
CRIME AWARENESS AND CAMPUS SECURITY ACT

2011 CAMPUS SAFETY REPORT

Prepared by the
Campus Public Safety Department

Orangeburg-Calhoun Technical College
3250 St. Matthews Rd.
Orangeburg, SC 29118

A Message from the President

The mission of Orangeburg-Calhoun Technical College (OCtech) is, "To provide quality and affordable comprehensive education programs that will have a positive social and economic impact on the lives of the citizens of Orangeburg and Calhoun Counties and the state of South Carolina." Inherent in that mission is our goal to provide a safe learning and working environment for faculty, staff, students, and visitors. Operationally, all members of the faculty and staff at this institution play a vital role in fulfilling that goal by making students our priority, making a commitment to community, dedicating ourselves to quality, and valuing those skills that provide opportunity for all members of the OCtech family. Within that family, we have a committed public safety staff, who are proactive in deterring criminal activity on campus, yet also serving as ambassadors to those stakeholders who arrive on our campus. I am very proud of the work they've accomplished through their belief and commitment to the philosophy of community policing.

As a two-year technical college, and a commuter campus, we serve diverse populations of students, and work diligently to be proactive in deterring any type of criminal activity on campus. However, we do understand that instances beyond our control do occur, and therefore, we value shared decision making and collaboration in developing plans to address those types of occurrences. In addition to the development of plans, we've implemented several measures to make the campus safer. Additional lighting has been added to the parking lots for our evening students, emergency call boxes have been installed to provide assistance for those in need, additional cameras have been added around the campus to deter any type of criminal activity, and public safety officers have a high level of visibility throughout the campus.

OCtech has a strong, positive reputation in the community for the high level of customer service, the strong academic rigor it provides students, and the quality of its employees, but this reputation would not be as it is today without the assistance of our public safety department. Thank you for taking the opportunity to review the OCtech Crime Safety Report, and the reader of this publication will discover, after reviewing the information contained in this document, that safety and security on this campus is a priority, and we as an institution, value the work provided by our staff.

Dr. Walt A. Tobin
President

Purpose

Orangeburg-Calhoun Technical College is committed to providing a safe and secure environment for students, faculty, staff and visitors. The information in this publication is to comply with requirements set forth under the 1998 Jenne Clery Disclosure of Campus Security Policy and Campus crime Statistics Act. The act is commonly referred to as the “Clery Act.” This report is updated on an annual basis and is disseminated to all College students, faculty, staff, and interested individual via web distribution. Upon request, this report will also be provided in printed format to any applicant for enrollment or employment, as well as to any current student, faculty, staff, or interested individuals.

Policy

It is the policy of Orangeburg-Calhoun Technical College that any criminal act, act or threat of violence, injury, destruction of College or personal property, traffic accident, or other situation which occurs on the campus which may constitute an emergency, a danger to the health, safety or property of any person; or a threat to the public order; be reported immediately. The following is the procedure for reporting any of the above, or other potential criminal actions and/or other emergencies:

During normal operating hours, incident reports should be made to Campus Public Safety Office. The Public Safety Office is located in the Gressette Learning Resources Center, Building B, Office 107. Please dial telephone ext. 1336 and either speak with the officer on duty or, in the event of non-emergencies, leave a voice mail message. In the event of an emergency, and there is no answer at ext. 1336, dial cell phone # 682-3335 or press 0. By pressing 0, the phone will automatically dial the switchboard. This number is monitored from 8:00 a.m. to 6:30 p.m., Monday-Thursday and on Friday 8:00 to 1:30p.m. After 6:30 p.m. on Monday – Thursday and on Friday after 1:30, please follow the following instructions for reaching the officer on duty:

- ❑ Monday – Friday, call the Campus Public Safety cellular phone at **682-3335**. For non-emergencies, leave a voice mail message. The phone will automatically notify the officer of any messages.
- ❑ If there is an emergency and no answer, call the Front Desk in Building S (Student and Community Life Center) at extension 1211 (535-1211, off-campus). This number will be monitored from 8:00 a.m. to 5:00 p.m., Monday – Thursday and Friday 8:00a.m. to 1:30 p.m.
- ❑ If there is an emergency situation after 7:00 p.m., call the security main number at ext. 1336 (535-1336, off campus) or the security cellular phone at **682-3335**. This number will also be available as a back-up option during the other times.
- ❑ The red emergency call boxes on campus are available. Monday – Thursday, they ring at the Front Desk in Building S from 8:00 a.m. – 6:30 p.m. On Friday, the red emergency boxes are available 8:00 a.m – 1:30 p.m in bldg. S only at the front desk.

