4. The Advising Center Advisor will discuss program/degree requirements, placement based on SAT/ACT/Transfer credit/COMPASS test results, and create a first semester educational plan, and offer additional test preparation options.
5. The Advising Center Advisor will explain the advising process.
6. The Advising Center Advisor will discuss next steps, including Online Orientation and OCTech Connect/Campus Cruiser and registration.

7. An Advising Center Advisor will usually be able to assist with a variety of academic problems or concerns. Professional counselors are available Monday – Thursday 8:00am-6:00pm and Friday 8:00am-1:30pm with limited staff. Students are urged to make an appointment with an Advising Center Advisor to explore career options and discuss academic choices. Confidentiality is assured at all times.

Prior to the second semester of enrollment, students will be assigned a faculty advisor who will be available each semester to help plan a program of courses and will generally be the major source of contact. Some courses are offered only once a year. Faculty advisors can inform students of these, if applicable.

General Information

Change of Name, Mailing or Email Address

It is the obligation of every student to notify the Student Records Office in the Student Services Center of any change in name or address. A picture I.D. with current information is required in order to make such a change. Failure to make this required change may cause serious complications in the handling of student records, tuition, refund payments and communication with the College in general.

It is also vital for students to ensure that the College has his or her email address on file in order to aid in the prompt delivery of important notices or opportunities.

Student Success Center

The Student Success Center provides comprehensive resources and services that will support students and graduates of OCtech in the development of skills to promote academic excellence and prepare students for new and emerging technology based jobs.

The Student Success Center assists students with their academic needs through tutoring, peer assisted study sessions and study skills seminars. In addition, the Center also provides career planning services free of charge for current and potential students. A career assessment inventory can be administered to identify potential career opportunities. Vital information about the current job market, outlook for a particular career and salary trends can be obtained through this service.

To setup an appointment with a counselor, contact the center at 803.535.1347 or ascc@octech.edu. The center is located in the Tourville Lab on the second floor of Building S and is open Monday-Thursday 8:00am-6:00pm and Friday 8:00am-1:30pm.

Career Development

If a student does not wish to enroll in a specific program or seek a degree, diploma or certificate, he/she may enroll as a Career Development student. A placement test is not required unless the applicant wishes to enroll in University Transfer English and mathematics courses offered within the Arts/Humanities and Mathematics/Natural Sciences groups. A student may accumulate up to 18 hours of credit as a Career Development student. If the student later decides to enter a specific program, a placement test may be required at that time.

Moreover, the College is committed to making all program services and College activities accessible to all students. Students with physical disabilities who require special assistance for registration, class attendance, or parking, should contact the Coordinator for Students with Disabilities in the Student Services Office.

Students who have a documented learning disability or a documented disability that interferes with cognitive performance and who require special accommodations should also contact the Coordinator for Students with Disabilities. Students must reveal their documented disability and the need for special accommodations.

Safety

Safety should be a part of a student's education at OCtech. Instructors and students in all programs should constantly stress safety. 5. Students are not to be given any internal medication. First aid is to be limited to providing comfort while awaiting medical personnel.
6. Take steps to prevent any reoccurrence of accidents.
7. GOOD SAFETY PRACTICES CALL FOR PREVENTION, NOT TREATMENT OF ACCIDENT VICTIMS.

Other Emergency Situations

In case of fire: Call 911 or 682-3335.

Student Insurance

Every precaution possible is taken to ensure the safety of students throughout the College; however, all curriculum students are provided with a limited amount of accident insurance coverage. Students receive coverage through the College, as the premium cost is included in the student's tuition and fees. This insurance covers the student while he/she is on school property attending regularly scheduled classes, or while on a College-sponsored trip. Absence from the College premises during the day, such as during the lunch hour, is not covered.

A student injured while on campus or a College-related activity should instruct the physician or emergency room staff that he/she is covered under student insurance and to send itemized statements of all charges to the Office of Business Affairs, 3250 St. Matthews Road, Orangeburg, SC 29118. Standards of Satisfactory Academic Progress for Financial Aid Recipients

Students receiving financial assistance through a federal program or South Carolina Need Based Grant must be making satisfactory progress toward a degree, diploma or certificate at OCTech. The financial aid office monitors the progress of all students to ensure that they are making satisfactory progress (SAP) toward completion of their program in a reasonable period of time. The cumulative SAP review determines the student's eligibility for financial assistance based on his or her complete academic history.

