FOREWORD

This 2012-2013 Student Handbook has been prepared so that USCA undergraduate and graduate students may have a better understanding of their institution and its rules and regulations. It contains material about what the student may rightfully expect from the University and what the University may rightfully expect from the student. No publication can anticipate and cover all situations that may arise, but most matters are covered, at least in principle, in the Handbook. Other relevant USCA documents include the USCA Bulletin and the USCA Policy Manual. Each student is responsible for becoming thoroughly familiar with the Handbook's contents and it will be assumed that this responsibility has been met and that all students have been informed of policies and regulations. Interpretation of matters in the Handbook is the responsibility of the Vice Chancellor for Student Life and Services. The Chancellor of the University has final authority regarding interpretation.

USCA is dedicated to equality of opportunity within its community. Accordingly, USCA does not practice or condone discrimination in any form against students, employees or applicants on the grounds of race, color, national origin, religion, creed, sex, age, genetics, veteran status or disability. USCA commits itself to positive action to secure equal opportunity regardless of these characteristics. USCA supports the protection available to members of its community under all applicable federal laws. Complaints may be addressed to the Title IX Compliance Officer and the Director of Human Resources, Maria Chandler, Penland 116, (803)641-3317, Mariac@usca.edu. This handbook is published by the Division of Student Life and Services at the University of South Carolina Aiken.

A MESSAGE FROM THE CHANCELLOR

Welcome to the University of South Carolina Aiken. Whether you are a first-time-in-college freshman, a transfer student, or a returning student, I am pleased that you have made USCA your university of choice. We will do everything in our power to ensure that your experience at our college is challenging, rewarding, and gratifying.

The primary aim of our college is to provide an environment where meaningful self-expansion and a rich realization of your powers of intellect and thoughtful action can develop. Toward this end, we believe your commitment to engage fully in the life of the campus is critical. There is no substitute for meaningful interactions between students and faculty to facilitate the learning process, so take every opportunity available to meet with your faculty, engage in research, attend colloquia, and speak with your advisor about your educational goals and aspirations. These are highly educated and intelligent individuals who could be engaged in any number of professional pursuits...but, they have chosen to be here for you. As a student, my hope is that you will strive to broaden your intellectual horizons and to build a strong foundation of knowledge and skills. At USCA, you

have unlimited educational opportunities to help you achieve this goal.

At USCA, learning takes place both in and beyond the classroom. Learning occurs through a wide variety of experiences ranging from involvement in leadership and residence life programs, to participation in student clubs and organizations. Get physical by participating in intramural or club sports. Attend a concert, art opening, or play, and consider putting what you learn in class in conversation with service by volunteering your time and efforts through one of our service organizations. Consider studying abroad and sign up for a class in a subject completely outside your major (or comfort zone!). At this university there is a universe of possibilities at your fingertips.

Remember that along your academic journey, there are countless resources available to you, and which exist solely to help you make the most of your undergraduate experience. The Student Handbook is a handy resource, which will provide you with information about the many support services, organizations, and activities available to you. Additionally, the Student Handbook will outline most of the institution's policies, rules, and regulations.

The faculty and staff join me in welcoming you and wishing you a successful and fulfilling year. We are delighted that you are here at USCA!

Best wishes,
Sandra J. Jordan, Ph.D.
Chancellor

STUDENT CONSUMER INFORMATION

The Student Right-to-Know and Campus Security Act of 1990 (P.L. 101-542) and the Higher Education Technical Amendment of 1991 (P.L. 102-26), and the Higher Education Opportunity Act of 2008 (P.L. 110-315) require that all institutions of higher education collect and make certain information available to students/prospective students and employees/prospective employers upon request. Title I of this act is known as the Student Right-to-Know Act and Title II is known as the Crime Awareness and Campus Security Act. Information requirements are separated into three categories: graduation or completion rates, athletically-related financial aid, and campus security policies, crime statistics and campus housing fire safety. Graduation or completion rates are prepared and published by the Office of Institutional Effectiveness and are readily available to current and prospective students upon request. Athletically-related aid reports are prepared for the South Carolina Commission on Higher Education and the NCAA and are also available. The Annual Campus Security Policies, Crime Statistics, and Fire Safety Report are published by the USCA University Police Department and are available to current and prospective students and employees.

The University of South Carolina Aiken is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; Telephone number 404-679-4501) to award associate, baccalaureate, and master's degrees.

The University of South Carolina Aiken provides affirmative action and adheres to the principle of equal educational and employment opportunity without regard to race, color, religion, sex, creed, national origin, age, genetics, disability or veteran status. This policy extends to all programs and activities supported by the University. The University of South Carolina has hereby designated as the Section 504 coordinator, the University Affirmative Action Officer located in the Human Services Division, University of South Carolina, Columbia, SC 29802. Any person who feels they qualify for special accommodations due to physical, learning or psychological disability should contact the Office of Disability Services at (803) 641-6816 for a free, confidential interview.

If you need this handbook in an alternative format, please contact the Coordinator of Disability Services at (803) 641-6816.

EQUAL OPPORTUNITY IN PROGRAMS AND ACTIVITIES

Federal laws prohibit discrimination under programs and activities receiving federal financial assistance. The statutes listed below are applicable to the University of South Carolina Aiken and provide in part:

Title VI of the Civil Rights Act of 1964,

“No person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance.”

Title IX of the Education Amendments of 1972,

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance.”

Section 504 of the Rehabilitation Act of 1973,

“No otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.”

Section 303 of the Age Discrimination Act of 1975,

“No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.”

The Americans with Disabilities Act (ADA), Public Law 101-336 of 1990 provides anti-discrimination (civil rights) protection and access to equal employment opportunities for persons with disabilities. Accessibility requirements are similar to those imposed under Section 504 of the Rehabilitation Act of 1973 which addresses non-discrimination in employment and program services by recipients of any federal assistance. The ADA compliments Section 504 and expands its coverage as well as changes some of the application and accommodation processes. USCA is committed to the letter and the intent of both the ADA and Section 504.

The University of South Carolina Aiken conducts its programs and activities involving admission and treatment of students, employment, teaching, research, and public service in a non-discriminating manner as prescribed by federal law and regulation. Inquiries concerning the above may be sent to: Chancellor, University of South Carolina Aiken, 471 University Parkway, Aiken, South Carolina 29801.

CONFIDENTIALITY OF STUDENT RECORDS

In accordance with the Family Education Rights and Privacy Act (FERPA) of 1974, University of South Carolina Aiken students have the right to review, inspect, and challenge the accuracy of information kept in a cumulative file by the institution unless the student waives this right. It also insures that records cannot be released in other than emergency situations except*:

1. To other school officials, including faculty, within the educational agency who have legitimate educational interests;
2. To officials of other schools or school systems in which the student intends to enroll, upon condition that the student be notified of the transfer, receive a copy of the record desired, and have an opportunity for a hearing to challenge the content of the record;
3. To authorized representatives of the Comptroller General of the United States, the Secretary of Health, Education, and Welfare, and administrative head of an education agency, or state educational authorities;
4. In connection with a student's application for, and receipt of, financial aid;
5. To parents of an eligible student who claim the student as a dependent for income tax purposes. Upon receipt of the parents' most recent federal income tax return listing the student as a dependent, the students' records will be given. The student will be notified in writing and certified mail that this access has been given.
6. Where the information is classified as "directory information." The following categories of information have been designated by the University as directory information: student's name, local and permanent mailing addresses and telephone numbers, email address, semesters of attendance, enrollment status (full- or part-time), date of admission, date of expected or actual graduation, school, major and minor fields of study, whether or not currently enrolled,

classification (freshman, etc.), type of degree being pursued, degrees, honors, and awards received (including scholarships and fellow-ships), weight and height of members of athletic teams, and whether the student has participated in officially recognized activities and sports sponsored by the University.

If you do not wish such information released without your consent, you should notify the Registrar's Office prior to the first day of classes. Questions concerning this law and the University's policy concerning release of academic information may be directed to the Registrar's Office.

*In 1998, changes were made to the FERPA law. Higher education institutions are now permitted to inform parents about alcohol and drug violations. Please see the Alcohol and Drug Policies in this Handbook for further information.

A BRIEF HISTORY

Building partnerships has been the cornerstone of the University of South Carolina Aiken since its inception in 1961. It was then that the citizens of the Aiken community voiced the need for a local institution of higher education. In a true demonstration of grassroots politics, the community rallied to show their support for a college to be founded in the area. Through state legislation, a governing board was formed, the Aiken County Commission for Higher Education, which continues to oversee the University's mission.

The University of South Carolina, the state's flagship university which was founded in Columbia in 1801, began offering courses in Aiken for students interested in completing their degrees in Columbia. USC Aiken became the fourth campus founded of the eight that would eventually comprise the USC System. Three full-time faculty members, a secretary, and 139 students joined for the university's first academic semester in September 1961. Classes took place in "Banksia," a former winter-colony mansion in downtown Aiken. For 11 years, the university's first students attended college in a structure which was developed as living quarters, studying composition in an area which was once a ballroom and algebra in a former sitting room.

Over the years, the student population grew and the need for a new physical location for campus arose. The university purchased property from the Graniteville Company and moved from Banksia to its present site in 1972. One multipurpose building was constructed, which was later named the Robert E. Penland Administration Building. This building's open courtyard features one of the campus' most notable landmarks, the Double Knot sculpture by artist Charles Perry, which symbolizes the University's close ties with the local community.

As a natural next step, USC Aiken began to seek autonomy in the USC system so students could begin and complete their degrees in Aiken. In 1977, the university

was fully accredited as a senior college by the Commission on Colleges of the Southern Association of Colleges and Schools and granted its first baccalaureate degrees. Master's degree programs began being offered on campus in 1994, and at present, the campus offers more than 46 degrees and academic programs to students.

The institution began forming a limited number of sports teams as part of the NAIA in the 1960s. USC Aiken student-athletes adopted the Pacers as their mascot, named for Aiken's well-known status as an equestrian community. In 1990, USC Aiken achieved NCAA Division II status and became a charter member of the highly-competitive Peach Belt Conference. Today, Pacer Athletics hosts 11 varsity men's and women's sports teams, including the three-time national champion men's golf team.

Since 1961, five leaders have navigated the University's path. Mr. Chris Sharp (1961-1962), Mr. Bill Casper (1963-1983), Dr. Robert Alexander (1983-2000), Dr. Thomas Hallman (2000-2012), and Dr. Sandra Jordan (2012-present) have overseen the campus as it has grown from a commuter institution to a more traditional, residentially-based campus.

Today, USC Aiken ranks as the #1 public baccalaureate college in the South by U.S. News & World Report's guide "America's Best Colleges." More than 3,200 students attend the university, and approximately 500 students graduate each year. USC Aiken embodies its "focused on you" commitment by providing many of the offerings of a large university on a small, friendly campus with intimate class sizes and personal attention. The commitment to partnerships is woven into the fabric of the campus' culture.

- Purchase used books when possible; used textbooks are 25% cheaper than new, and help conserve our environment.
- Purchase your books as early as possible; more used books are available, and the bookstore is not as busy.
- Purchase only the required materials before class; if a textbook is listed as optional or recommended, wait until after classes begin, you may not need this book.
- Sell your unwanted textbooks at the end of each semester; The Pacer Shoppe will pay 50% of the purchase price for books that have been re-adopted for the next semester, are in the current edition, and are not overstocked at the bookstore; all other books may be purchased by a national used book dealer.
- Making Your Textbook Shopping A Little Easier:
- Bring your class schedule or course syllabus with you to the bookstore to make certain you're getting books for the correct course number and section number.
- Avoid the crowd by shopping the bookstore during its less busy hours. The hours of 11 am to 2 pm are the busiest during the first week of classes at the pacer Shoppe.

Buyback policy:

GLOBAL STUDIES AND MULTICULTURAL ENGAGEMENT

The Global Studies and Multicultural Engagement Office provides support services to international and minority students, and coordinates programs and services designed to increase awareness of global and diversity issues.

The office provides services to international students prior to their arrival to USCA with pre-departure information packets and student visa advising. When international students arrive on campus, they attend orientations and workshop to

help them transition and fully integrate to USC Aiken community; and while they reside at USC Aiken with academic, social and cultural guidance and advising. Staff members work closely with student and community organizations to ensure that international students are well-adjusted and successful on campus.

Support services are also provided to minority students in the areas of academic, personal, and social adjustment to college. Programs such as the Minority Achievement Program (a mentoring program for new students) and the Compass Leadership Program (a leadership development program for upperclass students) are several of the most prominent programs offered by the department.

The office also provides information to USC Aiken students on study abroad, work abroad and volunteer abroad opportunities. The office works closely with faculty and staff to develop study abroad programs and opportunities for students and to assist faculty with international research and teaching projects.

Finally, the department strives to increase international and diversity awareness on campus and in the larger Aiken community through campus lectures, panel discussions, an International Education Week filled with educational and fun activities, MLK Day celebration, other cultural events, and through internationalizing the curriculum when appropriate.

The Global Studies and Multicultural Engagement Office is located in the Student Life Office of the Student Activities Center.

GRADUATE OFFICE

The Graduate Office coordinates the offering of graduate courses on campus. Graduate degrees offered at USC Aiken include the M.Ed. in Educational Technology and the M.S. in Applied Clinical Psychology. The Graduate Office is located in the Penland Administration Building, Room 101F.

ID CARDS

All currently enrolled USCA students are required to have a USCA ID card. The ID card is an important item that allows access to University facilities and services and is designed to be checked by computer for validity. Certain services may be denied without an ID card. The ID card is a permanent card and is valid as long as a student is officially registered. When a student registers and pays fees each semester, his/her card's validity is automatically updated through the computer. The card is the property of USCA and is intended solely for its use. It is not transferable and must be returned upon request.

Students are responsible for reporting lost or stolen cards promptly; otherwise they may be liable for debts incurred through the use of the cards. Replacement cards cost \$25.00, and the charge will be billed to you through the Business Services Office.

ID cards are valid only when a student is enrolled in classes. Should a student

withdraw or be suspended during the semester, the card will no longer be recognized by the computer system. If a student leaves USCA and later returns, the student does not have to have a new card made. By registering and paying fees, the computer will recognize the card as valid once again. Questions concerning the ID card system can be answered in the University Police Office.

New Students: Beginning Fall 2014 we will be completing the ID process through a new online process. By following these steps you will greatly reduce your time waiting in line. Complete these steps at least 72 hours prior to picking up your IDs:

1. Take a photo of yourself meeting the mandatory requirements *
2. Go to <https://my.usca.edu> and log in using your VIPID
3. Complete the Cardholder Agreement
4. Submit your photo
5. You will receive a confirmation that the submitted photo was acceptable
6. Retrieve your student ID from the designated location

* These photographs should be of the same quality and have the same characteristics required for driver's license, military identification, or passports. They should be taken with a solid background, you must be facing the camera, it must be a photo from head to shoulders, and it must be in color. Photographs will not be accepted if you are wearing a hat, sunglasses, halter top, sleeveless shirt, or bathing suit. The display of offensive language or inappropriate behavior will disqualify the photograph.

REGISTRAR/VETERANS BENEFITS

The Office of the Registrar is responsible for a variety of ongoing services for the current student population at USCA. This office registers all undergraduate students and keeps complete records of all transactions related to their enrollment.