In extreme emergencies such as serious injuries (first aid), fire and other life threatening situations, any employee or student is authorized to dial 911 and make a direct request for assistance. Further notification through proper college channels may be completed when time permits.

The officer on duty shall initiate the emergency notification system, notifying the appropriate individuals.

Note: To dial any outside number, first dial 9; listen for dial tone, then dial the number.

An initial and necessary follow-up investigation of the allegations will be conducted. Reports are treated confidentially. When notified of a crime, the assigned officer will work closely with the victim to resolve the problem. The victim maintains the right to drop or decline prosecution of the case at any time and to choose whether to pursue the case through the criminal justice system, the campus judicial system, or both. If an incident is considered an immediate threat to members of the campus community, that information will be shared through crime alert notices.

The Department of Campus Safety & Security

Orangeburg-Calhoun Technical College provides full-service police protection to the campus community through its Campus Public Safety and Security Department. Campus Public Safety is a fully independent law enforcement agency reporting to the Human Resources Director. Campus Public Safety officers are commissioned as State Constables with state wide jurisdiction and have complete police authority to arrest anyone involved in illegal acts on campus and areas off campus. If minor offenses involving College rules and regulations are committed by a college member, the incident may also be referred to Student Affairs for disciplinary action. The office of Student Affairs ensures that safety/security policies are uniformly executed and conveyed in a clear and consistent manner to the student body. Reports involving major offenses are shared with the State Law Enforcement Division (SLED) and Orangeburg County Sheriff Department (OCSA) and joint investigations may occur. The prosecution of criminal offenses, felony or misdemeanor, are conducted at Magistrate, General Sessions or Federal Court.

By mutual agreement with state and federal agencies, OCTC Campus Public Safety Department maintains a read only computer terminal. Through this system law enforcement personnel can access the National Crime Information Center computer system as well as South Carolina Crime Information databases. These databases are used for accessing criminal history data, nationwide police records, driver/vehicle identification information along with other local, state and federal law enforcement information. Campus Public Safety has direct radio communication with local law enforcement agencies over the Palmetto 800 communications network.

Criminal activity engaged in by students at off campus locations may be monitored and recorded by local law enforcement agencies. This information may be provided to the Dean of Students for any action that may be required and appropriate. While OCSA has primary jurisdiction in off campus areas in close proximity to campus and concurrent

jurisdiction on campus, OCTC Public Safety officers often respond to incidents that may involve student.

Job duties include but are not limited to:

1. Patrolling the campus on a routine basis, making security checks of buildings and grounds, and investigating any suspicious person or activity.
2. Checking parking lots and the campus in general; enforcing the traffic and parking regulations.
3. Registering vehicles for identification purposes.
4. Assisting in fire prevention
 - A. Posting fire plans and instructions throughout the campus.
 - B. Routinely checking fire extinguishers throughout the campus for serviceability.
 - C. Summoning the fire department when needed.
5. Investigating accidents to personnel and securing appropriate medical attention.
6. Initiating investigations and police reports from complaints dealing with thefts, assaults, disturbances, etc.
7. Making bank deposits, picking up and delivering mail to post office, performing flag duty, and locking and unlocking main entrance to buildings.
8. Reporting campus security lights that need repairs.
9. Maintaining a desk log and recording events as they take place during a tour of duty.

Campus Law Enforcement Policies and Procedures

In the event of a disturbance (non-violent), the campus security department tries to solve it on campus without affecting an arrest. When a crime is committed or probable cause exists, arrests are made by the officer on duty and the subjects are transported to Orangeburg-Calhoun Detention Center by the Sheriff Department and charges are filed.