Standards are measured by both Cumulative Grade Point Average (Qualitative Measure) and Cumulative Credit Hours (Quantitative Measure):

1. A student must maintain a cumulative grade point average (GPA) of 2.00 (C average) or better AND must successfully pass 67% (percentage of courses passed vs courses attempted) of all course credit hours attempted each term to remain eligible to receive financial aid at OCTech.
2. Course grades of F, W, WF and I are not considered completed courses and negatively impact satisfactory academic progress standards. SAP is not recalculated for students who earn a grade of I and receive a letter grade after the term ends. All courses must be completed during the normal grading period.

Standards for Students Enrolled in Diploma and Certificate Programs

(Academic programs of one year or less) - At the end of each term, if the cumulative GPA is less than a 2.00 or if the course completion rate is less than 67%, the student will be placed on Financial Aid Warning. Financial aid will be continued during the warning period if the student satisfies ALL three requirements that include:

1. Enroll in at least six credit hours
2. Complete 100% of all attempted courses
3. Earn at least a 2.0 term GPA

Failure to maintain ALL of the above standards during the warning term will result in suspension of financial aid at OCTech.

Standards for Students Enrolled in Associate Degree Programs

(Academic programs of more than one year) - At the end of each term, if the cumulative GPA is less than a 2.00 or if the course completion rate (percentage of courses passed vs courses attempted) is less than 67%, the student will be placed on Financial Aid Warning. Financial aid will be continued during the warning period if the student satisfies ALL three requirements which include:

1. Enroll in at least six credit hours
2. Complete 100% of all attempted courses
3. Earn at least a 2.0 term GPA

Failure to maintain ALL of the above standards during the warning term will result in the student being placed in a second term of Financial Aid Probation.

Financial Aid

Second Term Financial Aid Probation students must complete 100% of all attempted courses AND earn at least a 2.0 term GPA to remain eligible for financial aid.

Failure to maintain ALL standards during the second probation period will result in suspension of financial aid at OCtech.

Reinstatement after Financial Aid Suspension -To re-establish financial aid eligibility, a student must satisfy all of the following requirements:

1. Complete a term of study at OCtech without any federal or state financial assistance. The student will be responsible for payment of all educational expenses.
2. During the term of attendance without financial aid, the student must enroll in at least 6 credit hours.
3. Complete 100% of all attempted courses.
4. Earn at least a 2.0 term GPA.

It is the responsibility of the student to determine when an appeal for reinstatement of financial aid eligibility is appropriate. The cumulative transcript will provide the student with the number of hours completed each term and the grade point average attained. Once the student determines that they have met the criteria for reinstatement of financial aid, the student must submit a written request for reinstatement of eligibility. The request should be forwarded to the Office of Financial Aid, Orangeburg-Calhoun Technical College, 3250 St. Matthews Road NE, Orangeburg, SC 29118.

Maximum Time Frame

1. A student may only receive financial aid for a limited time. Eligibility for financial aid is terminated after a student has attempted 150% of his/her program credit hours length.
2. A student may receive financial aid for 1.5 times the published length of the program of study.
3. For example, a student enrolled in a 60 credit hour program is eligible until 90 credit hours are attempted ($60 \times 1.5 = 90$).
4. Transfer hours from other colleges that apply towards program completion at OCtech are added to the total hours attempted at OCtech to determine the 150% credit hour limit towards degree completion.
5. Students may repeat courses but repetitions will count toward the time frame/length of eligibility.
6. The attempted hours will consider all course work taken (including DVS and transfer credits accepted by the college).
7. All periods of enrollment count when evaluating SAP, even periods in which the student did not receive Federal Student Aid funds.
8. The maximum time frame is program specific based on required credit hours for graduation.
9. Once the maximum number of hours is attempted, the student is placed on financial aid suspension.

Student Notifications

1. Each student's financial aid SAP status will be evaluated based the length of program in which you are currently enrolled. Associate Degree or two year

programs will be reviewed at the end of summer term. One year or less diploma and certificate programs will be evaluated once per semester for terms in which you are enrolled.

