The Honorable Robert Harrell, Jr
Speaker of the House of Representatives
P.O. Box 11867
Columbia, South Carolina 29201

Dear Mr. Speaker and Members of the House:

I am hereby vetoing and returning without my approval H. 3818, R-76.

This bill institutes a \$3,000 annual salary for members of the Hampton County School Board Districts 1 and 2. Under the current law, members have been reimbursed for expenses incurred.

This administration has consistently advocated the notion that decisions on the operation of local schools should be made within the community and not simply mandates handed down by Columbia. Today there is a patchwork of authorities from one school board to the next, some having fiscal autonomy and others having none. In the case of Hampton County, the school budgets must be approved by the county council which has final say on most fiscal matters.

As a result of the variation in board autonomy and composition, there is significant variation in board pay across the state, ranging from those that provide board members no pay – 34 districts fall into this category – to those that offer board members as much as \$9,400 per year. I do not believe that the state should be in the business of micromanaging the affairs of every school board. Instead, we should give them the power to make decisions and make them accountable back to the people who put them in office.

Further, as is the case with most local bills, this legislation only perpetuates the uneven and disproportionate operations of school boards in the state. I disagree with the idea that we should continue down the path of the General Assembly sending bill after bill setting different standards for different boards. Instead, I believe the General Assembly should enact statewide legislation that lets each community make these decisions.

For this reason, I have vetoed H. 3818, R-76.

Sincerely,