1. The Sheriff's Department is called in on major incidents for assistance and back up. The South Carolina Law Enforcement Division (SLED) is called to enter the investigation if it involves other counties in the state.
2. The Department of Campus Public Safety and Security does report crimes to the Uniform Crime Reporting System. The officers at the College will assist in other matters when called upon.

Crime Statistics and Reporting

Numerous efforts are made to advise members of the campus community on a timely basis about campus crime and crime related problems.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Chief of Campus Public Safety and Security and/or the Crisis Response Team, constitutes a credible ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college intercom message and e-mail system to

faculty and staff, through Cruiser Alert to cell phone and email, via building and areas captains and if necessary, by memo to the media.

Cruiser Alert

Cruiser Alert has been activated in Campus Cruiser to allow the college to send emergency messages to cell phones and mailboxes. You will need to have your cell phone nearby to receive a text message with a code that you will type in (on the computer screen) to complete the process. Here is the link with screen shots to walk you through the sign up process.

<http://prod.campuscruiser.com/files/public/4/22.171/CruiserAlertSignUp.pdf>

If you do not have a cell phone, you can still sign up and subscribe to the Campus-Wide Broadcast channel so that you will receive the emergency email messages.

If you have a cell phone but do not have text messaging as part of your plan, you will receive a charge from your carrier (usually less than .50¢ per message) when you receive these messages. Our current plan is to test the system once a semester.

Thank you for taking the few minutes to enroll in Cruiser Alert. It is essential to be able to communicate with as many people as possible on campus in case of an emergency.

Anyone with information warranting a timely warning should report the circumstances to the Campus Public Safety Office, by phone 803-682-3335 or in person at the Campus Public Safety Office, Gressette Learning Resources Building, Building B, Office 107.

OCtech Public Safety is excited about the rollout of our new safety and security hotline. It is called **eyewitness**. The phone number is **268-2626**. This hotline provides students, faculty and staff an anonymous number to report any information they have witnessed, observed or know of that may threaten the safety and security of anyone on campus. If you call, you are not required to leave any contact information unless you wish. The hotline will be checked twice a day, Monday-Thursday, and once on Friday. To report emergencies, you will continue to call the Public Safety cell phone 682-3335. A truly safe campus can only be achieved through the full cooperation of all the students, faculty, and staff. Thank you for your assistance.

Security Crime Log

A summary of criminal incidents is maintained at the Campus Public Safety and Security Office located in bldg. B, room 107. This log can be viewed during normal business hours.

The Clery Act does not require disclosure of all crimes. The Clery Act requires institutions to disclose three general categories of crime statistics:

1. Types of Offenses- Criminal homicide, including:
 - a) Murder and Non-negligent Manslaughter
 - b) Negligent manslaughter
 - c) Sex Offenses including:
 - 1) Forcible
 - 2) Non-forcible

2. Hate Crimes-Disclose whether any of the above-mentioned offenses, or any other crimes involving bodily injury, were hate crimes
3. Arrests and Referrals for Disciplinary Action for illegal weapons possession and violation of drug and liquor laws

Smoke Free Campus

Orangeburg-Calhoun Technical College is committed to providing an environment conducive to its mission that is safe, healthy and comfortable. Due to well documented health and safety risks related to smoking, and the College's commitment to support the comfort and well-being of its various constituents, the College is a "smoke-free" campus. Smoking is prohibited on all property owned or controlled by the College. This prohibition includes all buildings and grounds. This policy is in effect at all times with no exceptions.

Emergency Plan

The College published an Emergency Plan that incorporates emergency response and evacuation policies and procedures for a variety of situations. Information in the plan ranges from general guidelines for dealing with potential emergency situations to specific information on what to do for a variety of specific situations. The information is provided in an effort to better prepare all of the College community members in the event of a natural or man-made emergency or disaster. The plan is reviewed annually and is on the web at www.octech.edu and then click on About OCtech.

Campus Services

The following services are offered through our Campus Public Safety and Security Department: Project Identification for Property, lost and found, opening locked vehicles (slim jim) and battery boosting with a portable charger. Please contact the officer(s) on duty or call 682-3335.