The office gathers and records the grades for all undergraduate students and implements the University's suspension and probation policy by tracking and keeping all related records of students on suspension and probation. Other services pertaining to a student's permanent record include name and address updates and proper recording and filing of all academic decisions and exceptions on students.

Students wishing to graduate from USCA must complete a degree application available in the Office of the Registrar no later than the published date for that semester.

This office provides an academic calendar used by the entire University and also produces the USCA Bulletin and the Master Schedule of Classes. Room scheduling for campus functions is handled in this office as well. The Office of the Registrar also assists students in applying for their veterans educational benefits. The Veterans Affairs Coordinator is required by federal law to monitor a student's enrollment each semester and report changes and discrepancies to the Veterans Administration as well as to insure that all students receiving such benefits are making satisfactory progress towards their chosen degree.

The Registrar's Office also provides Self Service Carolina (SSC) which is a web system for students to use in registration and financial transactions. Students can access SSC from anywhere they have Internet access. SSC is also the only means by which students receive grades. The address <http://my.usca.edu/> provides instructions on how to set up and use this type of account.

STUDENT HEALTH CENTER

USCA has a Student Health Center (SHC) for the benefit of undergraduate students who become ill or sustain an injury while attending classes at USCA. The SHC is located in Room 106 of the Student Activities Center, located beside student media and to the left of the natatorium. Services received in the SHC are free of charge, prepaid as part of tuition. The SHC does provide a few specialty services for which there are nominal charges; these include, but may not be limited to tuberculosis skin testing, immunizations, and selective health physicals. USCA's Nurse Practitioners (NPs) provide primary care for common health problems. NP are specially educated registered nurses who have received an advanced practice degree in nursing at the graduate level with a specialized focus in assessment, diagnosis and treatment of common illnesses and injuries of the college aged student. USCA's NPs treat those diagnoses frequently seen on college campuses.

A student may come in with a complaint similar to:

- "It hurts when I swallow."
- "I was late for class, was running & fell down the steps. I think I broke my ankle."
- "My whole body aches; I have been hot, with the chills"
- "I have the worst headache ever; It especially hurts when I look at the lights or hear loud noises"

- “I threw up about 6 or 7 times last night.”
- “I have this rash on my back.”
- “I haven’t gone to the bathroom in over a week.”

Students are encouraged to visit the SHC if they have an illness or injury that they feel uncomfortable treating independently. A USCA NP will guide the student through the healing process by assessing and diagnosing the problem, then providing the necessary treatment and follow-up care. There are times when a student’s illness or injury might be more serious than the SHC staff can handle. During these times the student will need to be referred to a community physician or hospital. For this reason students are encouraged to carry individual health insurance in order to assist with the referral process and financial burden. The SHC staff also provides health promotion, health education and disease prevention information for the campus. They coordinate activities to ensure the campus is up-to-date on all health issues confronting the campus and surrounding community.

STUDENT LIFE

Student Life strives to provide excellent opportunities to engage students outside of the classroom and get them involved in meaningful ways both on campus and in the community. There are many reasons why you should get involved while attending USC Aiken. First, it is an excellent way to develop important skills that are integral to being successful in the “real world.” Second, research shows that being involved can make one’s college years more fulfilling. Students who are involved tend to be more successful in college and beyond. Third, it is a great way for students to expand their horizons and experience again. Fourth, it looks good on a resume. Studies show that students who are involved tend to get better and higher paying jobs than non-involved students. Lastly, it is a lot of fun being involved and it can make your college career more memorable and meaningful.

THE OFFICE OF VETERAN AND MILITARY STUDENT SUCCESS

The mission of the Office of Veteran and Military Student Success (VMSS) is to provide services and support to the veteran students, military family member students, and those students currently in service of our country's Armed Forces in their educational pursuits as they transition from their military service through the university to becoming vital community members.

This is accomplished through veteran-to-veteran connections, individual service branch connections, and community connections. Our role in fostering these connections includes the following responsibilities:

- Pre-orientation relationship building through vet-to-vet support (Admissions, Enrollment, Transcripts, Education/Career Building, and Transition concerns)
- Veteran and Military Student Success Specific Orientation
- VA Education (GI Bill) and Training Enrollment/Certification/Optimization
- Transition Support (VA support, eBenefits, My HealtheVet, Aiken Warrior Program Education Veteran Advocate support services)
- Veterans to Careers
- USC Aiken Student Veteran Organization
- VMSS Center

The University's Office of Veteran and Military Student Success hosts a professional staff that provides a conduit to benefits, opportunities, networking, and best practices for a successful military to community transition. Current USC Aiken veteran/military students are an essential element establishing partnerships with incoming students through a veteran-to-veteran connection process. The University Student Veteran Organization holds a great role in upper level military veteran students mentoring new or incoming veteran students.

The **School Certifying Official** (SCO) supports the overall VMSS mission with excellent customer relations and strong teamwork. The School Certifying Official is a representative of the VMSS center authorized to sign and submit Department of Veterans Affairs documents verifying a Veteran and or Military member (beneficiary's) enrollment, change in status, receipt of advance payment, and any other circumstances that affect the amount or duration of education assistance benefits.

Requesting Certification

Students who receive or are eligible for VA education and training benefits must initiate their own request for certification for their classes each semester to the SCO. To ensure the SCO processes VA Education Benefits accurately and timely, the student's participation in the certification process is paramount. Students are responsible each semester to submit a completed Veteran and Military Student Success Certification Request Form. This form is used to formally request the SCO to process a student's VA Education and Training Benefit. A student may obtain the Certification Request Form by visiting the VMSS Center or via email request sent to VMSS@usca.edu.

It is also the student's responsibility to:

1. Collect VA education and training benefits for those courses and electives, which are required for the student's degree as stated in either the USC Undergraduate or Graduate Academic Bulletin.

2. Notify the USC Aiken Veteran and Military Student Success staff within five (5) business days of any changes in his/her degree program or projected semester hours (drops/adds/withdrawals/major changes) by providing an updated schedule and, if adding a course, an updated advisement form.
3. Understand the SCO will certify the student to the VA only after the student has completed/renewed the Veteran and Military Student Success Certification Request Form and other relevant forms.

The USCA School Certifying Official is located in the Veteran and Military Student Success Center, Gregg-Graniteville Library. For more information contact 803-643- 6768 or vmss@usca.edu.

For information about the frequency and type of reportable incidents on campus, please contact the University Police at (803) 641-3290 or access the information at the following web address: www.usca.edu/ps

The USCA campus is staffed 24 hours a day, 7 days a week by state-commissioned policeofficers. These officers are responsible for protecting members of the campus

community, enforcing the law, and maintaining the physical security of the campus. The officers also attempt to deter crime through the application of crime prevention techniques and high visibility.

Emergency Telephones

Emergency telephones are provided at multiple locations on the campus. These devices provide direct access to University Police at all times. Additionally, from any on-campus telephone, University Police may be reached by dialing 6111 from any on-campus phone, and 648-4011 is an off-campus number to provide the same access. It is also recommended that you download the USCA app if you have a smartphone for easy access to University Police in an emergency.

If off-campus housing is being considered, students and parents should be aware that Aiken County is served by three separate law enforcement departments, with jurisdiction determined by location within the City of Aiken, the City of North Augusta, or the balance of the County, which is served by the Office of the Sheriff of Aiken County. Please contact rental agents for the County or City emergency numbers that might be helpful such as fire, police, and hospital. In addition, USCA strongly suggests that all students considering off-campus housing contact the appropriate law enforcement department for specific crime and safety information about the residential areas under consideration.

STUDENT JUDICIAL PROCESS

The University of South Carolina Aiken, as an institution of higher education, accepts its obligation to provide for its students, faculty and staff an atmosphere that protects and promotes its educational mission and guarantees its effective operation. To accomplish these goals, the University requires certain standards of conduct. All students, faculty and staff at the University share the responsibility to respect:

- the fundamental rights of others as citizens;
- the rights of others based upon the nature of the educational process;
- the rights of the institution;
- the rights of everyone to fair and equitable procedures for determining when and upon whom sanctions for violations of University standards should be imposed

The Student Judicial Policy is the essential component in guaranteeing due process for students at the University of South Carolina Aiken. This policy describes procedures for addressing 1) Violations of the Academic Code of Conduct and 2) Violations of the Non-Academic Code of Conduct, including violations by Student Organizations. Each of these processes is addressed in a separate section of this document. Procedures for redress in cases of sexual harassment are outlined in the USC Sexual Harassment Policy, which can be found at www.sc.edu/policies/eop102.html. Paper copies can be obtained from the Human Resources Office.

DEFINITIONS

Class Day

A class day is any weekday in which the University is in session according to the academic calendar. If the student is unable to meet stated deadlines due to the end of the semester or due to the summer school schedule, the student must, within ten (10) days of receipt of notification of being charged with a violation of the Academic or Nonacademic Code of Conduct, notify the appropriate Judicial Officer or Chair

of the University Judicial Board that he/she intends to file a formal response to the charge when classes resume at the beginning of the next full semester.

Delivery of Written Notice

After the initial investigation in major violation cases, all written communications with the student in the judicial process must be delivered either by certified mail or delivered in person, with a signed and dated acknowledgement of receipt.

Hearing Officer

A Hearing Officer is a professional staff member designated by the Non-Academic Judicial Officer to adjudicate minor violations of the Non-Academic Student Code of Conduct. Hearing Officers include, but are not limited to the Associate Vice Chancellor of Student Life, the Director, Associate and other housing professional staff, and the Associate and Assistant Directors of Student Life.

Judicial Officers

Academic Judicial Officer

The Executive Vice Chancellor for Academic Affairs designates the Assistant Vice Chancellor for Academic Affairs as the Judicial Officer for violations of the Academic Code of Conduct. The Office of Academic Affairs implements policies and procedures related to violations of the Academic Code and the imposition of sanctions in an efficient, consistent, fair, legal, and educationally meaningful manner.

Non-Academic Judicial Officer

The Vice Chancellor for Student Life and Services designates the Assistant Vice Chancellor of Student Life as the Judicial Officer for violations of the Non-Academic Code of Conduct. In cooperation with other appropriate bodies, the Non-Academic Judicial Officer implements policies and procedures related to conduct violations and the imposition of sanctions in an efficient, consistent, fair, legal, and educationally meaningful manner.

Judicial Procedures Advisor

A Judicial Procedures Advisor is a faculty member who serves as an advisor to an accused student or student organization. The Judicial Procedures Advisor is an ex-officio participant in any student disciplinary procedure. The Judicial Procedures Advisor will maintain an objective position in advising the student or student organization. The Judicial Procedures Advisor is not an advocate who sides with either principal party involved in the disciplinary procedure but rather an advisor to guide the student in the procedures and in the unbiased collection of evidence to be used at a hearing, if such is necessary.

Preponderance of the Evidence

The preponderance of the evidence is a standard of proof that indicates that the evidence provided shows that “more likely than not” a violation occurred. (often referred to as the 50% plus 1 rule)

Presenting Party

The presenting party is/are the individual(s) who bring forth charges of alleged violations of the USCA Student Code of Conduct. For the Academic Code of Conduct, this will generally be the faculty member teaching the course in which the alleged violation occurred. For the Non-Academic Code of Conduct, the presenting party will generally be the Non-Academic Judicial Officer; however, depending on the nature of the alleged violation, another faculty or staff member may be designated.

Student

For the purpose of this policy a “student” is defined as any person who is admitted, enrolled, or registered as a student at USCA for any academic period. In addition, persons who are not officially enrolled for a particular term but who have a continuing student relationship with, or an educational interest in, USCA are considered “students.” A person shall also be considered a student during any period following the end of either a Spring or Fall semester that the student has completed until the last day of registration for the next succeeding semester. A person shall also be considered a student during any period while the student is under suspension from the institution or when the person is attending or participating in any activity preparatory to the beginning of school including, but not limited to, orientation, placement testing, and residence hall check-in.

University Judicial Board (UJB)

The University Judicial Board is a group of students and faculty who review cases in which there are alleged violations of the Academic or Non-Academic Code of Conduct in an effort to determine if a violation(s) took place and, if so, the appropriate sanction(s) that should be assigned.

Disciplinary Procedures for Violations of Academic Integrity

ACADEMIC CODE OF CONDUCT

Academic Integrity

Academic Integrity is the guiding principle of all aspects of the educational process. It is defined as respect for one’s own work and for the work of others. By becoming a member of the University of South Carolina Aiken community, each individual agrees to abide by this principle. The principle of Academic Integrity and all procedures supporting it shall be referred to as the “Academic Code of Conduct”. It is the responsibility of every student at USC Aiken to be familiar with the “Code”, to adhere steadfastly to truthfulness and to avoid dishonesty, fraud, or deceit of any type in connection with any academic requirements. Academic requirements are defined as works submitted for academic progression or graduation or any graduate or undergraduate course work. Any student who violates this principle, attempts to violate it, or who knowingly assists another in violating it shall be subject to discipline.

As members of the USC Aiken community, it is also the responsibility of every student, faculty and staff member to report violations of academic integrity to the faculty member in whose course these violations took place or to another person of authority such as a department chair/school head. The principle of Academic Integrity prohibits all forms of academic dishonesty – including cheating, lying, bribery and plagiarism. The following examples illustrate conduct that violates Academic Integrity, but this list is not exhaustive.

1. Giving or receiving unauthorized assistance, or attempting to give or receive such assistance in connection with the performance of any academic work.
2. Unauthorized use of materials or information of any type or the unauthorized use of any electronic or mechanical device in connection with the completion of any academic work.
3. Unauthorized use of any portable electronic device unless required for the course during a test period without consent of the instructor.
4. Access to the contents of any test or examination or the purchase, sale, or theft of any test or examination prior to its administration.
5. Use of another person's work without proper acknowledgment of source, i.e., plagiarism.
6. Intentional misleading of any person in connection with any academic work including the scheduling, completion, performance, or submission of any such work).
7. Offering or giving any favor or thing of value for the purpose of influencing improperly a grade or other evaluation of a student in an academic program.
8. Conduct intended to interfere with an instructor's ability to evaluate accurately a student's competency or performance in an academic program.

Only the appropriate faculty member can "authorize" assistance, use of materials, etc.

Whenever a student is uncertain as to whether conduct would violate Academic Integrity, it is the responsibility of the student to seek clarification from the appropriate faculty member prior to engaging in such conduct.

Honor Pledge:

As a commitment to maintain Academic Integrity and accept academic responsibility, the following statement should appear on all major examinations and assignments: On my honor as a University of South Carolina Aiken student, I have completed my work according to the principle of Academic Integrity. I have neither given nor received any unauthorized aid on this assignment/examination

(Sign and Date)

Student Responsibility:

- a) To conduct all academic work within the letter and the spirit of Academic Integrity, which prohibits giving or receiving unauthorized aid in all academic endeavors.
- b) To sign the Honor Pledge on all graded academic work certifying that no unauthorized assistance has been received or given in the completion of the work.
- c) To consult with faculty and other sources to clarify the meaning of plagiarism and to learn the recognized techniques of proper attribution of sources used to prepare assignments.
- d) To consult with faculty to identify allowable resource materials or aids to be used during examinations or completion of any graded work.
- e) To maintain the confidentiality of examinations by divulging no information, directly or indirectly, to another student who has not yet taken that same examination.
- f) To report observed Academic Integrity violations in a timely manner. When

possible, violations should be reported to the faculty member in whose course these violations took place.