2. Students will be notified of their financial aid SAP status via email to their College email account.
3. Through the OCtech student portal, Campus Cruiser, students are required to review email messages and announcements regularly to ensure they have the latest information about their financial aid and SAP status.

Appeals

Individual student appeals to the SAP policy will be reviewed under the umbrella of Professional Judgment. Students with legitimate appeals may be given exceptions on a case-by-case basis. A written appeal must be submitted and approved for reinstatement.

1. A student on financial aid suspension may appeal by submitting a letter of appeal along with any supporting documentation to the financial aid appeals committee. Acceptable reasons for appeal include: serious illness, death or substantial documented change in working hours. The student must provide appropriate documentation supporting the appeal. Incomplete appeal documents will be returned to the student, unprocessed.
2. All decisions made by the Financial Aid Appeal Committee are final. Students whose appeals are denied must regain eligibility prior to receiving additional financial assistance or submit a new appeal for a subsequent semester.
3. The Appeals committee will meet at least three times each academic year: once before the fall semester, once before the spring semester, and once before the summer semester.

Summary

1. It is the student's responsibility to monitor his/her status for Satisfactory Academic Progress.
2. The Financial Aid Office will review the GPA and earned credit hours, and notify students who are failing to meet standards as quickly as possible via campus email.
3. Failure to check email or undelivered messages does not exempt a student from his/her responsibility to maintain financial aid satisfactory academic progress or to know his/her current SAP status.
4. Students on suspension will be ineligible for all Title IV aid, (i.e. Pell Grant, FSEOG, ACG, FWS, and Federal student and Parent Loans) and most state aid.

Return of Title IV Funds Policy

OCtech recalculates Federal financial aid eligibility for students who withdraw from the College prior to completing 60% of the term in accordance with the Return of Title IV Federal Funds regulations. The recalculation is based on the percent of earned aid for the term. The percent earned is determined by the number of calendar days completed divided by the number of calendar days in the term.

When Federal aid is unearned, students may owe an additional balance beyond what has been captured during the refund process. If an additional balance is owed, students will be billed by the Business Office. Additionally, a student may need to

Financial Aid

repay Title IV funds that they receive over direct costs. If so, another bill will be mailed, and students will be given the opportunity to respond. Should students fail to respond, repay, or enter into an agreement to repay, the amount owed will be referred to the Department of Education for collection.

Federal financial aid includes Federal Pell Grant, Federal Supplemental Education Opportunity Grant, Federal Direct Loans, and Federal PLUS Loans.

The student's withdrawal date is defined as the actual date the student began the withdrawal process or the student's last date of recorded attendance. The debt from a financial aid recalculation must be paid in full before the student is allowed to register for future semesters or seek other resources from the College. If this debt is not paid to the College within **45 days** from the date of the notification to the student, the College will report it to a national database. This will prohibit the student from receiving federal or state Financial Aid at any other college or university in the United States until the full balance is paid to OCtech. **The student must then submit a copy of the receipt showing the balance paid in full to the OCtech Financial Aid office for the debt to be removed from the national database.** The College will place a hold on the student's records until the payment is received.

The same policy will apply to students who receive all or any combination of Fs, WFs, WPs, or Ws as a result of non-attendance.

Audit Courses

Courses taken on an audit basis are not eligible for Title IV funding. Because audit courses are ineligible for Title IV funding, they will not be used to determine a student's enrollment status for financial aid purposes.

Types of Aid

GRANTS

Federal Pell Grant

A Federal Pell Grant is a need-based grant for individuals not holding a bachelor's degree. This program is sponsored by the federal government. Grants range from \$400 to \$5,645 per academic year.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a need-based grant for individuals who have not earned a bachelor's degree. Priority is given to students with exceptional need who receive Pell Grants. FSEOG is a gift assistance that does not have to be repaid. Students must be enrolled in at least 6 credit hours.

South Carolina Need-Based Grant

The SCNBG is an award given to students who have not received a bachelors degree already, have at least a 2.0 GPA, are enrolled for at least 6 credit hours and are residents of South Carolina.

EMPLOYMENT

Federal College Workstudy

Federal College Workstudy is an earnings program for college students. The amount of the award is the amount the student is permitted while enrolled at the College. Part-time job opportunities on campus are provided to eligible students. The pay rate is usually the minimum wage. Students must be enrolled in at least 6 credit hours and may work no more than 20 hours per week.