Weapons Possession

The possession, use and/or sale of firearms (handguns, rifles, shotguns, etc) on campus are violations of state laws. Violations can result in the arrest and incarceration of the violator. The weapons and any ammunition will be confiscated and may be destroyed. Other weapons such as BB guns, air guns, hatchets, knives (blades 2" or longer), bows/arrows, explosives, fireworks, dangerous chemical mixtures or propelled missiles are prohibited on campus and can result in automatic suspension from the College.

The burning of candles and incense is also prohibited and subjects violators to College sanctions. All prohibited items will be confiscated and may be destroyed. Approval for possession or use, in extremely limited and specific situations, will be considered on a case-by-case basis.

Emergency Call Boxes

Security on the College campus has been enhanced through the installation of seven emergency call boxes. The boxes, which are red in color, are for direct emergency contact with the information window.

Note: need new
map

Emergency Call Boxes

1. BLDG. C
2. BLDG. B

3. BLDG. M
4. BLDG. E / LOT # 1

5. BLDG. I
6. BLDG. N / LOT # 4

7. BLDG. K

Code Blue

The campus is equipped with four strategically located free standing solar powered Blue Light Call Boxes. The Call Boxes have a blue light that is illuminated 24/7 and a blue strobe that flashes when the box is activated. Our "blue light call boxes" are actually radios that communicate directly with armed Campus Public Safety Officers' radios. A patrolling officer can often be at the location in seconds, bypassing the local 911 service, who would otherwise dispatch Campus Public Safety personnel to your emergency.

By pressing the button on the box this will enable instant, reliable notification (ID and location) to Campus Public Safety personnel during normal College operating hours. The automatic audible instructions will guide users through a step-by-step process. The caller will be able to gain a two-way voice communication with responding personnel to quickly assess the caller's needs.

The Code Blue Call Boxes have been placed in the following four convenient locations:

1. Parking Lot E Bldg. (200, 300 & 400 area)
2. Parking Lot B Bldg.
3. Parking Lot K Bldg. (Health Sciences area)
4. Parking Lot M Bldg. (Hwy 601 area)

IMPORTANT!

Also, please be reminded that the Call Box Emergency System is only useful when an officer is on duty. If you have an emergency when the College is not staffed with an officer, please call 911.

Security and Access to Campus Facilities

The VP for Business Affairs, Human Resources Director and the Chief of Public Safety & Security are responsible for campus safety/security.

In order to ensure that safe environment, the College has partnered with Orangeburg County Sheriff's Department to provide professional public safety services 24 hours a day, seven days a week. Inspection of grounds and facilities, with the specific intent of evaluating any existing or potential safety hazards, are conducted periodically and findings corrected.

Access to Campus Facilities Procedure

Orangeburg-Calhoun Technical College is committed to providing a safe and secure environment for students, faculty, staff, and visitors.

In accordance with this commitment, we ask that you comply with the following:

1. Anyone who needs access to a building on Monday – Thursday between the hours of 11:00 p.m. and 7:00 a.m. and Friday between the hours of 1:30 p.m. and 7:00 a.m. and anytime on Saturday, Sunday, and holidays, must have prior authorization from the Chief of Campus Safety and Security before entering the campus and/or any buildings during the above hours. The Campus Public Safety Office (located in Building B) can be contacted by dialing 682-3335 and speaking with the officer on duty or leaving a message on voice mail during normal College business hours. This applies to individuals who have keys, those who have access to keys and those who do not have access to keys.
2. No one is permitted to open doors for individuals who do not have keys during the hours mentioned above except campus security personnel who have been authorized to do so by their supervisor.
3. Individuals who have been assigned keys are not to loan or entrust their keys to others. The individuals to whom key assignments have been made are and will be held responsible for the security of their respective areas.

4. When a faculty or staff member opens a building, or a section of a building for student activities, the students must be supervised during the entire time they are in the building. It is the responsibility of the supervising faculty or staff member to secure the building when the activity has ended.
5. At the close of the business or instructional day, it is the responsibility of the individual supervisors or faculty members to secure their respective work areas. This includes windows, doors, and any other means by which unlawful or unauthorized entry might be made.

Please be reminded that the Campus Security Staff has many other responsibilities and are here for the overall safety of the College. Therefore, they will only be able to accommodate requests to open doors after their primary mission has been completed or only under emergency conditions.