Classroom Behavior:

It is the instructor's right to remove from the classroom any student who disrupts or disturbs the proceeding of the class. Disruption of the class includes but is not limited to the use of any portable electronic devices, including cell phones, MP3 players; iPods, etc. unless prior approval has been given to a student or unless required for the course. In extreme cases the faculty member can request assistance from campus security. If the student who has been ejected causes similar disturbances in subsequent meetings of the class, he/she may be denied admittance to the class for the remainder of the semester and assigned a grade of F.

Consequences for the Violation of Academic Integrity:

1. If the violation pertains to an assignment in a course, the faculty member teaching the course in which the violation occurred may assign a 0 on the assignment or an F in the course.
2. If the violation pertains to a non-course degree requirement (Junior Writing Portfolio, Praxis exam, etc.) the student may fail to receive credit for the degree requirement for which the violation occurred. The consequence for the violation of a non-course degree requirement may be imposed by the appropriate department chair/dean.
3. In addition to the consequences listed above, the faculty member or department chair/dean has the right to refer the violation to the UJB for possible disciplinary penalties. These disciplinary penalties include
 - a. Expulsion - Dismissal from the University without the possibility of re-admittance.
 - b. Suspension for a Period of Time - Denial of enrollment, attendance, and other privileges at the University for a specified period of time. Permission to reapply for readmission upon termination of the period may be granted with or without
 - c. Sanction -Sanctions may include, (but are not limited to), attendance at or participation in a program or community service, program development, and researching and writing a paper on a topic related to the violation.

The consequences listed in number three above (a. through c.) may be imposed by the University Judicial Board or at higher levels in the judicial process. Nothing in these procedures, including the imposition of any disciplinary penalty, shall be interpreted to limit the academic authority of an instructor to determine an appropriate grade for a student who has violated the Academic Code of Conduct. If an instructor determines that, because of academic dishonesty, a student's performance in an academic program merits a grade reduction or a failing grade, the instructor's authority to award an appropriate grade is not limited by the imposition of any penalty under this section.

Record of Violations

Violations are recorded as follows:

When a faculty member assigns a student a 0 or F for a violation as the final grade of record on an exam, assignment or requirement or an F in the course, the faculty member must notify the student within ten (10) class days of assigning the grade through a letter delivered as specified under the definition of delivery of written notice with copies to the

department chair/dean of the faculty member making the charge, to the department chair/dean of the student's major, and to the Executive Vice Chancellor for Academic Affairs. The letter must state the violation, the sanction imposed and the student's right to appeal. Documentation of the violation (i.e., copies of tests, papers, etc.) should be included with the copies of the letter sent to the unit head and to the Executive Vice Chancellor for Academic Affairs.

Recurring Violations of Academic Integrity:

To insure that students do not continue to violate academic integrity, confidential files for violations shall be maintained by the Office of Academic Affairs and a University Judicial Board (UJB) hearing shall be held upon the accumulation of three violations. The purpose of the UJB hearing is to consider the pattern of a student's behavior. When three violation letters have been received, the Academic Judicial Officer shall:

1. Request a hearing by the University Judicial Board (UJB). The request must be made within ten (10) class days from receipt of the third letter;
2. Notify the student in writing of the request and deliver letter as specified under the definition of delivery or written notice; and
3. Forward these letters to the UJB Chair for use during the hearing.
4. The receipt of any subsequent letter charging the student with a violation of academic integrity would prompt another hearing by the UJB.

Due Process for Cases of Alleged Violations of Academic Integrity

Faculty Options:

After imposing one of the "Consequences for the Violation of Academic Integrity," the faculty member or department chair/dean may also seek further sanctions within ten (10) class days by requesting a hearing by the University Judicial Board through the UJB Chair; and by informing the student by delivering the letter as specified under the definition of delivery of written notice, with a copy to the unit head of the request for a hearing.

If the request is made by the faculty member, a copy of the letter will be sent to the faculty member's department chair/ dean and to the department chair/dean for the student's major.

Student Options:

A student may accept the penalty imposed by the faculty member for violating academic integrity or he/she may appeal the penalty to the University Judicial Board. The student must request a hearing by the UJB in writing. The student's written request for a hearing should be sent by certified mail or hand-delivered to the Academic Judicial Officer. Such a request must be submitted within ten (10) class days of being made aware of a penalty for violating academic integrity.

Judicial Board Hearing:

Any of the following actions will initiate a University Judicial Board hearing:

1. Request by faculty member
2. Appeal by student
3. Request by the Academic Judicial Officer upon the receipt of the third and of any subsequent violation letter.

The UJB may impose disciplinary penalties, confirm previously imposed penalties, or dismiss all allegations regarding academic dishonesty. The UJB cannot alter

or reverse a faculty member's imposed penalty (i.e., grade). In the case of a student appeal of a faculty imposed penalty, the UJB may not impose a penalty stronger than the initial one.

Procedures:

(See Information Regarding Administrative Hearings and Hearings of the University Judicial Board)

Appeal Options following UJB Decision

a. The faculty member or student may accept the decision of the University Judicial Board (case closed) or disagree and appeal the case to the Executive Vice Chancellor for Academic Affairs. The faculty member or student must file a written request with the Executive Vice Chancellor and deliver the letter as specified under the definition of delivery of written notice within ten (10) class days after receiving the decision of the UJB.

b. The Executive Vice Chancellor's decision to uphold or overturn the UJB decision, based upon a review of the evidence, must be returned within ten (10) class days. The Executive Vice Chancellor may or may not summon any principal in the case. The Executive Vice Chancellor may either confirm or reverse the decision of the UJB, or may alter the sanctions specified by the UJB. In the case of a student appeal, the Executive Vice Chancellor may not impose a penalty stronger than the sanction specified by the UJB. A written report of the Executive Vice Chancellor's decision will be delivered as specified under the definition of delivery of written notice to the student, and to the faculty member and unit head directly involved in the appeal. Copies of the report will also be sent to the department chair/dean.

c. If the faculty member or student is not satisfied with the decision, he/she may take the case to the Chancellor of USCA. The faculty member or student must file a written request with the Chancellor and deliver it as specified under the definition of delivery of written notice within ten (10) class days after receiving the decision of the Executive Vice Chancellor for Academic Affairs. The Chancellor will review all materials pertaining to the hearing and arrive at a decision within ten (10) class days. The Chancellor may or may not summon any principal in the case. The Chancellor may either confirm or reverse the decision of the Executive Vice Chancellor, or may alter the sanctions. In the case of a student appeal, the Chancellor may not impose a penalty stronger than the sanction specified by the Executive Vice Chancellor. A written report of the Chancellor's decision will be sent to the Executive Vice Chancellor for Academic Affairs, the faculty member, the unit head and the student (delivered as specified under the definition of delivery of written notice) directly involved in the appeal.

Academic Penalty

At the conclusion of a case, after all appeal options have been exhausted by both parties, if the student is found not responsible for violating academic integrity, the Executive Vice Chancellor for Academic Affairs will advise the faculty member to reassess the academic penalty (i.e., grade) within ten (10) class days and will notify the faculty member that he/she may be in an untenable legal position if he/she elects not to do so. The faculty member's reassessment of the academic penalty may or may not result in a different grade,

depending on the quality of the student’s performance on the assignment in question.

Final Disposition

The Executive Vice Chancellor for Academic Affairs will be responsible for implementing sanctions imposed by the UJB or any level higher in the appeals process. The Executive Vice Chancellor will also inform the Registrar’s Office if the sanctions require any restrictions on the student’s future enrollment. The Executive Vice Chancellor will keep records of all foregoing procedures in a confidential file.

Disciplinary Procedures for Non-Academic Violations

NON-ACADEMIC CODE OF CONDUCT

I. INTRODUCTION

A. The discipline system extends and applies the general principles of the Statement of Student Rights and Freedoms within the academic community to specific actions and responsibilities of students and student organizations at the University of South Carolina Aiken. It accepts the proposition that “academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society, and that free inquiry and free expression are indispensable to the attainment of these goals.”

B. As such the University strives to maintain an educational community which fosters the development of students who are ethically sensitive and responsible persons.

C. The University of South Carolina Aiken strives to protect this educational community and to maintain social discipline among its students. Consistent with its purposes, reasonable efforts will be made to foster the personal and social development of those students who are held accountable for violations of University social regulations.

D. The purpose of this document is to set forth the specific authority and responsibility of the university in maintaining social discipline, the educational process of determining student and student organization accountability for violating the regulations, and the proper procedural safe-guards to be followed in this process to insure fundamental fairness and protect the students and student organizations from unfair imposition of serious penalties and sanctions.

II. APPLICATION OF LAWS AND REGULATIONS

A. Students should be aware that educational institutions are not sanctuaries beyond the reach of the criminal laws of the communities and states where in such institutions exist. While the rules and regulations of the University of South Carolina Aiken are not meant to duplicate general laws, there are some aspects in which the lawful interest of the institution as an academic community coincide with the broader public interests treated in general laws. Students who commit offenses against the laws of municipalities, states, or the United States, are subject to prosecution by those authorities and may be subject to disciplinary action under university rules when their conduct violates Institutional standards.

B. Students, no less than other citizens, are entitled to be secure in their persons, lodgings, papers, and effects against unreasonable searches and seizures. Searches and seizures by law enforcement personnel incident to investigations or arrests are conducted only under proper warrant. This does not prohibit normal inspections of facilities for maintenance, health, or safety purposes. NOTE: University Housing policies also allow for the entrance and inspection of student housing units if there is reason to believe that a violation of law or University policy exists, or for life safety and/or emergency circumstances.

C. Students enjoy the same freedoms of speech and peaceable assembly as all citizens, but they are under certain legal obligations in the exercise of these freedoms by virtue of their membership in the University community. Expression may be subjected to reasonable regulations of time, place, number of persons, and form under established regulations. Expression in the form of action that materially interferes with the normal activities of the institution or invades the rights of others is prohibited. The University is pledged to protect lawful exercise of the rights of free speech and assembly and will invoke appropriate legal and disciplinary sanctions when necessary in the pursuit of this goal.

D. Students who are apprehended and charged by law enforcement agencies with felony criminal conduct on or off campus are required to inform the Non-Academic Judicial Officer.

E. The standard of proof required in University judicial processes differs from that required in criminal judicial processes. In University judicial processes, the standard of proof required to find person responsible for violation is that of the preponderance of the evidence. That is, if the evidence provided indicates that “more likely than not” the violation occurred, the student will be held accountable for that violation.

III. AUTHORITY AND RESPONSIBILITY

A. Responsibility for good conduct rests with students as individuals. All members of the University community are to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others.

B. The Board of Trustees is the governing body of the University and the powers of the President, the Chancellor, and the faculty are delegated by the Board in accordance with policies. The faculty, subject to review by the Chancellor, the President and the Board of Trustees, has legislative powers in all matters pertaining to the discipline of students and student organizations.

C. The Vice Chancellor for Student Life and Services is responsible for the judicial system that adjudicates violations of the Non-Academic Code of Conduct. The Vice Chancellor delegates responsibility for the day-to-day operation of the Non-Academic Code of Conduct to the Assistant Vice Chancellor of Student Life, who serves as the Non-Academic Judicial Officer. The Non-Academic Judicial Officer has designees, referred to as Hearing Officers, for specific cases. These Hearing Officers include, but are not limited to, the Associate and Assistant Directors of Student Life and the Directors, graduate assistants, and Assistant Directors of University Housing.

D. Student Government, as an elected and representative voice of the student body, has the right to comment on any proposed changes pertaining to the discipline of students.

E. The Campus Life Committee has the right to propose changes to the Non-Academic Code of Conduct, when appropriate. A report will be submitted to the Campus Life Committee in the Fall of each year detailing, without student names, the following: the behaviors which led to disciplinary action; the type of hearing; the decision of the hearing authority, including any sanctions; and general demographic data and student status for the student(s) charged.

IV. GENERAL STUDENT CONDUCT REGULATIONS

A. This section establishes the rules and regulations all students of the University of South Carolina Aiken are expected to follow under the duty and corollary powers inherent in educational institutions to protect their educational purposes through the setting of standards of student conduct and scholarship and through the regulation of the use of University facilities.

B. Students have a right to expect enforcement of these rules and regulations. The University also has the right to expect students to abide by them as befits the responsibilities of students as members of the University community. Knowledge of these rules and regulations can prove beneficial to students in utilizing and protecting their guarded rights. It is important to add, however, that unfamiliarity with institutional regulations or rules is no ground for excusing infractions.

C. Scope of Application-The University may take disciplinary action for a violation of the Non- Academic Code of Conduct when the offense takes place on University premises or at University sponsored, endorsed, supported or related events which occur off campus. The University may also take disciplinary action for off-campus offenses that are not related to the University when failure to do so is likely to interfere with the educational processes or orderly operation of the University, or endanger the health, safety, or welfare of the University community.

V. CONDUCT REGULATIONS OF THE NON-ACADEMIC

The following statements constitute the official record of all general conduct rules and regulations at the University of South Carolina Aiken. Students are expected to abide by these regulations and administrators are expected to enforce them. Students are expected to appear at disciplinary hearings to respond to allegations or testify as a witness when reasonably notified to do so. Registration hold may be placed on a student's records until such time as the student complies with the request.

15. Unauthorized Presence In and Use of University Facilities Unauthorized

Any form of expression that materially interferes with such activities and operations or invades the rights of persons may be proscribed or prohibited.

NOTE: To remain in the vicinity of activity which threatens to disrupt or is disrupting normal University functions may have serious legal and disciplinary implications. Bystanders as well as more active participants in the disruptive activity may be charged with jointly engaging in an enterprise which is prohibited by law. Students should accordingly avoid the scene of any disruptive or potentially disruptive action. In any case, failure to leave when asked to disperse by University or law enforcement officials will result in disciplinary and/or legal action.

NOTE: In any case where students of the University of South Carolina Aiken are involved in action which is disruptive of the normal activities of the institution or its personnel, or which exceeds the bounds of normal internal discipline in its impact, the Board of Trustees may exercise its right to name a Special Hearing

Board, Committee, or officer to investigate the questioned action and to initiate appropriate disciplinary or other measures.

2. Minor Violations

- a. Minor Violations are less serious or first time violations of the Non-Academic Code of Conduct. Determination of “Minor Violation” status is made by the Non-Academic Judicial Officer or appropriate Hearing Officer.
- b. Minor Violations may include, but are not limited to violations of the tobacco/smoking policy, minor alcohol violations and general conduct violations.
- c. Minor Violations may be adjudicated via Informal Administrative, Formal Administrative or University Judicial Board Hearings or Administrative Sanctioning Meetings, depending on the circumstances. See Chart B.
- d. Minor Violations that occur within Housing, Greek Life, Intramurals, or Student Organizations may be adjudicated by the appropriate hearing officer, as referred to under the definition of “Hearing Officer.”

B. Reporting of Violations

1. Any member of the University community may initiate non-academic disciplinary proceedings concerning an alleged violation of the Non-Academic Student Code of Conduct.
2. The complaint must be made in writing and submitted to the Non-Academic Judicial Officer or the appropriate Hearing Officer.