LOANS

Federal Direct Loan

The Federal Direct Student Loan is a low, variable-interest loan made to students by a lender such as a bank, credit union, or savings and loan association to help pay expenses related to attending a college or university. All students must complete the Free Application for Federal Student Aid (FAFSA) in order to determine eligibility for interest benefits (subsidized and unsubsidized). Once the FAFSA has been processed, students who are attending OCtech on at least a half-time basis (6 credit hours per semester) would complete the necessary loan application.

After a student graduates, leaves school, or drops below half-time enrollment status, there is a six-month grace period before repayment begins. A student has up to 10 years to repay a student loan with at least a \$50.00 minimum monthly payment. The interest rate is variable and is adjusted each July 1. The interest rate is specified in the Notice of Loan Guarantee, which all borrowers receive when a loan is approved.

Deadlines for applying for student loans:

- November 1- Fall term
- April 1- Spring term
- June 30 - Summer term

SCHOLARSHIPS

Life Scholarship

The Legislative Incentives for Future Excellence (LIFE) Scholarship is an annual full-tuition scholarship (up to \$2500) that is awarded to students who meet the following criteria and attend the College on a full-time basis during the fall and spring terms:

1. Must be a resident of South Carolina.
2. Must possess a 3.0 cumulative grade point average (GPA) on a 4.0 scale at the time of high school graduation for entering freshmen.
3. Must have no felony, alcohol or drug convictions.
4. Must owe no refund or be in default on State or Federal Aid.
5. Must be a full-time student in an approved curriculum of study.
6. Must possess a cumulative GPA of 3.0 and 30 earned credit hours in all previous College coursework.
7. Must be a graduate of a South Carolina high school.

Students who are enrolled in a one-year program of study may only receive the LIFE Scholarship for two semesters. Students who are enrolled in a two-year program of study may only receive the scholarship for four semesters. This time-frame begins at the initial term of enrollment in any college after high school graduation. For additional information, contact OCtech's Admissions or the Financial Aid Office.

Financial Aid

South Carolina Education Lottery Scholarship

South Carolina Lottery Tuition Assistance is available to students attending OCtech as long as they meet all eligibility requirements. Students who desire to apply for lottery tuition assistance benefits must apply for all federal and state grants first by filling out the Free Application for Federal Student Aid (FAFSA). Students must also be accepted in a certificate, diploma, or degree program; must be registered for at least six (6) credit hours; and must be legal residents of the state of South Carolina.

According to state law, federal grants and need-based grants will be applied towards technical college tuition before lottery-funded tuition assistance will be applied. For example, if a student receives \$400 in federal grants and \$200 in need-based grants, \$600 will be applied against the student's tuition before lottery-funded tuition assistance will be applied.

The law also states that students may only apply lottery tuition assistance towards one certificate, diploma or associate degree program every five years, unless the additional certificate, diploma or associate degree is necessary for progress in a field of study, and constitutes progress in the same field. **IMPORTANT:** Students receiving the LIFE Scholarship are not eligible for lottery-funded tuition assistance.

Refund Policy

Students who withdraw or have a net reduction of credit hours below full-time status will be eligible for a refund of tuition as follows:

- 100% Before the first date in term that classes are offered (start of term)
- 100% First day of class through add/drop period
- 0% After end of add/drop period

Important: Students who remain in class after the end of the add/drop period will be responsible for paying 100% of tuition.

Students who never attend classes for which they are enrolled will be considered to have constructively withdrawn before the start of the term.

Refund Policy for Financial Aid Recipients

The OCtech Financial Aid Office will recalculate federal financial aid based on the percentage of earned aid for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a semester. If a student owes a balance to the College, he/she will be notified by the OCtech Financial Aid Office. A copy of the official recalculation policy is available in the OCtech Financial Aid Office.

Compass Assessment Retest for Applicants Scoring Below Curriculum Entrance Levels

Applicants who do not achieve the minimum score for curriculum entrance may request to schedule a retest. The retest may be scheduled any time during the designated testing times. Applicants, who retake the assessment test and remain ineligible for placement into their curriculum course, may have to start with developmental courses first and then, once completed, begin their curriculum courses. Those who desire a retest will be assessed a testing fee.