Campus Law Enforcement Policies and Practices

All campus crimes are to be promptly reported in the manner previously stated herein. Any qualifying crimes will be immediately reported to the local sheriff department. The College has excellent working relationships with the local sheriff, fire departments, rescue, and the hospital.

Campus Programs on Security, Safety, and Crime Prevention

Campus safety procedures and practices are outlined in the College Catalog and Safety Handbook. Student and faculty/staff are also informed of these safety practices at orientations/staff meetings. Students and employees are encouraged to be responsible for their own safety and security.

Sexual Assault Procedure

Sexual assault is a violent act of aggression, which violates the basic principle of human dignity. Quite often, persons who commit this crime are known to their victims and these cases are the least reported. Victims of sexual assault are urged to report the crime. Persons who commit this crime are known to repeat the act and cannot be caught or stopped without the victim's assistance.

As members of the College community, students are expected to exhibit a high standard of personal conduct and to respect the rights of other students, faculty, staff members and visitors on campus. Students are also expected to adhere to all federal, state and local laws, as well as the Student Code of Conduct. Sexual assault is a criminal offense and a violation of the Student Code of Conduct. Allegations of sexual assault that occurs within the jurisdiction of the College may be adjudicated through Student Grievance procedure. Adjudication procedures and possible sanctions for violation of the Code of Conduct may be found in the Student Handbook. Copies of the Student Handbook are distributed to all new students during Orientation.

If sexual assault occurs on campus, Campus Public Safety should be notified immediately. An officer will be dispatched to the victim's location immediately. The officer on duty will evaluate the situation for immediate medical needs, calm the victim and remain at the location until the Orangeburg County Sheriff Department, who serves as lead reporting agency, arrives. A counselor from Student Services will be notified and, with the victim's consent, respond to the location of the victim to serve as victim advocate/victim service provider. The welfare of the victim is our primary concern. Crimes of such a sensitive nature are handled with the utmost discretion. For information regarding possible adjudication through on-campus procedures, please refer to the Student Handbook.

If a sexual assault occurs off campus, the proper jurisdiction should be notified immediately. Please familiarize yourself with the numbers for emergency assistance (EMS, police) in your area. Even though the incident occurs off campus, counselors are available, upon request, to meet with the student.

It is important to note that the victim of sexual assault is a primary component of the evidence in a crime scene. Therefore, to preserve critical evidence used in prosecution, we caution the victim to avoid showering, changing clothes, brushing teeth, drinking, or disturbing the crime scene in any way.

Drugs and Alcohol

Orangeburg-Calhoun Technical College prohibits the unlawful manufacture, distribution, dispensation, possession or use of illegal drugs or controlled substances by students as set forth in South Carolina Code of Laws, Section 44-S3-110et seq. This law prohibits possession or sale of drug paraphernalia (such as roach clips, bongs, water pipes, cocaine spoons) as defined in South Carolina Code of Laws, Section 44-S3-1510et seq. and the distribution or delivery of an imitation (“look-alike”), non-controlled substance represented as a controlled substance, as defined in South Carolina Code of Laws, Section 44-S3-390. Detailed information on federal and state alcoholic beverage and other drug laws may be found in the Student Handbook.

In the state of South Carolina it is illegal to purchase, possess or consume alcohol if you are under the age of 21. It is also illegal for a person of legal age to purchase alcohol for a person less than 21 years of age.

The College must maintain its primary function as a center of learning. No one under the influence of alcohol or other drugs will be allowed to attend class or remain on campus. At the same time, it must be clear that local, state and federal laws apply equally on campus as well as off campus. The abuse of alcohol and the use of illegal drugs by members of the College community are incompatible with the goals of our College. Substance abuse programs have been developed both on campus and within this community. They offer alcohol and other drug education, counseling, and referral services. Local agencies are the Dawn Center, Orangeburg Mental Health Clinic, and Charter Counseling Center.