C. Determination of Charges

1. Upon receiving a complaint of misconduct, or upon his or her own initiative, the Non-Academic Judicial Officer or Hearing Officer will review relevant facts and consult with relevant parties through investigative meetings regarding the incident in question, including the student who is believed to be directly involved.

2. If the evidence warrants disciplinary action, written notification (according to the definition of written notice) will be sent to the accused student indicating the nature of the activity in question and the specific charge being made against them.
3. The Non-Academic Judicial Officer or Hearing Officer may at any time during the disciplinary proceedings make additional charges or withdraw charges against student. In either case, the Officer will send written notification (according to the definition of written notice) to the student.

D. Procedures

1. After investigating relevant facts and meeting with relevant parties, including the student involved, the Non-Academic Judicial Officer may opt to file charges of the Non-Academic Code of Conduct. The student will be sent a letter as specified under the definition of delivery of written notice indicating the charges that have been filed.

NOTE: If the student fails to meet with the Non-Academic Judicial Officer or Hearing Officer during the investigation, hold may be placed on the student's registration preventing him/her from registering for future classes until the matter is resolved. Additionally, the student may be charged with a violation of the "failure to comply" provision of the Non-Academic Student Code of Conduct (Section IV. D. 14).

2. If, in the course of the investigation, the student accepts responsibility for the violation, charges will be filed immediately and the case will proceed as outlined below:

- a. When a student accepts responsibility for a Minor Violation, an Administrative Sanctioning Meeting will be held.
- b. When a student accepts responsibility for a Major Violation, he or she will:
 - i. Meet with a Judicial Procedures Advisor to review the options, and
 - ii. Choose either an Administrative Sanctioning Meeting or a University Judicial Board Sanctioning Meeting.

NOTE: The Non-Academic Judicial Officer may decline to serve as the sanctioning authority and require that sanctioning be provided by the University Judicial Board

3. If the student denies responsibility for the violation and is charged by the Non-Academic Judicial Officer, the charged student will be required to do the following:
 - a. Meet with a Judicial Procedures Advisor to review the options.
 - b. Choose one of the following options to resolve the charges:
 - i. Plead "not responsible" to the charge(s) and have a hearing before the University Judicial Board where a decision of responsible or not responsible will be made by the Board. If found responsible by the University Judicial Board, an appropriate sanction will be determined by the Board.
 - ii. Plead "not responsible" to the charge(s) and request an Informal Administrative Hearing before the Non-Academic Judicial Officer or Hearing Officer. If found responsible by the Non-Academic Judicial Officer or Hearing Officer, an appropriate sanction will be determined by the officer. An Informal Hearing allows the charged party to present evidence for consideration and suggest witnesses that the Non-Academic Judicial Officer or Hearing Officer may consider interviewing before decision is rendered. The Non-Academic Judicial Officer or Hearing Officer may contact other parties who have knowledge/information regarding the incident in question. The charged student waives the right to question such parties or otherwise

participate in the hearing.

NOTE: The Non-Academic Judicial Officer or Hearing Officer may decline to hear the case because of conflict of interest or severity of the case and require either a Formal Administrative or University Judicial Board Hearing be held, where a determination of “responsible” or “not responsible” will be made.

iii. Plead “not responsible” to the charge(s) and request a Formal Administrative Hearing before the Non-Academic Judicial Officer or Hearing Officer. If found responsible by the Non-Academic Judicial Officer or Hearing Officer, an appropriate sanction will be determined by the officer. formal hearing allows the charged party to respond to charges, present witnesses and present questions for the witnesses to answer.

NOTE:

· If at any time during the proceedings a student admits responsibility for the violation, the procedures outlined in Section D.2 will take effect.

· If an accused student fails to respond to the charge(s) and/or fails to respond to the Non-Academic Judicial Officer’s request for an investigative meeting to discuss the alleged violations, he or she forfeits the above options and will be sent a letter as specified under the definition of delivery of written notice at least ten (10) days before the upcoming University Judicial Board hearing. At this hearing a decision of “responsible” or “not responsible” will be made, based on the available information, with or without the accused student being present. When appropriate, a sanction will also be determined and the student will be notified in writing.

· If disciplinary charges are brought against a student during summer sessions, the student will have the option of an Administrative Hearing before the Non-Academic Judicial Officer or Hearing Officer during the summer or a hearing before the UJB in the fall.

E. Following the Hearing or Sanctioning Meeting

1. The Non-Academic Judicial Officer or University Judicial Board Chair shall be responsible for forwarding the written decision of the hearing or sanctioning authority to the charged party as specified under the definition of delivery of written notice. The letter will consist of:

- a. Statement of charges;
- b. Findings of the hearing authority and the rationale for the findings, if appropriate;
- c. Sanction(s) and the rationale for the sanction(s), if appropriate; and
- d. Statement regarding the right to appeal and the appeal procedures, if appropriate.

2. student found responsible will have ten (10) class days from the date of documented receipt of the decision letter to submit a written request for an appeal to the Vice Chancellor for Student Life and Services (see “Appeals Procedures). The appeal request must state the reason(s) for believing the decision of the original hearing authority to be improper. If there is no appeal within this time limit, the Non-Academic Judicial Officer will implement the sanction.

F. Appeal Process

1. In the event the charged student disagrees with finding of responsibility or sanction of any original hearing or sanctioning meeting, the charged student may request an appeal in writing to the Vice Chancellor for Student Life and Services within ten (10) class days from the date the original decision was issued. In the case of an appeal, original sanctions (except summary suspension) are normally postponed until the

Vice Chancellor makes a decision on the appeal.

2. If the student has not met with a Judicial Procedures Advisor (in the case of a minor violation), one will be appointed at this time.
3. The request for appeal will be by letter addressed to the Vice Chancellor and will state the reasons for believing the decision of the original hearing or sanctioning authority to be improper. The appeal must be based on and limited to one or more of the following aspects of the original hearing or sanctioning meeting:
 - a. The finding of responsibility was not supported by reliable and substantial evidence presented at the original hearing;
 - b. The disciplinary sanction was too severe;
 - c. A procedural error was committed which prejudiced the outcome of the case;
 - d. The original hearing authority misinterpreted the rule or regulation under which the student was charged to the prejudice of that student.
4. The Vice Chancellor will review all materials pertaining to the case and arrive at decision within ten (10) class days. The Vice Chancellor may or may not summon any principal in the case. The Vice Chancellor may either confirm or reverse the decision of the Non-Academic Judicial Officer or UJB, or may reduce the sanctions. If the Vice Chancellor determines that new information is available that was not available at the time of the original hearing or sanctioning meeting and that this information may have altered the outcome of the original hearing, the case may be remanded to the original hearing authority.

NOTE: The Vice Chancellor for Student Life and Services may decline to serve as an appeal authority if he/she has had extensive involvement in the case (such as in the case of summary suspension).

5. The Vice Chancellor will notify the student in writing of the decision and deliver the letter as specified under the definition of delivery of written notice. The Non-Academic Judicial Officer will implement the decision.
6. Decisions of the Vice Chancellor may be appealed to the Chancellor of the University of South Carolina Aiken within ten (10) class days of the date of documented receipt of the written decision of the Vice Chancellor.
7. The Chancellor will review all materials pertaining to the case and arrive at a decision within ten (10) class days. The Chancellor may or may not summon any principal in the case. The Chancellor may either confirm or reverse the decision of the Vice Chancellor or may alter the sanctions. The Chancellor may not impose penalty stronger than that imposed or confirmed by the Vice Chancellor. decision of the Chancellor in an appellate matter is the final decision for the University. Written notification of the Chancellor's decision will be delivered as specified under the definition of delivery of written notice to the student who has made an appeal, and copies will be sent to the Vice Chancellor, the Non-Academic Judicial Officer, and any other hearing officers involved in the case.

G. Sanctions

The following disciplinary sanctions may be imposed upon students found in violation of the Non-Academic Code of Conduct. Sanctions may be imposed either singularly or in combination. The purposes of imposing sanctions are twofold: one, to protect the University community from behavior which is detrimental to the community; and two, to educate students about acceptable parameters and the consequences of their behavior. The severity of the sanction imposed is intended to correspond with the severity or frequency of violations as well as the student's willingness to recommit himself or herself to good citizenship through behaviors that fall within the conduct regulations of the University.

Failure to comply with a disciplinary sanction or condition will result in a “HOLD” being placed on the student’s official university record or transcript and will result in further disciplinary charges.

1. Expulsion

Dismissal from the University without the possibility of readmittance. The Non-Academic Judicial Officer shall automatically refer this sanction to the Vice Chancellor for Student Life and Services for review prior to implementation. In the case of suspension, immediate steps will also be taken to remove the student from the USC Aiken campus.

2. Suspension for a Period of Time

a. Denial of enrollment, attendance, and other privileges at the University for specified period of time. Permission to reapply for readmission upon termination of the period may be granted with or without qualifications.

b. Any student suspended for a period of time must vacate the campus within forty-eight (48) hours from the date the notice of suspension is delivered as specified under the definition of delivery of written notice and may not return to campus or University property during the term of the suspension without prior permission of the Non-Academic Judicial Officer.

3. Suspension Held in Abeyance

a. A sanction given for a period of time, which indicates that the serious nature of the conduct violation would normally result in a student’s suspension from the University, but given the extenuating circumstances, this suspension is not immediately put into effect. Any serious violation of rules, regulations or laws while the suspension is held in abeyance may result in suspension from the university.

b. In the event a student is accused of violating the conditions of a suspension held in abeyance, the student will be notified to appear before the original hearing authority or other appropriate authority. This hearing authority will determine whether or not there is sufficient information to determine that the terms of the suspension held in abeyance were violated. If the terms of the suspension held in abeyance were violated, the student will be given an opportunity to show cause why he or she should not be suspended. The original hearing authority will make a decision as to whether the student should be suspended immediately or the initial sanction should remain in effect.

4. Disciplinary Probation

Disciplinary probation is a period of review and observation during which a student is under an official warning that his or her misconduct was very serious. While on disciplinary probation, a student may be considered to be “not in good standing” and may face specific limitations on his or her behavior and/ or University privileges (see Conditions). Subsequent violations of university rules, regulations, or policies are likely to result in a more severe sanction including suspension from the University.

5. Conditions

Conditions include limitations upon a student’s behavior and/or University privileges for a period of time, or a stipulation in conjunction with another sanction. This sanction may include, (but is not limited to): denial of the right to represent the

University in any way, restrictions on participation in co-curricular activities, denial of parking privileges or access to campus facilities including computer labs or the Wellness Center.

6. Reprimand

reprimand is an official rebuke making conduct matter of record in University files. Any further misconduct could result in further disciplinary action.

7. Restitution

An order to make restitution is issued when a student has engaged in conduct injurious to property (individual, group, or the University) for which monetary damages may be ascertained. For example, this sanction may be assessed in cases of property damage, theft, fraud, deception, or misappropriation.

8. Educational Sanction

Educational sanctions may include, but are not limited to, attendance at or participation in a program or community service, program development, and researching and writing a paper on a topic related to the violation.

H. Fines

Fines can be levied when appropriate or dictated by policy.

a. Summary suspension is an action which requires a student to immediately leave University property, and not return during the suspension period, and comply with other stated conditions for specified period. Suspension may be imposed upon a student by the Vice Chancellor for Student Life and Services or designee when there is reason to believe, based on available facts, that the student represents an immediate threat to the safety, health or welfare of himself/herself, other persons or property.

b. This action is warranted by potential or threatened danger or disruption, but is indicated only when the serious nature or immediacy of the threat makes it impractical to follow normal disciplinary procedures. Summary actions authorized by this policy include:

1) Temporary suspension of a student's eligibility for enrollment or attendance, as well as denial of the student's access to University facilities or property. A student may be summarily suspended for specified period of time or the suspension may be scheduled contingent upon certain events or conditions.

2) Temporary suspension or limitation of a student's eligibility to enjoy certain kinds of events without the suspension of enrollment status. This summary action may prohibit a student's presence on university property or certain facilities or impose conditions which must be met in order for that student to enjoy certain privileges, participate in activities, or attend events.

c. When a student is summarily suspended, he or she is given a copy of this policy and notice explaining the reason for and duration of the suspension, as well as any conditions that may apply. A student notified of such summary action shall, upon written request, be given an opportunity to meet with the Vice Chancellor for Student Life and Services or designee within ten (10) class days from the date of receipt of the request. This meeting will be held to consider only the following issues related to the summary action:

1) the reliability of information alleging a student's misconduct; and,

2) Whether the conduct or surrounding circumstances reasonably indicate the student's presence on campus or continued unrestricted participation in campus affairs would pose an immediate threat to the safety, health or welfare of persons or property. It is not the purpose of the meeting to hear evidence concerning guilt or innocence of pending or possible charges against the student.

d. Following the imposition of summary suspension, standard University disciplinary procedures will be provided as expeditiously as possible. Unless circumstances render the implementation of standard disciplinary procedures impossible or unreasonably difficult, these procedures will be initiated within ten (10) class days from the effective date of the summary action.

e. Any student who is summarily suspended and returns to the campus or University property and/or violates other stated conditions during the specified period will be subject to further separate action and may be treated as a trespasser. Permission to be on campus for specific purpose (e.g., to take an exam, to consult with the Vice Chancellor for Student Life and Services or to participate in disciplinary procedures) must be requested and obtained in writing or by telephoning prior to any conduct contrary to the suspension or conditions and may be granted by the Vice Chancellor for Student Life and Services.

I. Records

1. Record of Major Violation cases which have been resolved with a sanction

less than suspension will be maintained by the Non-Academic Judicial Officer for a period of 7 years from the date of the last offense. Students graduating before that time may petition the Non-Academic Judicial Officer in writing to request that their records be destroyed upon graduation. Records may be retained by the University beyond the normal 7-year period in special circumstances, including, but not limited to, situations when legal action is taken by any party involved.

When a date for purging records has been reached, records in all formats are to be destroyed. Note: Statistical data may be retained but all information that would identify an individual will be removed.

2. Records where the discipline sanction was suspension will be maintained for a period of at least ten (10) years from the date of the last incident.

3. Persons who are not directly involved with a discipline case, an appellate review of a decision or the enforcement of a sanction will not have access to the record or results of a hearing or sanctioning meeting without a legitimate educational need to know or the authorization of the charged party.

4. Notices of Minor Violations will be kept for a period of 7 years from the date of the last offense, however, will not be classified as official University disciplinary records or provided for authorized inquiry (i.e., background checks for employment, military service or graduate school).

J. Student Arrests

1. Students at the University of South Carolina Aiken are to abide by University regulations as well as local, state, and federal laws. While University regulations are not meant to duplicate general laws, there are some ways in which the lawful interest of the University community coincides with the broader public interests of general laws (see section, "Application of Laws and Regulations"). Therefore, students involved in the commission of offenses against local, state or federal laws are subject to prosecution by those authorities and, in addition, may be subject to University disciplinary action when

their conduct violates University standards.

2. Students who are apprehended and charged by law enforcement agencies with a felony on or off campus are required to inform the Non-Academic Judicial Officer.

3. If disciplinary charges are brought against a student as the result of a felony arrest or conviction, an Administrative Hearing is not a student option and the charges will be heard by the University Judicial Board.

