## DRUG-FREE SCHOOLS AND CAMPUSES INITIATIVE

It is the policy of York Technical College to provide a drug-free, healthful, safe, and secure educational environment. Students are required and expected to report to their classes or student activities in an appropriate mental and physical condition to meet the requirements and expectations of their role. In order to prevent the consequences of alcohol and other drug use in the educational setting, the South Carolina Technical Education System has implemented a policy to ensure a drug-free educational environment. This policy outlines the punishment for violation of South Carolina laws dealing with illegal drugs and alcohol, along with severity of the penalty depending on the type of illegal drug in question. Students and employees are notified at least once a year of the specific electronic address of this information. It is published in the Orientation Resources Guide and is available online at [www.yorktech.edu](http://www.yorktech.edu) under Student Life.

The College provides programs each year dealing with alcohol and drug abuse. In addition, the College has an arrangement with an off-campus agency to counsel with any campus personnel in need of services. The College offers programs such as Red Ribbon Week, the Health Fair, and a poster campaign dealing with the consequences of alcohol and drug abuse.

## REPORTING CRIMES OR OTHER EMERGENCIES ON CAMPUS

Crimes or other emergencies on campus should be reported accurately and promptly to the Department of Public Safety. The Dean for Students Office is notified of any crimes on campus that involve students. Incident reports are completed by public safety officers and sent to the Department of Public Safety Chief and the Vice President for Business Services. Individuals may anonymously report a crime by logging on to the Department of Public Safety website at [www.yorktech.edu/security](http://www.yorktech.edu/security) and selecting the “Contact Us” tab.

## CRIME LOG

A daily crime log for the most recent 60-day period is available for public inspection, upon request, during normal business hours by contacting the Dean for Students Office. The daily crime log includes the nature of the alleged crime, the date the incident was reported, the date and time the incident occurred, the general location of the incident, and the disposition of the complaint if known.

## PROHIBITION OF WEAPONS

State law prohibits the possession or use of any firearm, dangerous weapon, incendiary device, or explosive on campus unless such possession or use has been authorized by the College.

## TIMELY WARNING & EMERGENCY NOTIFICATION

If a situation arises which poses an immediate threat to the health or safety of students and employees, security warnings and emergency notifications will be posted in D2L (Desire-2-Learn--the College’s Course Management System) under Updates and sent to students’ D2L e-mail accounts and employees’ e-mail accounts on record. In addition, YTC alerts are distributed on Twitter and a notice is placed on the College’s Facebook account.

The Crisis Management Team (CMT) of the College will convene, without delay, to make the determination if a situation poses and immediate threat to the campus community, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The CMT will also determine which segments of the college community are to receive the notification, the content of

the notification, and initiate the notification system. The CMT is comprised of the Executive Vice President for Academic & Student Affairs, the Vice President of Business Services, the Associate Vice President of Academic & Student Affairs, the Department of Public Safety Chief, the Director of Facilities Management, the Human Resources Director, and the Director of Information Services.

## SEXUAL ASSAULT PREVENTION & RESPONSE PROCEDURES

York Technical College is committed to maintaining a safe campus community and, therefore, strictly prohibits sexual misconduct. The College's Sexual Assault Procedures comply with Federal Law 34 CFR 668.46 (9b) (11) and section 59-105-10 of the S.C. Campus Sexual Assault Information Act.

### Definition of Sexual Assault

Sexual assault is defined as any physical contact of a sexual nature which occurs against a person's will and/or without a person's consent.

### Sexual Assault Prevention Measures

York Technical College is concerned with the safety of students and employees. To keep the campus and off-campus centers safe, being aware of the surroundings is important, especially at night. Below are some important and easy to follow measures that everyone can practice.