Students are encouraged to take a COMPASS prep workshop prior to retesting. An Admissions Counselor can assist with available test preparation options.

Repeating a Course

A student may repeat any course; however, there are limitations for students who pay for courses with federal student aid funds. Students receiving federal financial aid are allowed to repeat a course that they have already received credit for only one additional time in order to try to improve their grade.

The complete academic record, including all grades, is reflected on the transcript, but only the highest grade earned in a course taken more than once is calculated in the GPA.

The Veterans' Administration will not pay educational benefits for repeating a course for which the student previously received credit.

Course Changes

OCtech reserves the right to add, change or drop courses as the demand changes, both from student interest and the needs of industry. Conflicts arising from such changes will be resolved individually in the best interest of the student. The sequence of courses within a curriculum is also subject to change when deemed necessary.

Add/Drop

There is a period of five calendar days, beginning with the first day of class each term, during which courses may be added to a student's schedule, provided the course is not closed, has not met and the student meets course pre-requisite requirements. During the same period, courses may be dropped without a penalty. All schedule changes require a completed Add/Drop form with appropriate signatures and compliance with College Add/Drop procedures.

If a student drops a class after the first five calendar days, and before the end of the first thirty days of a term, a grade of "W" will be shown on the transcript. The grade of "W" will not be tabulated in the student's GPA. Courses dropped after the end of the first thirty calendar days of the semester will receive a grade of "WP" if the student is currently passing the course at the time of withdrawal and a "WF" if the student is failing the course at the time of withdrawal. The "WF" is the only grade that will be calculated into the student's grade point average. The "WF" carries the same punitive grade as that of "F." The instructor may issue a grade of "W" in lieu of the "WP" or "WF" at the time of withdrawal. The withdrawal period will be pro-rated for terms of varying length (i.e. summer session and mini-term).

Academic Information

Withdrawal Policy

Students may withdraw from the College and all classes during the first five calendar days of the term without penalty. Withdrawn courses will not appear on the student's transcript. Withdrawal of courses after the first five calendar days, but before the end of the first 30 calendar days of the term, will be reflected on the student's transcript. A student's official withdrawal date will be based on the student's last date of attendance.

Withdrawn courses will receive a grade of "W." Although this grade appears on the transcript, it is not calculated into the student's grade point average. Withdrawals from courses after the end of the first 30 calendar days of the term will receive a grade of "WP" (Withdrawn Passing) if the student was passing the course at the time of withdrawal and a grade of "WF" (Withdrawn Failing) if the student was failing the course at the time of withdrawal.

The instructor may issue a grade of "W" in lieu of the "WP" or "WF" at the time of withdrawal. The "WF" is a punitive grade which carries the same calculation in the grade point average as that of an "F."

Prompt and regular class attendance is expected of all students. A decision to stop attending classes at OCtech does not constitute an official course withdrawal. It is the student's responsibility to initiate the proper paperwork to withdraw from classes. Failure to complete and submit the proper paperwork to withdraw from classes after the published add/drop period will result in a failing grade for the course(s).

Students receiving Title IV Federal Aid and Veteran's Benefits should consult with a member of the Financial Aid staff prior to course withdrawal to determine financial implications.

Add/Drop and Withdrawal Procedure:

- Step 1: Obtain an Add/Drop form from the Student Records Office located in the Patrick Student Services building.
- Step 2: Complete the top portion of the Add/Drop form (name, curriculum, social security number, student status, and date).
- Step 3: Complete each section that applies to you.
- Step 4: Obtain signatures from the instructors who teach each class that you are dropping or adding.
- Step 5: Obtain the signature of your advisor or member of the student services counseling staff.
- Step 6: Return the completed Add/Drop form to the Student Records Office. You have not completed the Add/Drop procedures until you return your Add/Drop form to the Student Records Office.

The Add/Drop form will then be processed, with the exception of those students on financial aid whose forms will go to the Financial Aid Office where it will be determined if additional tuition is required.

Grade Point Average

The grading system reflects a 4-point scale: A = 4; B = 3; C = 2; D = 1; F = 0. In computing grade point averages, the total number of grade points is divided by the total number of credit hours attempted. Grade reports show a semester GPA and a cumulative GPA. The example below reflects a GPA of 2.60.