VI. STUDENT ORGANIZATION NON-ACADEMIC DISCIPLINE SYSTEM PROCEDURES

While students act as individuals and are held accountable for these actions under the Non-Academic Code of Conduct, student organizations or groups may be held responsible if there is an appearance that the student's behavior was condoned or can be tied to the group or organization. The system for responding to alleged misconduct by student organizations parallels the system outlined in the Non-Academic Code of Conduct and operates according to the rules and procedures of that system. Areas where the process for adjudication of student organization violations differs from the process outlined in the Non-Academic Code of Conduct are delineated below.

VII. JURISDICTION

The Vice Chancellor for Student Life and Services will serve as the Non-Academic Judicial Officer for Major Violations involving student organizations.

An official representative(s) of the organization will be provided the opportunity to talk with a Judicial Procedures Advisor in all cases except where the organization accepts responsibility for a Minor Violation.

A. APPEAL PROCEDURES

1. In the event the charged student organization disagrees with finding of responsibility or sanction of any original hearing, the charged student organization may request an appeal in writing to the Chancellor of USCA within ten (10) class days from the date the decision is issued.

2. The request for appeal will be by letter addressed to the Chancellor and shall state the reasons for believing the decision of the original hearing authority to be improper. The appeal must be based on and limited to one or more of the following aspects of the original hearing:

a. The finding of responsibility was not supported by reliable and substantial evidence presented at the original hearing;

b. The disciplinary sanction was too severe; c. A procedural error was committed which prejudiced the outcome of the case;

d. The original hearing authority misinterpreted the rule or regulation under which the student was charged to the prejudice of that student.

3. Under normal circumstances, if student organization files for an appeal, the original sanction, except Summary Suspension, will be postponed until the appeal has been considered and a decision is rendered by the Chancellor. Exceptions to the postponement of original sanctions may be implemented by the Vice Chancellor for Student Life and Services when he or she has determined that the continued activities of the organization and its membership may cause an immediate threat and/or undue concern within the University community.

4. The Chancellor will review all materials pertaining to the hearing and arrive at a

decision within twenty (20) class days. The Chancellor may or may not summon any principal in the case. The Chancellor may either confirm or reverse the decision of the Vice Chancellor for Student Life and Services or University Judicial Board, or may alter the sanctions. If the Chancellor determines that new information is available that was not available at the time of the original hearing and that this information may have altered the outcome of the original hearing, the case may be remanded to the original hearing authority.

5. The Chancellor will notify the student organization in writing of the decision and deliver as specified under the definition of delivery of written notice. The Vice Chancellor for Student Life and Services will implement the decision.

6. Decisions of the Chancellor in all appellate matters is the final decision for the University.

B. SANCTIONS

The following disciplinary sanctions may be imposed upon student organizations when they have been found responsible for violating conduct regulations. All sanctions may be imposed either individually or in combination. Disciplinary sanctions are imposed for the purpose of holding student organizations and their membership accountable for their actions and the actions of their guest(s), whether on campus or at any organization-sponsored function.

1. Permanent Revocation

Permanent revocation of the organization's registration means revocation without leave to apply for new registration. Any organization whose registration is permanently revoked must cease all organizational activities upon receipt of the notice of permanent revocation. Any member of an organization whose registration has been permanently revoked will relinquish any appointed or elected office held with that organization's governing body. Balances of all organizational funds granted by the Student Government Finance Committee are to be surrendered to the custody of the SG Finance Committee. Office or other space assigned by the University will be vacated immediately. Space vacated due to suspension may be reassigned to other eligible University organizations.

2. Suspension

Suspension means denial of rights and privileges of a registered organization for a period not to exceed two (2) calendar years. Any organization whose registration is suspended or revoked must cease all organizational activities upon receipt of the notice of revocation or suspension. Any member of a suspended organization may not hold an appointed or elected office with that organization's governing body for the duration of the organization's period of suspension. Balances of all organizational funds granted by the Finance Committee of Student Government are to be surrendered to the custody of the SGA. Suspended organizations will automatically be placed on probationary status for a minimum of one academic year following their renewed registration.

3. Disciplinary Probation

Limitations upon an organization's privileges for a period not to exceed one (1) calendar year are classed as disciplinary probation. Subsequent violations of University rules, regulations, or policies could result in a more severe sanction including suspension. During the probationary period, a student organization is deemed "not in good standing" with the university and may be subject to one or any combination of the following conditions and/or restrictions:

- a. Denial of the right to represent the University;

b. Denial of the right to maintain an office or other assigned space on University property;

c. Denial of the privileges of:

1. Receiving or retaining funding;
2. Participating in intramurals;
3. Sponsoring any social event;

5. Reprimand

reprimand is an official rebuke making the misconduct matter of record in University files for specified period of time. Any further misconduct could result in further disciplinary action.

6. Restitution or Fines

An organization may be ordered to make restitution when the organization has engaged in conduct injurious to property (individuals, group, or University) for which monetary damages may be ascertained. Restitution may be in the form of financial payment, community service, or other special activities designated by the hearing authority. Additional fines may be assessed as punitive measure.

7. Educational Sanction

Educational sanctions may include, but are not limited to, attendance at or participation in a program or community service, or program development.

C. SUMMARY SUSPENSION

1. The Vice Chancellor for Student Life and Services may suspend or restrict a student organization for an interim period pending disciplinary proceedings when there is reasonable cause to believe that the continued activities of the organization and its members may pose an immediate threat to the safety, health, or welfare of individuals or interrupt the normal functions of the University community. During the interim suspension or restriction period, the organization may be required to cease all organizational activities and vacate any assigned University space immediately upon written notice from the Vice Chancellor for Student Life and Services.

2. When a student organization is suspended or restricted, on a summary basis, the organization's acting President will be given notice of the reasons for the suspension or restriction, the duration, and any special conditions that apply. A representative of the suspended or restricted organization shall be given an opportunity to meet with the Vice Chancellor for Student Life and Services within ten (10) class days from the effective date of the temporary suspension or restriction. The meeting will be held to consider only the following issues relating to the temporary suspension or restriction:

- a. The reliability of the information alleging the organization's misconduct; and
- b. Whether the conduct and surrounding circumstances reasonably indicate that

the continued activities of the organization would pose an immediate threat to the safety, health, or welfare, or interrupt the normal functions of the university community.

3. It is not the purpose of the meeting with the Vice Chancellor for Student Life and Services to hear evidence concerning guilt on the pending charges against the organization. A Judicial Board or Administrative Hearing will be conducted to determine responsibility or non-responsibility of the within a reasonable time period and upon notification of all parties intramurals.

I. ADMINISTRATIVE AND UNIVERSITY JUDICIAL BOARD HEARINGS

A. Judicial Procedures Advisor

6. If the Non-Academic Judicial Officer or the Chair of the University Judicial Board cannot appoint any of the ten faculty members in the pool for reasons cited above, the Executive Vice Chancellor or Vice Chancellor will appoint someone from the general faculty after consultation with the Chair of the Faculty Assembly and the President of the Student Government Association.

 - h) ensure that all parties, including members of the UJB, the charged student(s) and the presenting party have access to any evidence to be presented in the hearing.
 - i) moderate the hearing and closed deliberations to ensure fairness to all parties, to prevent the harassment or intimidation of participants, and to conduct an efficient hearing,
 - j) send a letter to the student stating the decision of the UJB, the sanction (if any imposed), and the student's right to appeal, and
 - k) forward the file to the Non-Academic Judicial Officer for violations of the Non-Academic Code and to the Office of Academic Affairs for violations of the Academic Code.
 2. Any member of the UJB may require the Board to go into private session to discuss and decide a matter by majority vote.
 - a. The Chair can recess the hearing at any time.
 - b. The Chair shall insure that all procedures are appropriately followed.
 3. All hearings shall be conducted in an informal manner and technical rules of evidence will not be applied. The involved parties and / or the Board may call witnesses. In addition to the UJB, the charged student(s) and presenting party have the right to ask questions of these witnesses; however all questions must

be directed to the UJB chair. Only UJB members and the accused party(ies) will have the right to question witnesses. Counsel may not speak on behalf of the student. The taking of statements of witnesses may be done by discussion, though the testimony of each witness may be subject to question and rebuttal. Witnesses shall be present only during the time they are testifying. While written statements are admissible, both the charged party and the presenting party shall have the opportunity to question and rebut this testimony, unless extenuating circumstances preclude this option.

 - b. The charged student may request a duplicate copy of the recording at his/her own expense within a period of six (6) months from the date of the hearing.
4. After all information has been presented, the UJB shall meet in private to discuss the case, reach its decision, and, if appropriate, determine a sanction. Determination of responsibility must be agreed upon by at least two-thirds of the members of the UJB. If the UJB determines the student has violated the Non-Academic Code of Conduct or the Academic Code of Conduct, the student's past record of violations will be presented to the UJB in the presence of the charged student, who may comment on the past record. This information will be presented to the UJB by the Non-Academic Judicial Officer for violations of the Non-Academic Code of Conduct, or by the Academic Judicial Officer for violations of the Academic Code of Conduct. The UJB will consider this record in determining an appropriate sanction. The UJB may impose sanctions or it may confirm, alter or reverse previously imposed penalties. Only UJB members will be present during deliberations and any determination of sanctions.
 5. Once the UJB has reached a decision, the principal parties will be informed in writing by certified mail within 2 class days. The records of the hearing will be forwarded to the Non-Academic Judicial Officer in hearings involving violations of the Non-Academic Code of Conduct, or to the Office of Academic Affairs in hearings involving violations of the Academic Code of Conduct. In hearings for academic violations, the Office of Academic Affairs will inform the Department Chair/School Head and the faculty member of the UJB decision.

All records of hearings for violations of the Non-Academic Code shall be kept in a confidential file maintained and preserved by the Non-Academic Judicial Officer. All records of hearings for violations of the Academic Code of Conduct shall be kept in a confidential file maintained and preserved by the Office of Academic Affairs.

STUDENT GRIEVANCE PROCEDURE

A. PURPOSE

The purpose of the student grievance procedure is to provide each student enrolled at USCA with a standardized, formal process for seeking a resolution when, in the student's judgment, he/she has been treated unfairly or improperly. Students seeking redress of grievances may do so without fear of reprisal. Students enrolled in USCA off-campus programs, once a Change of School Form has been completed, shall be entitled to

relief from any academic complaint or grievance through the student grievance procedure established in the applicable USC Regional Campus Student Handbook. After a judgment has been rendered on that campus, an appeal to the Executive Vice Chancellor for Academic Affairs at Aiken and a subsequent appeal to the USC Aiken Chancellor may be made.

B. DEFINITIONS

Class Day

A class day is any weekday in which the University is in session according to the academic calendar. If the student is unable to meet stated deadlines due to the end of the semester or due to the summer school schedule, the student must, within ten (10) days of receipt of notification of being charged with a violation of the academic or nonacademic code of conduct, notify the appropriate Judicial Officer or Chair of the University Judicial Board that he/she intends to file a formal response to the charge when classes resume at the beginning of the next full semester.

Delivery of Written Notice

All written communications with the student in the grievance procedure must be delivered either by certified mail or delivered in person, with a signed and dated acknowledgement of receipt.

Judicial Officer

The Assistant Vice Chancellor for Academic Affairs will serve as the Judicial Officer for grievances against faculty or staff members in the Offices of Academic Affairs, Academic Success, Institutional Effectiveness, Instructional Services or any academic department or school. The Assistant Vice Chancellor of Student Life will serve as the Judicial Officer for grievances against any other staff member. If the grievance is against the Assistant Vice Chancellor for Academic Affairs or the Associate Director of Housing and Judicial Affairs, the immediate supervisor will serve as the Judicial Officer.

Judicial Procedures Advisor

A Judicial Procedures advisor is a faculty member who serves as an advisor to a student or student organization. The Judicial Procedures Advisor is an ex-officio participant in any student grievance procedure. The Judicial Procedures Advisor will maintain an objective position in advising the student or student organization. The Judicial Procedures Advisor is not an advocate who sides with either principal party involved in the grievance procedure an advisor to guide the student in the procedures and in the unbiased collection of evidence to be used at a hearing, if such is necessary.

Senior Administrator

Senior Administrators are university administrators who report directly to the Chancellor of USC Aiken and include the Executive Vice Chancellor for Academic Affairs, the Vice Chancellor for Student Life and Services, the Vice Chancellor for Business and Finance, the Vice Chancellor for Enrollment Services, the Vice Chancellor for Advancement, and the Vice Chancellor for Information Technology.

Student Grievance Committee

The Student Grievance Committee is comprised of the chair (a faculty member who also serves as the chair of the University Judicial Board), three faculty members and three students appointed by the chair from the UJB pool, and two staff members or administrators who are chosen by the chair from a pool of five (5) staff members appointed by the Chancellor by April 30 of each academic year. The chair, three students, three faculty members and the two staff persons or administrators constitute a quorum of the Committee. If any member of the Student Grievance Committee is involved in the grievance, that member will be excluded from all deliberations concerning the grievance. Temporary replacement members of the committee will be appointed by the Chair of the Student Grievance Committee.

C. GRIEVANCES

Unfair or improper treatment of a student by a faculty/ staff member may be defined as:

1. An instructor's or staff member's failure to abide by stated University policies (including policies related to the adverse effects on a student's academic standing due to problems in the instructor's ability to write or speak English) or state law; or an instructor's failure to abide by written or stated course requirements.
2. An instructor's prejudiced or capricious evaluation practices which result in grades being assigned based on factors other than the student's performance on coursework. The procedures herein shall not extend to matters of grading student work where the substance of a complaint is based on the student's disagreement with the mark or grade placed on the student's work in partial or complete fulfillment of the course. Such matters shall be discussed by the student and the faculty member; however, the final decision regarding grade assignment rests solely with the faculty member. This responsibility for the assessment of student academic performance is integral to the nature of an academic institution and to the professional competency of its professoriate.
3. Discrimination against students by faculty or staff in academic or nonacademic matters for reasons of race, color, national origin, religion, sex, age, disability or veterans' status.
4. Improper personal or professional behavior involving faculty, staff or administrators, excluding charges of sexual misconduct which are addressed by the USC System Sexual Harassment Policy. In addition to sexual harassment, the following issues cannot be addressed using this grievance procedure: disciplinary decisions, housing appeals decisions, residency classification decisions, traffic appeals decisions or any other type of decision where a clearly defined appeal process exists.

D. GRIEVANCE PROCEDURES

All student grievances must follow the steps outlined below and meet all time requirements.

If at any point during the grievance process someone fails to act within the requisite number of days, the principal parties in the grievance may appeal to the next step. Changes in the time requirements may be made if both parties involved in the grievance agree. At any time during the grievance process, the student may request the appropriate Judicial Officer to appoint a Judicial Procedures Advisor to assist with the process.

Step 1: If a student believes that he or she has been treated unfairly or improperly by a faculty or staff member, the student must schedule a conference with the faculty/staff member to discuss the matter within ten (10) class days of the incident/situation in question. The faculty/staff member must agree to meet with the student within five (5) class days of the request. The student must explain his or her position to the faculty/staff member and attempt to understand the justification for the faculty/staff member's

actions. The purpose of this meeting is to attempt to reach a mutual understanding and to resolve all differences in an informal, cooperative manner.

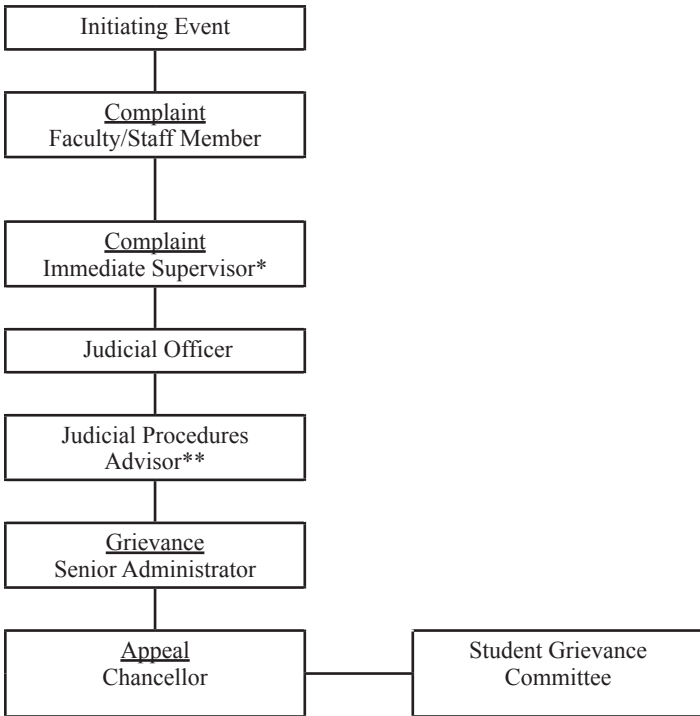

Step 2: If the student is not satisfied with the result of this informal meeting, the student must submit a written request for a formal meeting to the faculty/staff member's immediate supervisor to discuss the student's complaint within five (5) class days of the meeting. The written request should include the name of the individual whom the student is submitting a complaint against, a brief explanation of the complaint and the action taken thus far (in Step 1). The supervisor must meet with the student, interview the individual against whom the complaint is being made, and deliver a written response as specified under the definition of delivery of written notice to both parties within ten (10) class days of receipt of the student's request. In cases where there are intermediate supervisors between the immediate supervisor and the senior administrator, this step will be repeated for each intermediate supervisor. If the complaint is lodged against a senior administrator or the immediate supervisor is a senior administrator, the student should skip Step Two and proceed to Step Three.

Step 3: If the student is dissatisfied with the results of the meeting with the immediate supervisor (and intermediate supervisor, if applicable), the student must submit a written request to the appropriate Judicial Officer within five (5) class days for a formal meeting with a Judicial Procedures Advisor. The Judicial Officer will appoint a Judicial Procedures Advisor and inform the student of the appointment within five (5) class days of receiving the written request. The Student will meet with the Judicial Procedures Advisor within five (5) class days of the appointment. The student has five (5) class days from the meeting with the Judicial Procedures Advisor in which to file a written grievance and deliver it as specified under the definition of delivery of written notice to the appropriate senior administrator. The written grievance should specifically state what the student is grieving and provide an outline of the charges and dates/ times of pertinent events, including the action taken thus far. Grievances against administrators reporting directly to the Chancellor will be sent to the Chancellor, who will assign another senior administrator to conduct the grievance hearing and make a recommendation to the Chancellor.

Step 4: Within five (5) class days the appropriate senior administrator will schedule a grievance hearing that must include all parties directly involved with the grievance. The hearing will be recorded by the senior administrator and these recordings will be maintained by the USCA Director of Human Resources. The senior administrator must render a decision and notify the parties involved and the immediate supervisor as specified under the definition of delivery of written notice within ten (10) class days of the hearing. The decision will also include notice of the student's right to appeal to the Chancellor. * In cases where there are intermediate supervisors between the immediate supervisor and the senior administrator, the grievance will follow the chain of command. If the complaint is against a senior administrator or someone who reports to a senior administrator, Step 2 is skipped.

** The student may request a Judicial Procedures Advisor at any time during the grievance procedure. A JPA is required prior to meeting with the senior administrator.

STUDENT GRIEVANCE PROCEDURE

E. APPEALS

Step 1: If the student is not satisfied with the decision of the appropriate senior administrator and chooses to appeal, the student may submit a written appeal to the Chancellor. This appeal must be delivered as specified under the definition of delivery of written notice within five (5) class days after the appropriate senior administrator's decision is received and must include a reason for the request for review, an outline of the charges and dates/ times of pertinent events, and a list of any witnesses who may have given testimony.

Step 2: The Chancellor will forward the appeal to the Student Grievance Committee for its review. The Student Grievance Committee serves in an advisory capacity only. Prior to the meeting of the Student Grievance Committee, the Chair will send the student written notice of the meeting, including names of the individuals who will be serving on the committee. The student has the right to challenge Student Grievance Committee members for cause. Cause is defined as personal bias, prior involvement or inappropriate access to information concerning the case. During closed deliberations, the Committee will consider the request for review and any documentation relevant to the case and may call relevant parties, including witnesses, to clarify the record. The student has the right to appear before the Committee. The Committee must submit a report of its findings and recommendations to the Chancellor within ten (10) class days of receipt of the request. The final Committee report may contain majority and minority recommendations.

Step 3: The Chancellor must review the appeal and the report from the Student Grievance Committee and may review any records or recordings related to the case and talk with

anyone involved in the case or the review of the case prior to making a decision on the case. The Chancellor must render a decision within ten (10) class days of receipt of the report from the Student Grievance Committee. A written statement of the Chancellor's decision will be delivered as specified under the definition of delivery of written notice to the parties directly involved, the appropriate supervisor(s), the appropriate senior administrator and the Chair of the Student Grievance Committee. A record of each grievance brought to the attention of a senior administrator will be kept in a secure file in the office of the Director of Human Resources.

POLICY ON THE USE OF ALCOHOL BY STUDENTS

This policy governs students' consumption of alcohol (defined as beer, wine, and distilled spirits) on the University of South Carolina Aiken campus and at University-sponsored off-campus events. Based on a concern for the welfare of all student members of the University community and in keeping with state and local laws, this policy is designed to promote the responsible use or non-use of alcoholic beverages. Consistent with our institutional mission statement, USCA values responsible citizenship. Students are expected to assume responsibility for their own behavior while consuming alcoholic beverages and to understand that being under the influence of alcohol in no way lessens accountability to the University and the community. Behavior and conduct by students whose judgment is impaired due to substance abuse and which interferes with the decorum and atmosphere of the University will not be tolerated. As members of the University community, students are expected to comply with and abide by all of the laws and policies stated below.

I. South Carolina Law

It is against South Carolina law and USCA policy to:

- A. purchase, possess* or consume any alcoholic beverage if you are under the age of twenty-one
- B. provide any alcohol to a person under twenty-one by transfer, gift or sale

II. Local Ordinance (City of Aiken)

It is against local ordinance and therefore University policy to consume alcohol in public within the city limits. Pacer Downs and Pacer Commons are located within the city limits. Therefore, consuming alcohol on apartment balconies or on the grounds of Pacer Downs, Pacer Commons, or Pacer Crossings is a violation of this local ordinance and University policy.

- A. This policy is subject to change to comply with new local, state, or federal laws or changes in University operating procedures pertaining to the possession and consumption of alcoholic beverages.
- B. Legal consumption of alcohol is permitted only at events and locations approved by the Chancellor or a designee. - I. Regardless of the age of the student, the abuse of alcohol that results in significantly impaired behavior is considered a violation of the alcohol policy.
- J. If a student fails to comply with the request of a University Police Officer to complete a sobriety test, it will be considered an automatic admission of having consumed alcohol.

IV. Sanctions

Individual students or student organizations who violate USCA policies are subject to civil, criminal and University proceedings and sanctions. The University campus is not a sanctuary that relieves students of their responsibilities as citizens to abide by local, state and federal laws, and University regulations, policies, and procedures. Violations of this Campus Alcohol Policy will be referred to appropriate University agencies. Students and student organizations may be subject to sanctions by more than one appropriate agency. Sanctions for the violation of University policies are based on the severity and frequency of violation. Sanctions may include, but are not limited to: referral to on or off-

campus alcohol assessment and/or counseling, alcohol education, community service, disciplinary probation, suspension of individual students, suspension from use of University facilities for a designated period of time, and suspension of student organization status.

V. Related Issues

- A. Students or student organizations suspected of violating federal, state or local laws may be subject to University judicial proceedings. Disciplinary action may be imposed by the University under the USCA Code of Conduct, whether or not a civil or criminal conviction is made.

- C. USCA Student Activities funds may not be used to purchase alcohol for any on or off-campus event.
- D. Students who are apprehended and charged by law enforcement agencies with alcohol-related criminal conduct off campus are required to inform the Director of Housing and Judicial Affairs.

VI. Parental Notification Policy

In 1998, changes in the law that governs the privacy of student records, the Family Educational Rights and Privacy Act (FERPA), permitted colleges and universities to inform the parents/guardians of students under the age of 21 when they determined the student violated University alcohol and drug policies. We at the University of South Carolina Aiken believe such notification can help us in educating our students. While we constantly strive to educate and empower students to make more responsible decisions about drug and alcohol usage, we know that the support of parents in this process is critical. The University of South Carolina Aiken typically exercises its right to notify parents of students under 21 in the following situations:

- Cases involving drug violations
 - Repeat or serious alcohol violations
- The University also reserves the right to

Students with drug problems may seek confidential counseling and advice through the USC Aiken Counseling Center and the USC Aiken Student Health Center. A list of additional resources can be found in the USC Aiken Student Handbook. Although the University recognizes the need for providing remedial services, it does not intend to shelter persons who violate state or federal drug or narcotics laws. University officials will assist and cooperate with law enforcement personnel as they perform their duties in controlling drug abuse. Students charged

with violating state and federal laws are subject to further disciplinary action by the University.

(Students who are apprehended and charged by law enforcement agencies with drug-related criminal conduct, off campus are required to inform the Director of Housing and Judicial Affairs).

2. University Disciplinary

In addition to any federal and state charges, a student is subject to disciplinary action through the University judicial process. This process may precede criminal

At the University of South Carolina Aiken, we believe such notification can help us in educating our students. While we constantly strive to educate and empower students to make more responsible decisions about drug and alcohol usage, we know that the support of parents in this process is critical. The University of South Carolina Aiken typically exercises its right to notify parents of students under 21 in the following situations:

- Cases involving drug violations
- Repeat or serious alcohol violations

The university also reserves the right to notify parents for first alcohol violations if deemed appropriate.

IV. Future Revisions

The University of South Carolina Aiken reserves the right to update this policy. Students are responsible for being aware of changes as they are disseminated to the campus community.

RACIAL HARASSMENT POLICY

It is the policy of the University of South Carolina Aiken to conduct and provide programs, activities and services to students, faculty and staff in an atmosphere free from racial harassment. Racial harassment is any behavior that would verbally or physically threaten, torment, badger, heckle or persecute an individual because of his/her race.

Racial harassment of University faculty, staff, students or visitors is prohibited and shall subject the offender to appropriate disciplinary action.

This administration has an open door policy for any student who feels he or she

has been subjected to racial harassment or discrimination. Students are urged to contact the Vice Chancellor for Student Life and Services, Student Activities Center, in the event that you have a grievance. Unclassified faculty can seek advice from the Vice Executive for Academic Affairs; unclassified administrators and classified staff may seek advice from the Human Resources Office.

SEXUAL HARASSMENT POLICY

It is the policy of the University of South Carolina Aiken, in order to maintain an environment in which the dignity and worth of all members of the institutional system are respected, that sexual harassment of employees or students is prohibited. Such conduct is a form of behavior which seriously undermines the atmosphere of trust essential to the academic environment. This policy is consistent with federal and state laws prohibiting sex discrimination. It is also a policy of the University that willful false accusation of sexual harassment shall not be condoned.

The full text of the policy is located in the Office of Human Resources or can be found at www.sc.edu/policies/eop102.html.

SEXUAL ASSAULT POLICY STATEMENT

It is the policy of the University of South Carolina Aiken, in order to maintain an environment in which the dignity and worth of all members of the institutional system are respected, that sexual harassment of employees or students is prohibited. Such conduct is a form of behavior which seriously undermines the atmosphere of trust essential to the academic environment. This policy is consistent with federal and state laws prohibiting sex discrimination. It is also a policy of the University that willful false accusation of sexual harassment shall not be condoned. The full text of the policy is located in the Office of Human Resources or can be found at www.sc.edu/policies/eop102.html.

Rationale

The University of South Carolina Aiken is an educational institution bound by common standards of conduct and a commitment to its educational mission. Sexual assault is considered particularly abhorrent because it interferes with our educational mission:

- by endangering the physical and emotional safety;
- by damaging trust;
- by offending the dignity and violating autonomy;
- by disrupting the academic progress of victims during their recovery

The purpose of this policy statement is to describe the University's efforts to provide:

- resources aimed at reducing the risk of sexual assault, including educational programs for men and women;
- a statement of expectations for behavior with regard to sexual conduct;• procedural interventions to offer support and information following a sexual assault; and

- campus judicial procedures that provide for the needs of victims and protect the rights of alleged assailants.

Statistically, members of college communities are at great risk of being assaulted or exploited sexually and most probably by someone known to or trusted by the victim. Studies have shown that sexual assaults occur with disturbing frequency among college age men and women but are very often unreported. In order to provide for the needs and care of victims, as well as to enforce the behavior standards critical to our mission, it is important that all violations of this policy are reported to appropriate authorities, including the law enforcement officials or agencies with jurisdiction in the location of the incident. Portions of this policy may parallel published laws, but are in no way intended to substitute or supplant those laws. USCA students are expected to comply with and abide by University policies and the laws of the State of South Carolina.

Because research has shown that alcohol and other drug use is typically associated with sexual assault, especially date and acquaintance rape, it is important to be aware of and manage health and safety risks while complying with all University policies, and state and federal laws related to alcohol and drug use. The use of these substances, in conjunction with an incident of sexual assault, does not mitigate responsibility or diminish the seriousness of the crime. This policy is subject to change to comply with changes in relevant laws or University operating procedures or regulations.

Victim's Bill of Rights

Victims of sexual assault who report their experience to University officials can anticipate that:

1. All sexual assaults will be treated seriously.
2. Victims will be treated with dignity and respect and in a non-judgmental manner.
3. Campus organizations and services which can assist victims will be identified.
4. When a crime is reported to University officials, those officials will offer assistance in notifying proper authorities.
5. When victims report and choose to pursue action against alleged assailants, assaults will be investigated and adjudicated by appropriate criminal and/or University officials.
6. University personnel will not discourage victims from reporting, nor encourage them to under-report the incident as a lesser crime.
7. Victims may invite an advisor they choose to accompany them through University disciplinary proceedings.
8. A victim will be notified of the outcome of related University discipline proceedings and has the rights to appeal the outcome. The victim and charged student must respect the privacy rights of all involved.
9. University personnel will cooperate in obtaining, securing and maintaining evidence (including a medical examination) necessary in legal proceedings.
10. Victims will be made aware of any state or federal laws regarding

mandatory testing of sexual assault suspects for communicable disease and whether these professionals can notify a victim of the results of these tests.