- Contact the Public Safety Office (803-327-8013) to request an escort if you sense any danger. It is advisable to have this number programmed into your cell phone for quick access.
- If you do not have a cell phone, be aware of telephone locations in case of an emergency.
- Avoid being in classrooms or office buildings alone. If you must be there, notify a Public Safety Officer of where you are and how long you will be there. Stay near a telephone, if possible.
- Report any suspicious person or activity to a Public Safety Officer, whatever the time, day, or night.
- Vary your routine. Do not walk the same route day-after-day.
- When walking, be alert. Listen for footsteps and voices to be sure no one is following you.
- Avoid unlit areas. Whenever possible, walk and park in well-lit public areas.
- Always lock the doors in your car, room, apartment, or house. Keep the car doors locked even when you are driving.
- When walking to your car, have your car keys in your hand before leaving the building.

### Reporting a Sexual Assault

If a student is sexually assaulted at York Technical College (including off-campus centers or college-sponsored events), he/she should:

- If on campus, call York Technical College's Public Safety Office immediately at 803-327-8013 to report the incident.

- If off campus, call the local emergency medical service immediately by dialing “911.” (This does not obligate you to file charges or to testify in court.)
- If you prefer not to call the police, but you want to report the sexual assault to the College, you should contact the Dean for Students at 803-327-8047, the Associate Vice President for Academic & Student Affairs at 803-327-8016, or a Student Development Counselor in the Counseling & Support Services Department of Student Services at 803-981-7051. These individuals will assist you in notifying the above authorities upon request.

## Public Safety Office Procedures

When a student notifies the York Technical College Public Safety Office of a sexual assault, the following will occur:

- Public Safety will respond to the location on campus, ensure that the student is safe, and provide the student with emergency medical assistance.
- Public Safety will protect the crime scene, contact the local law enforcement agency, if necessary, and assist in the preservation of evidence.
- If the student requests to speak to a male or female officer, the law enforcement agency will make every reasonable effort to accommodate the request.
- A Student Services representative may report to the scene to assist as needed. A friend or family member will be called upon request.
- Public Safety will make arrangements for appropriate transportation to a medical facility, if desired.
- Public Safety or a Student Services representative will contact other assistance agencies on the student’s behalf, upon request, such as the Victim/Witness Assistance Program, 1675-1B York Highway, York, SC, 29745; Phone (803) 628-3023.
- The case will be treated with sensitivity, understanding, and professionalism regardless of gender or the gender of the accused, and names will not be released to the public or the press.

## Dean for Students Office Procedures

When a student notifies the Dean for Students Office of a sexual assault, the following will occur:

- Upon learning of a sexual assault, the Dean for Students will contact the alleged victim and the accused student. Any information provided will be kept confidential and only shared on a need-to-know basis with appropriate college personnel.
- The alleged victim will be asked to provide a written statement of the incident so that the Dean for Students may conduct a preliminary investigation.
- The Dean for Students will investigate all allegations involving students for appropriate disciplinary follow-up. Please remember that information regarding student discipline is maintained as a confidential record.
- The Human Resources Director will investigate all allegations involving college employees.
- If the accused assailant is not a student or an employee, the local law enforcement agency will pursue the investigation. The Dean for Students (or designee) will assist the alleged victim in securing the appropriate services for the situation, upon request.

When a student reports a sexual assault to the Dean for Students, the Dean is required by law to inform the York Technical College Public Safety Office for statistical reporting purposes. However, reporting this crime to the Public Safety Office in no way obligates the student to press charges or

testify in court. Even if the student does not want to press charges, the College strongly encourages the student to contact the local law enforcement agency for immediate help.

## Preservation of the Evidence

It is very important to preserve evidence for the proof of a criminal offense. Following the guidelines below will assist in ensuring that the evidence is preserved.

- Call “911” and request medical transportation.
- Memorize as much detail as possible about the assailant.
- Preserve the evidence by not bathing, changing clothes, eating, or drinking.
- Do not disturb the crime scene(s).
- If a student is sexually assaulted, he or she is strongly encouraged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault. The rape protocol exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault. However, as time passes, the quality of the evidence diminishes.

## Disciplinary Procedures

Detailed rules for disciplinary procedures, timelines, and sanctions are published in the College’s *Student Code and Grievance Procedure* which can be found at [www.yorktech.edu/Student\\_Life.php](http://www.yorktech.edu/Student_Life.php). An abbreviated version of these procedures is below:
