total grade points}}{\text{total hours attempted}}$	=	$\frac{34.5}{14} = 2.46$

To compute a Cumulative GPA:

- Total all grade points from each term
 - Total all hours attempted for each term
 - Divide grade points by hours attempted
- Cumulative GPA= All Grade Points/All Hours Attempted

Compute Your Cumulative GPA

Example:

Spring term: hours attempted	=	15	grade points	=	45.0
Fall term: hours attempted	=	<u>14</u>	grade points	=	<u>34.5</u>
Totals:		<u>29</u>			<u>79.5</u>
Cumulative GPA	=	$\frac{79.5}{29}$		=	2.74