11. Victims will be informed of mental health services available.

12. Victims will be afforded the opportunity to request immediate on-campus housing relocation, transfer of classes, or other steps to prevent unnecessary or unwanted contact or proximity to an alleged assailant when reasonably available.

13. All students have the right to an environment free from sexual or physical intimidation, or any continuing disruptive behavior, by persons sharing rooms or their guests, that would prevent a reasonable person from attaining their educational goals. Disruptive behavior of this nature should be reported to appropriate University staff, so it can be addressed.

14. The sexual history of the victim is not considered relevant to the truth of the allegation; therefore, information regarding sexual history external to the relationship between the victim and the alleged assailant will not be considered in discipline hearings.

University Definitions:

For the purpose of this policy and related procedures, the term sexual assault is defined as “unwilling or unconsenting sexual intercourse or penetration of any bodily opening with any object; the touching of an unwilling person’s intimate parts (such as genitalia, groin, breast, buttocks, mouth, and/ or clothing covering them); touching an unwilling person with one’s own intimate parts; or forcing an unwilling person to touch another’s intimate parts.”

Behavior contemplated in this definition includes acts that are unwanted and/ or may be committed either by force, threat, intimidation, or deceit, or through exploitation of another’s mental or physical condition of which the assailant was aware or should have been aware.

USCA student conduct regulations incorporate this definition by obliging students to comply with all published policies and procedures of the University (see USCA Student Handbook). Behaviors prohibited by this policy may also be prohibited by the general student conduct regulations obliging students to comply with all published state, local and federal (see “Compliance with General Laws” under “Student Discipline System” in the USCA Student Handbook).

Such behaviors may also be simultaneously covered by the general regulations prohibiting “disruptive activity” and “disorderly conduct”. Attempting, abetting or being an accessory to any prohibited act is considered the same as a completed violation.

Criminal Definition:

By publishing this policy, USCA does not intend to substitute or supersede related civil and criminal law. It is the policy of this institution to strongly encourage victims to report all incidents and violations to the law enforcement

agencies or officials with appropriate jurisdiction and to avail themselves of all the services and rights to which they are entitled by law.

It should be clearly understood that there is a fundamental difference between the nature and purpose of student discipline and criminal law. Regardless of the charge(s) issued or procedures employed, sanctions issued by the University can be expected to be consistent with the educational mission of the institution. According to USCA's Student Handbook, Student Discipline section, students who are apprehended and charged by law enforcement agencies with felony criminal charges off campus are required to inform University officials. The University may bring disciplinary action against the student for the same incident if the alleged conduct is prohibited by the institution and/or if it is judged to be adverse to the recognized mission of the institution. University disciplinary procedures should be considered distinct and independent of any and all criminal procedures. Discipline procedures may precede, occur simultaneously, or follow and consider the results of any relevant court action. When necessary, temporary action may be taken in the form of summary suspension, summary restrictions or officially requesting no contact between the victim and accused assailant. Any of these measures may result in a student's restricted participation in University events outside attendance of classes and appointments related to the resolution of discipline matters.

The South Carolina State Code of Laws (SC Code Ann. Sec. 16-3-651 to 16-3-656) defines criminal sexual conduct, including rape, with the respective penalties as follows:

Sec. 16-3-651. Definitions used in sections 16-3-651 to 16-3-659.1.

For the purposes of sections 16-3-651 to 16-3-659.1:

- (a) "Actor" means a person accused of criminal sexual conduct.
- (b) "Aggravated coercion" means that the actor threatens to use force or violence of a high and aggravated nature to overcome the victim or another person, if the victim reasonably believes that the actor has the present ability to carry out the threat, or threatens to retaliate in the future by the infliction of physical harm, kidnapping or extortion, under circumstances of aggravation, against the victim or any other person.
- (c) "Aggravated force" means that the actor uses physical force or physical violence of a high and aggravated nature to overcome the victim or includes the threat of the use of a deadly weapon.

Procedures for Victim:

A. Immediate Care and Treatment

Medical attention is crucial to assess possible internal injuries or sexually transmitted diseases, as well as to collect medical evidence should the victim choose to pursue prosecution. The police will be contacted by the hospital to take possession of the evidence collected while the victim makes a decision about whether to pursue charges. Any student who feels that he or she has been sexually assaulted and requires medical attention should immediately:

If an assault occurs on campus:

Contact University Police at 648-4011 (6111 from a campus phone extension); or Rape Crisis Center at 641-4162 (after hours and weekends at 648-9900). The sooner a sexual assault is reported, the easier it is to collect valuable evidence.

To facilitate evidence collection, the victim:

- Should not bathe or douche.
- Should not urinate.
- Should not drink any liquids.
- If oral contact has occurred, the victim should not smoke, eat or brush teeth.
- If clothes are changed, soiled clothes should be placed in a paper bag (plastic destroys crucial evidence).

University Police may transport the victim to Aiken Regional Medical Center for medical attention and a rape protocol exam. If the victim does not want to contact the police, a friend or relative may transport the student to the hospital. When the victim arrives at the emergency room, the hospital may call the Rape Crisis Center to arrange for a victim advocate to accompany the victim throughout the exam and any law enforcement procedures. The hospital staff may also contact University Police and/or the police where the incident occurred.

If an assault takes place on campus:

A. Contact area police via 911 system (Aiken County) or if no 911 system is available, call your local police, or in Aiken call the Rape Crisis Center at 641-4162 (after hours and weekends at 648-9900). The sooner a sexual assault is reported, the easier it is to collect valuable evidence. To facilitate evidence collection, the victim:

- Should not bathe or douche.
- Should not urinate.
- Should not drink any liquids.
- If oral contact has occurred, the victim should not smoke, eat or brush teeth.
- If clothes are changed, soiled clothes should be placed in a paper bag (plastic destroys crucial evidence).
-

The police department with jurisdiction in the area will most often direct the

victim to an area hospital for medical attention and a rape protocol exam. If the victim does not want to contact police, a friend or relative may transport the student to the hospital. When the victim arrives at the emergency room, the hospital staff may call a Rape Crisis Center in that area and/or may contact the local police where the incident occurred. The hospital staff may also contact USCA University Police.

If a victim chooses not to go to the hospital, the victim is strongly urged to seek appropriate medical attention.

B. Reporting

All victims of sexual assault/battery are encouraged to report the incident to law enforcement agencies. Should the victim choose not to immediately involve law enforcement officials, the victim is strongly urged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault. This evidence may be used if the victim chooses to pursue legal prosecution at a later date. The rape protocol exam should be completed as soon as possible. Physical evidence can be obtained up to 72 hours after the assault, recognizing that as time passes, the quality of the evidence diminishes. A student victim may also choose to file a report with the Judicial Hearing Officer or the Director of the Counseling Center. An explanation of this procedure can be obtained in the student handbook. The disciplinary procedures are also described in a separate section below and published in the student handbook.

Whether or not legal or disciplinary action is desired, an anonymous report may be filed, at any time, with the Director of the Counseling Center. This report provides USCA staff with information about the crime that may be valuable in their efforts to prevent future crimes and educate other students about the high risk areas. The Director of the Counseling can be reached by calling 641-3609.

C. Discipline Policies and Procedures for Victim and/or Witness:

Witnesses to or victims of the above described sexual misconduct may wish to contact the Judicial Hearing Officer if the accused is a USCA student. In this event, the Judicial Hearing Officer will meet with the witness or victim to discuss the report and determine whether there is reason to believe a conduct code offense has occurred. At the same time, discipline procedures will be reviewed and the possible roles the witness or victim may play in the gathering of this information and/or the resolution of the complaint will be explored. At this meeting, if the victim or witness is willing and prepared, staff may conduct an investigative interview. At the victim's or witness's request, an advisor, counselor, attorney, parent, friend or the Director of the Counseling Center may attend. In this meeting, and as needed, the Associate Chancellor will answer questions and provide offended individuals with general information about civil and criminal options available to victims or witnesses.

When it is determined that there exists sufficient reason to believe a violation of University policy has occurred, disciplinary procedures may be initiated. It should

be understood that victims and witnesses need not “press charges”, instead, the University is responsible for initiating this investigative process. Furthermore, the University is not required to await the outcome of any criminal action against the accused before initiating disciplinary action, if such is deemed necessary. Victims or witnesses can expect to be asked to contribute testimony and information to assist in the resolution of the complaint.

D. Follow-up and Recovery Services for Victim

Research has shown that follow-up counseling is of significant benefit to a victim of sexual assault and/or related trauma. This counseling may be initiated at anytime after an assault (from hours to years). On or off campus counseling and other services are available to a student victim whether or not the crime was reported or prosecuted.

The Rape Crisis Center (division of the Cumbee Center to Assist Abused Persons “CAAP”) is an off-campus resource that provides short-term counseling, as well as crisis intervention. Services are provided for all victims, no matter when the assault occurred. Their 24-hour hotline number is 641-4162. A representative from the Cumbee Center works in the USCA Counseling Center at least one day each week and can be contacted at 641-3609.

The Counseling Center is an on-campus resource that provides free counseling to students. The phone number is 641-3609. They also assist a victim with filing a discipline complaint, notifying instructors of absences or other needs, and/or helping a student withdraw.

The Vice Chancellor for Student Life and Services can assist a victim with filing a discipline complaint, notifying instructors of absences or other needs, and/or helping a student withdraw. The phone number is 641-3588.

Procedures for Accused Party

A. Discipline Policies and Procedures for Accused Party.

To begin discipline procedures, individuals thought to have relevant information or testimony, including the accused party, will be contacted and interviewed by appropriate University officials. If sufficient information is available to conclude there is reason to believe, or “reasonable grounds” to do so, the University will issue charges from the general student conduct regulations and will follow the judicial procedures for non-academic offenses as set forth in the USCA Student Handbook.

A summary of this procedure follows:

- The accused party will be offered the opportunity to choose one of two possible hearing procedures. Note: Under certain circumstances outlined in the Student Code of Conduct, an administrative hearing is NOT an option. The Non-Academic Judicial Officer or Hearing Officer may decline to hear the case in this manner due to conflict of interest or severity of the case (felony arrest) and request

a University Judicial Board Hearing be held.

- The accused party may choose a formal administrative hearing, in which the University’s Judicial Officer or designee is authorized to consider testimony and act as hearing officer, deciding whether the accused is responsible for the charge(s) as issued, and what the University response or sanction, if indicated, should be.
- The accused student may choose a hearing before the University Judicial Board (UJB), a group of faculty and students who are trained and authorized to conduct hearings to determine responsibility and appropriate sanctions. In each hearing procedure, the burden of proof shall be on the University as the adjudicating party. Decisions regarding responsibility for charges shall be based on a “preponderance of evidence” standard, meaning responsibility does not have to be proven beyond a shadow of a doubt. The University need only demonstrate that the charged student is more likely than not responsible for the charge. In these investigative hearings, regardless of the procedure chosen, the hearing officer or UJB members will not be restricted from testimony by technical rules of evidence. Charged students are assured a right of access to a list of witnesses invited to testify, as well as an opportunity to review all available physical and documentary evidence to be presented at the hearing. In these informal, non- adversarial hearings, there is no formal cross examination. Charged students are, however, entitled to question and rebut any evidence presented. In order to conduct a fair, orderly hearing, special accommodations may be made in hearing procedures, such as indirect questioning, or special seating arrangements in the hearing room. Both the charged student and the victim may be accompanied by an advisor of their choice and remain present while all testimony is presented.

The advisor or counsel may, with written permission of the charged student:

- Advise the accused student about the preparation and presentation of the case;
- Accompany the charged student to all judicial proceedings;
- Have access to evidence, witness lists, documents and exhibits relating to the case.

Should the hearing authority determine a student is responsible for the charges issued, the student’s disciplinary record may be made available to the authority. The hearing authority will then adjourn again to determine what sanction(s) are appropriate to the circumstances and individual. Possible sanctions include permanent suspension, suspension for a period of time, suspension held in abeyance, disciplinary probation, conditions, reprimand, restitution, and educational sanction.

B. Follow-up Services for Accused Party

Follow-up counseling may be of significant benefit to an accused party. On or off campus counseling and other services are available to an accused party whether or

not the crime was reported or prosecuted. The Counseling Center is an on-campus resource that provides free counseling to currently enrolled students. The phone number is 641-3609.

The Cumbee Center to Assist Abused Persons (CAAP) provides referrals to counseling services for men who commit sexual assault or abuse their partners. A representative from the Cumbee Center works in the USCA Counseling Center several days each week and can be contacted at 641-3609.

The Judicial Hearing Officer can assist an accused party with notifying instructors of absences or other needs. This office also handles the investigation and resolution of discipline complaints. The phone number is 641-3588.

The South Carolina Bar Association, Lawyer Referral Service, can assist an accused party in finding an attorney to represent them in civil and/or criminal proceedings. The phone number is 1-800-868-2284 or 799-7100.

Procedures for Reporting to Campus Community

Federal law requires that timely notice of assaults be made to the campus community if it is felt that a threat to any other person(s) exists. In these cases, the Chief of University Police, in consultation with the Vice Chancellor for Student Life and Services, will notify the campus community through whatever means are appropriate for the particular case.

Educational Resources

The following offices within the University of South Carolina Aiken and the Aiken community provide a variety of educational offerings related to sexual assault, personal safety, appropriate use of alcohol, healthy relationships, etc. For more information, the following offices should be contacted:

- USCA Counseling Center, Business and Education Building, Room 126, 641-3609.
- University Police, 648-4011 (from off campus) or 6111 (from on-campus).
- Cumbee Center to Assist Abused Persons, Rape Crisis Center, 641-4162.
- Aiken Regional Medical Center, The Resource Center, 655 Medical Park Dr., Aiken, 641 -5926.
- Aiken-Barnwell Community Mental Health Ctr., 1135 Gregg Highway, Aiken, 641-7700.

HAZING POLICY

The University of South Carolina Aiken prohibits any form of hazing. No organization, registered or otherwise, officially or in fact, may participate in the activity of hazing. Hazing is defined as any action or situation created by individuals, clubs and organizations, on or off campus, that could cause or has the potential to result in harassment, emotional or physical abuse of harm, embarrassment, anxiety, ridicule, or the violation of an University rule, no matter

how good the end result or intent.

Examples of hazing, include but are not limited to:

- Tests of endurance
- Submission of members or prospective members to potentially dangerous or hazardous circumstances
- Paddling
- Forced indulgence of alcohol or food
- Forced excessive exercise
- Indecent stunts or dress
- Deprivation of sleep, normal sleep patterns or adequate study time
- Physical harassment such as pushing, shoving, tickling, yelling, etc.
- Deprivation of normal amounts of food and water
- Individual or group interrogations such as line-ups
- Personal servitude
- Assigning pranks
- Forced or coerced trips such as kidnaps, displacement, and “pledge” dumps

Registered organizations and groups shall be permitted certain initiation ceremonies and activities, which when examined by the ordinary University student, would seem reasonable under the circumstances and justified in view of the purpose for which they are conducted.

It shall not constitute a defense to the charge of hazing that the participants took part voluntarily, that they voluntarily assumed the risks or hardship of the activity, or that no injury in fact was suffered.

For information on the South Carolina Hazing Law, the USCA Hazing Policy, or to initiate a complaint for alleged hazing, contact the Vice Chancellor for Student Life and Services.