Example:

Course	Grade	Hours		Grade		Points
		Attempted				
ENG 101	C	(2)	X	3.0	=	6.0
ECO 253	B	(3)	X	3.0	=	9.0
MAT 111	D	(1)	X	3.0	=	3.0
BIO 101	A	(4)	X	3.0	=	12.0
HIS 102	B	(3)	X	<u>3.0</u>	=	<u>9.0</u>
				15.0		39.0

Grade Point Average = Total grade points (39) divided by semester credit hours attempted (15.0) = 2.60

Grade Changes

Any discrepancies or questions concerning grades, credits, grade points, etc. must be brought to the attention of the Registrar within 30 days of the end of the semester or session. After that time period, the student's record is considered official and correct. It is the student's responsibility to review his/her academic records for accuracy.

Satisfactory Academic Progress

Students who fail to achieve the grade point average (GPA) listed in corresponding Policy 3.004 will be considered on academic probation.

Probation I Status (First Time Probation)

1. A student who has been placed on Probation I must review their Student Educational Plan with their assigned faculty advisor.
2. The student should be advised to register for no more than 12-14 semester credit hours for the Probation I Semester.
3. A student on Academic Probation I may not pre-register for classes until he/she meets with his/her assigned faculty advisor. If the student fails to meet with the assigned faculty advisor the student may not register until grades are posted for the current term.

Probation II Status (Second Time Probation)

1. A student who is placed on Probation II should be advised to register for no more than 12-14 semester credit hours for the next semester.
2. A student who is placed on Probation II may not pre-register for the upcoming semester, but will be permitted to register once grades are posted for the current term. The student must seek advisement with his/her assigned faculty academic advisor. A restriction will be placed on the student record until the student is advised by the assigned faculty advisor.

The Advisor will remove the restriction so the student may register once required advisement has been verified.

Academic Information

Academic Suspension I

Academic Suspension I will occur when students on Academic Probation II do not meet the standards of academic progress. Students who are placed on Academic Suspension I will not be allowed to register for classes during the semester following Suspension I status.

An Academic Suspension list is provided to appropriate college faculty, advisors, and staff members. A letter of notification of suspension will be sent to the student by the Vice President for Student Services. The student must meet with the appropriate Academic Dean before re-admission to the College.

After re-admission, the returning student will remain on academic probation until his/her GPA meets the standards of progress. If the standards of progress are not met, the student will be placed on Probation III.

Probation III Status (Third Probation) after Suspension I

A student who is placed on Probation III may not pre-register for the next term but will be permitted to register after grades are posted for the current term. The student must seek course advisement with his/her Academic Program Coordinator. A restriction will be placed on the student record until lifted by the Program Coordinator.

Probation IV Status (Fourth Probation) after Suspension I

A student who is placed on Probation IV may not pre-register for the next term but will be permitted to register after grades are posted for the current term. The student must seek course advisement with his/her Academic Program Coordinator. A restriction will be placed on the student record until lifted by the Program Coordinator.

Suspension II Status (after four terms of probation and one term suspended)

Students who do not maintain a 2.0 cumulative grade point average after Probation IV status will be immediately placed on Suspension II. Students will not be permitted to continue enrollment at the College. Students in this status may petition a Re-Admissions committee in writing. If it is approved, the student may re-enroll with guidelines established by the committee. If the petition is denied, the student may appeal to the College President. The President's decision is final. The Re-Admissions Committee will consist of the past and possible future applicable Academic Program Coordinator(s), the Academic Dean (s) for the past and possible future applicable programs.

After the second suspension, the student may not enroll at the College for a period of 5 years. If the student desires to return after this time, he/she must petition to the Re-Admissions Committee to return to the College.

Attendance

Students are expected to attend all class meetings. Record keeping for attendance purposes will begin with the first day the class meets. If a student must be absent, it is that student's responsibility to notify the instructor as quickly as possible of the absence. Students are responsible for making up all work missed as a result of the absence, including examinations. Some programs certified by outside agencies may

have more strict attendance requirements. Individual departments shall have attendance requirements consistent through the department. The attendance requirements for each course will be described in the course syllabus.