Campus Crime Statistics

The Crime Awareness and Campus Security Act of 1990 were enacted on November 8, 1990. The Act requires college campuses to make available statistics of any criminal incidents and/or arrests, and to report, on an annual basis, the number of criminal incidents (murder, rape, robbery, aggravated assault, burglary, and/or motor theft). The College is also required to report the number of arrests involving liquor law, drug abuse and/or weapons violations. A statement entitled, "Alcohol/Drugs" is addressed in the College catalog and employee handouts.

The Chief of Public Safety and Security collects, compiles, and disseminates this data for the College's annual security report.

Sex Offender Registry and Access to Related Information

Incarceration may remove a sex offender from the streets but it does nothing to prevent the offender from committing another crime when released. The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in the State to provide notice, as required under State law, to each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. In South Carolina convicted sex offenders must register with the County Sheriff Office where they reside.

In addition, all persons convicted of violations under the laws of the United States or any other state substantially similar to an offense for which registration is required shall provide to the local agency all necessary information for inclusion in the State Sex Offender Registry within ten days of establishing a residence within South Carolina. Any person required to register shall also be required to re-register within ten days following any change of residence.

Nonresident offenders entering the State for employment, to carry on a vocation, or as a student attending school who are required to register in their state of residence or who would be required to register under this section if a resident of South Carolina shall, within ten days of accepting employment or enrolling in school in the State, be required to register and reregister pursuant to this section. For purposes of this section "student" means a person who is enrolled on a full-time or part-time basis, in any public or private educational institution, including any secondary school, trade or professional institution, or institution of higher education.

The State Law Enforcement Division (SLED) maintains a system for making certain Registry information is available via the Internet. The Web address for the SLED State Sex Offender Registry is: <http://www.sled.state.sc.us/default.htm> and allows you to search for Offenders by Name, City, County, or Zip Code. The information available includes the offender's name; sex, race, age, date of birth, height, weight, eye, hair and skin color; last

reported address, any scars, marks or tattoos, aliases used; the date of conviction, the statute violated; if the offender is a predator; and a photograph if available.

Registry information provided under law shall be used for the purposes of the administration of criminal justice, for the screening of current or prospective employees or volunteers or otherwise for the protection of the public in general and children in particular. Use of the information for purposes not authorized by law is prohibited and a willful violation with the intent to harass or intimidate another can result in prosecution.

STATISTICAL INFORMATION

Campus

ON CAMPUS is defined as any building or property, owned or controlled by an institution of higher education, within the same reasonably contiguous geographic area to the institution, and used by the institution in direct support of, or in a manner related to the institution's educational purposes. This includes residence halls and property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is frequently used by students, and supports the institutional purposes.

Non-campus Building or Property

NON-CAMPUS BUILDING OR PROPERTY is defined as any building or property owned or controlled by student organizations officially recognized by the institution. Also, any building or property (other than a ranch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

The Statistics for crime on NON-CAMPUS BUILDING OR PROPERTY have been provided by St. Matthews Police Department for Lake Marion Technology.

Public Property

PUBLIC PROPERTY is defined as all public property, including thoroughfares, streets, sidewalks, and parking facilities within the campus or immediately adjacent to and accessible from the campus.

Hate Crimes

We report, by category of prejudice, any crime reported pursuant to the act, or any other crime involving bodily injury, that manifests evidence that the victim was intentionally selected because of the his/her actual or perceived race, religion, sexual orientation, gender, disability or ethnicity.

Disciplinary Referrals

This is a list of the number of disciplinary referrals for each of the following offenses during the three listed calendar years. The statistics do not include drunkenness or driving under the influence

Reporting changes for the Campus Security Policy/Campus Crime Statistics Report have been amended to include the following:

- two new crime reporting categories (manslaughter and arson)
- arrests or persons referred for campus disciplinary action for liquor law violations, drug-related violations, and weapons possession,
- redefinition of reporting area: *Campus, Non-Campus Building or Property and Public Property.*

Campus – any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and any building or property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes (such as food or other retail vendor).

Noncampus building or property – any building or property owned or controlled by a student organization recognized by the College or any building or property (other than a branch campus) owned or controlled by an institution that is used in direct support of or relation to the College’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public property – all public property that is within the same reasonably contiguous geographic area of the College such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the College if the facility is used by the institution in direct support of, or in a manner related to the College’s educational purposes.

Annual Crime Reporting Statistics