ACCEPTABLE USE OF USC AIKEN COMPUTER AND NETWORK RESOURCES - EXECUTIVE SUMMARY

The University recognizes its legal and social obligations to respect the privacy of the authorized users of its computing and network resources. However, users must recognize that the confidentiality of their electronic communications cannot be guaranteed by the University. Moreover, the University reserves the right to audit or monitor any uses of its computing and network resources when necessary to ensure compliance with University policy, and with federal, state and local law. The University network provides its authorized users with access to many classes of privileged information. Users must maintain the confidentiality and integrity of the information they access, and must not use privileged information for any purpose not explicitly authorized.

The University’s computing and network resources exist to support the University’s missions of teaching, research, administration and public service. Incidental personal use of these resources by authorized users is permitted only to the extent that such use is lawful and ethical, does not conflict with the

University's missions, does not interfere with other authorized users, and does not cause additional expense to the University.

The State of South Carolina Budget and Control Board, Acceptable Use Policy for Network Services and the Internet, dated December 1, 1995 also applies to our network resources and specifically states that: "Use of network services provided by the State of South Carolina may be subject to monitoring for security and/or network management reasons. Users of these services are therefore advised of this potential monitoring and agree to this practice."

I. Scope

This policy applies to all users of USC Aiken computer and/or network resources to include all users who access any of the computer systems or computer network controlled by USC Aiken. This policy is not limited to USC Aiken employees/students only but also applies to any person or entity accessing or using USC Aiken systems.

II. Introduction

The policy statements which follow serve primarily to aid in the interpretation of, and in a few cases to augment, the University's general policies on the appropriate use of University facilities, and the University's general ethics policies for faculty, students, and staff.

III. Privacy and Confidentiality

In general, information stored on computers and the content of electronic communications are considered confidential, unless the owner or sender intentionally makes that information available to other groups or individuals. In particular, personal files on the University's computers (for example, files stored in a user's home directory, or on a personal computer) should be considered private to the same degree as personal files in University assigned space in an office, lab or desk area. Private communications via computer (for example, through electronic mail) have the same privacy protection as private communications via telephone.

Nonetheless, one should exercise caution when committing sensitive information to storage or transmission on any electronic media, because the confidentiality of electronic media cannot be guaranteed. Confidential or sensitive information should not be sent through e-mail or exposed to public networks such as the Internet unless adequately secured against unauthorized access.

Routine maintenance can result in the contents of files and messages being seen by system or network administrators. However, network and system administrators are expected to treat the contents of electronic files and communications as private and confidential. Any inspection of electronic files or messages, and any action based upon such inspection, will be governed by all applicable U.S. and SC laws and by this and other relevant University policies. Note also that under

the Freedom of Information Act, the files of University employees (paper or electronic) may be considered public documents, and may be subject to inspection under the FOIA, through formal University-administered procedures. The content of electronic files and communications may also be subject to subpoena in other legal proceedings.

Moreover, the University reserves the right to monitor user activities on all University computer systems, and to monitor communications utilizing the University network, to ensure compliance with University policy, and with federal, state and local law. Monitoring shall be performed only by individuals who are specifically authorized, and only the minimum data necessary to meet institutional requirements shall be collected. Data collected through monitoring shall be made accessible only to authorized individuals, who are responsible for maintaining its confidentiality.

The following notice is understood to apply to all University- owned computer systems, and to all communications utilizing the University network and must be acknowledged in writing prior to issuance of an USC Aiken computer account: “This system is for the use of authorized users only. Individuals using this computer system without authority or in excess of their authority are subject to having all their activities on this system monitored and recorded by system personnel. In the course of monitoring individuals improperly using this system, or in the course of system maintenance, the activities of authorized users may also be monitored. Anyone using this system expressly consents to such monitoring, and is advised that if such monitoring reveals possible evidence of illegal activity or violation of University regulations, system personnel may provide the evidence of such monitoring to University authorities and/or law enforcement officials.”

IV. Property Rights

The ownership of the contents of electronic files and messages is a function of applicable US laws, State laws, and University and departmental policies. University contracts with third parties (for example, software license contracts and research and sponsored program contracts) may also apply.

The University’s Patents and Copyright Policy (see the USC Aiken Faculty Manual, 4.3-5 – 4.3-16), applies to all Inventions and Copyrightable Works produced by employees, including such works as may be embodied in electronic files.

V. Academic Freedom

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions not only in the classroom, but on the campus as a whole. The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community — faculty, staff, and students. System and network administrators are expected to respect the University’s academic freedom policies.

No personal file stored on a University computer system should be removed by a system administrator without the file owner's permission unless the file's presence interferes with the operation of the system or under direction of appropriate legal authorities.

No posting to a University-sponsored electronic forum should be removed by a system administrator unless it violates U.S. law, state law or University policy. The following principles apply to University-supported electronic forums which support the free exchange of ideas among faculty and students:

The same standards of intellectual and academic freedom developed for faculty and student publication in traditional media apply to publication on electronic forums. Note that there are electronic forums and other materials on the Internet and elsewhere that some members of the University community may find offensive. The University cannot restrict the availability of such material, but the display of offensive material in any publicly accessible area, including but not limited to publicly accessible computer screens and printers, may violate other University policies on unacceptable behavior (for example, harassment or discrimination). Similarly, any use of University computing or network facilities to post offensive materials to electronic forums on the Internet and elsewhere may violate these University policies.

The authors of all postings submitted to electronic forums for distribution outside the University should include a disclaimer stating that the opinions expressed therein are not necessarily those of the University (as an example, "The views and opinions expressed herein are those of the author and do not necessarily represent the official statements or views of the University of South Carolina Aiken").

VI. Responsibilities of Users

All faculty, staff, and students who use University supported computer and network systems share in the responsibility for upholding the rights of their fellow users. Meeting this responsibility requires adherence to certain rules, outlined below, which apply to all University systems.

A. Appropriate and reasonable use:

- Computer and network access account should be used only for authorized purposes. Personal use of university computing and network resources is restricted by state law. Section 8-13-700(A) of the South Carolina Ethics Code reads as follows:
- No public official, public member, or public employee may knowingly use his official office, membership or employment to obtain an economic interest for himself, a member of his immediate family, an individual with whom he is associated, or a business with which he is associated. This prohibition does not extend to the incidental use of public materials, personnel, or equipment, subject to or available for a public official's, public members, or public employee's use which does not result in additional public expense.

- Viewing of pornography is forbidden. Viewing of child pornography is illegal and is subject to prosecution by local, state or federal authorities. If legitimate

research projects require the viewing or storage of this type of material, approval from the Chancellor must be obtained beforehand.

- Users should refrain from inappropriate activities such as use of email to distribute off-color jokes, or interfering with other users (for example, consuming gratuitously large amounts of limited system resources such as disk space, CPU time, network bandwidth, or printer supplies).

B. Privacy and Confidentiality:

- Accounts on University computer systems, and connections to the University network, provide access to many classes of privileged information. Users must maintain the confidentiality of any privileged information they access, and must not use any privileged information for any purpose for which they are not explicitly authorized.

- Accessing another user's files without permission is prohibited.

- Accessing any information on a University information system without authorization is prohibited.

- Disruption or unauthorized monitoring or interception of electronic communications is prohibited.

- These prohibitions apply even in circumstances where the files, information, or messages are not adequately protected against unauthorized access. Any user who discovers a possible "security hole" on an USC Aiken system is obliged to report it to the system administrator.

C. Accountability:

- Misrepresenting or willfully concealing your identity at any point on the USC Aiken network is prohibited.

D. Security:

- The users of all systems must maintain adequate passwords on their accounts. Passwords must be kept in strictest confidence, and may not be shared with others without the permission of the system administrator. If a user must temporarily share his or her password with a trusted system administrator

(for example, to troubleshoot a problem), then the user should change the password as soon as possible afterwards. Note that passwords should never be shared with [anyone claiming to be] a system administrator without positive identification.

- The users of all systems must comply with a system administrator's request to change passwords. Whenever possible users should choose their own passwords.

- The users of all systems are responsible for understanding the system's default levels of protection applied to files and messages, and for supplementing that protection if necessary for sensitive information.

- Any computer system which is connected to the University network must be maintained in accordance with generally accepted security principles. For example, virus protection software must be installed and kept current, and any known security problems with the software installed on the system must be addressed.
- All facilities for incoming remote access to computer systems and communication servers which are directly or indirectly connected to the University's campus wide data communications network must provide adequate protection of other networked systems against unauthorized access. An audit trail of all remote access activity must be maintained by any facility which provides remote dial-in access, and audit trail records must be accessible by authorized University officials.

E. Copyright and Intellectual Property:

- Copyrighted material and software must be used with respect for the legal rights of its copyright holder(s).
- It is the user's responsibility to recognize, attribute, and honor the intellectual property present on or accessible through University computer and communication systems.

F. Licensed (Commercial) Software:

- The user is responsible for understanding and adhering to the licensing terms for all licensed software which he or she knowingly uses.
- The making of unauthorized copies of licensed software, even when the software is not protected against copying, is prohibited.

In addition to the above general rules, there may be more specific rules which apply to many individual University systems. It is the user's responsibility to ascertain and follow these system-specific rules.

VII. Sanctions:

Violators of the provisions of this policy by faculty, students, and staff are subject to applicable USC Aiken disciplinary policies. Violations of public law which involve University computer and communication systems may be subject to prosecution by local, state or federal authorities. University faculty, students, or staff who knowingly violate copyright and/or license terms (for example, by making or using an unauthorized copy of a copyrighted or licensed software product) may be personally liable for their actions.

COMPUTER LAB RULES

1. No food or drinks are allowed in any computer lab.
2. Only currently enrolled USC Aiken students are allowed in any computer room after hours. No spouses, children, parents, boyfriends, girlfriends, or friends are allowed in the computer rooms after hours unless they are a currently enrolled student. Exceptions to this policy may be granted only by the Vice Chancellor for Information Technology and CIO. (AIT 105 - USC

Aiken Policies and Procedures)

3. Print one copy only even if you are supplying your own paper. Use copiers in the B&E Building, Library and Bookstore to make multiple copies.
4. Respect others.
5. Keep the noise level down. Control computer generated sound (head phones are available from student assistants).
6. If you encounter offensive behavior in the student computer areas, notify the student assistant or a CSD staff member. After hours, notify University Police (Ext. 6111).
7. Comply with copyright laws.
8. Copying software is usually illegal.
9. Copying images is usually illegal.
10. Supply you own paper after hours.
11. Course work has precedence.
12. Cruise the Internet on your own.
13. Use only software loaded on the computers. Installing any software on the computers is prohibited. Making any modification to the computers, their operating system, or their software is prohibited.
14. Please clean up any mess you make.

SANCTIONS FOR VIOLATION OF COMPUTER FACILITIES POLICY

Infractions of computer room rules will be recorded and a warning issued by the Computer Services Division (CSD) staff. A second infraction will result in the loss of after-hours access privileges. A third infraction will result in a referral to the USC Aiken Student Judicial System. Serious infractions, including but not limited to such acts as deliberate damage to equipment, malicious attempt to alter other people's documents, and deliberate introduction of a virus, may result in immediate loss of after-hours privileges as well as action through the USC Aiken Student Judicial System. Repeated violations of less serious infractions would also be construed as serious. The USC Aiken Chief Information Officer or his/her designee is responsible for monitoring and administering this policy.

STUDENT EMAIL POLICY

Electronic mail or "email" is considered an official method for communication to students at the University of South Carolina Aiken because it delivers information in a convenient, timely, and cost effective manner.

To assure all students access to this important form of communication, USCA provides a University email account to each enrolled student. The primary purpose of these accounts is to ensure a standardized channel for faculty and staff to communicate with students of the University as needed. Official university communications sent to all students will include reminders of important dates such as deadlines to pay tuition and fees, to withdraw from a course with grade of "W," to apply for graduation, etc... Students are responsible for reading, in a timely

fashion, University related communications sent to their official student email accounts.

Assignment of Student Email:

The official University email accounts are created and maintained by the Computer Services Division (CSD) and are activated upon a student's acceptance to the University. Specific student email directions are on-line at <http://www.usca.edu/helpdesk/>. Additional assistance is available at the CSD "helpdesk" located in the Business and Education Building, room 238. Official email addresses will be published as directory information unless students request otherwise.

Redirecting of Email

Students who redirect (autoforward) messages sent to their official USCA student email address to another address (such as AOL, Yahoo, Hotmail, etc...) do so at their own risk. Having email lost as a result of redirection does not absolve the student from responsibilities associated with communication sent to his/her official USCA email address. The University is not responsible for the handling of email by outside vendors or unofficial servers. The USCA assigned email address will be the address used by USCA staff/faculty to communicate to students.

Expectations of Student use of Email

Students are expected to read and respond as appropriate to their USCA official email on a frequent and consistent basis. The University recommends checking email daily.

Faculty Expectations and Educational Uses of Email and Class Listservs

Since faculty members determine how email is used in their classes, faculty may require students to check their email on a specific basis. Faculty may also require students to confirm their subscription to University provided class listservs. For example, messages sent to University-provided class listservs (those established by the faculty member) are considered official communications for all students enrolled in the class designated by the class listserv address. USCA CSD will not provide support service for personal email accounts such as AOL, Yahoo, Hotmail, etc, in conjunction with university listservs.

Appropriate Use of Student Email

All use of email will be consistent with other University policies, including the "Acceptable Use of Information Technology", (USCA Policy AIT 107), which can be found at: http://www.usca.edu/helpdesk/student_email_policy.asp

Procedures

The Vice Chancellor for Information Technology and the Campus Technology Committee will review this policy as needed. Students with questions about the policy should contact the Computer Services Division.

Portions of this policy are drawn from those developed by the University of

Arizona, University of Colorado at Boulder, Virginia Commonwealth University, and Winthrop University.

UNIVERSITY AIDS POLICY

The University of South Carolina Aiken recognizes AIDS (Acquired Immune Deficiency Syndrome) as a national health concern that impacts all segments of society including students. Current information provided by the Centers for Disease Control indicates that the HIV (Human Immune Deficiency Virus) is not transmitted by casual contact; therefore, University rules and regulations pertaining to student life and admission to the University shall not discriminate against students who have or may not have been exposed to the HIV.

A student seeking professional help shall be offered assistance in a manner consistent with the professional ethics of the discipline offering the assistance. If administrative or medical decisions need to be made with respect to an individual student with HIV infections or AIDS, the decisions will be made on a case-by-case basis by appropriate University personnel. Confidentiality will be maintained with each case.

The American College Health Association has recommended that colleges provide their students with information concerning AIDS since AIDS education can help students understand how to prevent the spread of the HIV. The University of South Carolina Aiken encourages its departments and administrative areas to provide students with information where it can be done in a manner consistent with the mission of the department or administrative area.

The publications of the American College Health Association, the Center for Disease Control, the United States Public Health Service, and the Department of Health and Environmental Control shall be considered official reference sources for use by USCA professional staff in providing students with general AIDS information. These sources shall also be used as primary reference sources when responding to general inquiries or addressing situations on the USCA campus. This policy reflects current information concerning AIDS and HIV. It will be revised and is subject to change as research provides more information on diagnosis, treatments and transmission.

For the full University AIDS/HIV Policy refer to the USC Policy STAF 1.03 available on-line at <http://www.sc.edu/policies/staf/staf103.html>