Students must not accumulate more absences than double the number of times a class meets per week. For example, if the class meets two times a week, the student must not be absent more than four times during the semester. Summer absences may be reduced or prorated due to the shorter semester. If excessive absences are taken, the student may be administratively withdrawn. Extenuating circumstances or the student's performance in class may be taken into consideration by the instructor.

Three tardies shall be considered an absence. If a student is more than ten minutes tardy, he/she shall be considered absent. If a student leaves more than ten minutes prior to class dismissal, he/she shall be considered absent.

Absences from class do not excuse a student from meeting all academic course requirements. In such cases, the instructor will determine whether make-up work will be permitted or required. However, a student who is absent from a final examination may receive permission from the Vice President for Academic Affairs to take such an examination at a later date. Permission will be granted only in extreme circumstances.

Online Course Attendance Policy

An electronic email to the instructor is required from each student by the end of the first week of class. At this time, the instructor will drop the student from the course if the communication is not received. Attendance in an online course is defined by correspondence as required by the instructor. After the drop/add period, each student will be expected to communicate with the instructor via email, phone, or appointment at least once per week and/or access the web class at least once per week. After one week of no communication or no access, the student may be dropped from the class. The instructor will award a grade of "W" or "WF" based upon the student's academic standing at the last date of attendance, which is the date of the last login.

Student Appeal Procedure

Students who feel that they have been treated improperly regarding this policy may exercise the right to appeal through The Student Code and Grievance Procedure for South Carolina Technical Colleges.

Enrollment in a course at OCtech obligates the student for prompt completion of all work assigned, for punctual attendance and for participation in whatever class discussion may occur. It is the student's responsibility to stay informed of all assignments made and stand tests and examinations which are assigned by the instructor.

1. By the act of enrollment:
 - A. The student is responsible for all course work.
 - B. The student is obligated to punctually attend all classes and laboratory sessions.
2. Any student who abuses attendance or is remiss in academic performance may be withdrawn.

Academic Information

Academic Honors

DEAN'S LIST - Each semester, full-time students who meet specified criteria are placed on the Dean's List. Criteria for the Dean's List include:

1. minimum of 12 credit hours attempted and earned;
2. earn 100% of regular curriculum credit hours attempted;
3. meet or exceed a minimum grade point average of 3.5.

PART-TIME DEAN'S LIST - Criteria for the Part-time Dean's List include:

1. the student must possess a minimum of 12 cumulative credit hours;
2. the student must complete 6-11.5 credit hours for the term;
3. the student must complete 100% of credit hours attempted;
4. the student must meet or exceed a term grade point average of 3.5.

*Part-time students must meet all four of the prescribed criteria to qualify for recognition on the Part-time Honors List.

PRESIDENT'S LIST - Same as Dean's List except:

The student must obtain a grade point average of 4.0.

PART-TIME PRESIDENT'S LIST - Same as Part-time Dean's List except:

The student must meet a term grade point average of 4.0.

ACADEMIC PROGRAM AWARDS AT GRADUATION - Students with the highest cumulative GPA in each academic group will be recognized and awarded a plaque at the May graduation ceremony. December, May and August graduates will be recognized. To be eligible for this award, the student must possess a minimum cumulative GPA of 3.5, which is the same requirement for honor graduate status. The minimum cumulative GPA requirement may preclude some academic programs from recognizing the student with the highest GPA at graduation; however, the student must possess honor graduate criteria to qualify for the academic program awards.

PHI THETA KAPPA - The Phi Theta Kappa Society, with over 1200 chapters in the United States and abroad, is the only internationally-acclaimed honor society serving two-year colleges offering associate degree programs. Its purpose is to recognize and encourage scholarship among two-year college students. Membership is by invitation only and is extended to students who have completed 12 semester credit hours that may be applied to an associate degree; have maintained a cumulative grade point average equivalent to, but not less than 3.5; have established academic excellence as judged by the faculty; and possess recognized qualities of citizenship. Part-time students are eligible for membership.

WHO'S WHO AMONG STUDENTS IN AMERICAN JUNIOR COLLEGES - This national Who's Who program recognizes those second-year students whose academic standing, participation in extracurricular activities, and college service are decidedly above average.

Graduation

Graduation exercises are held each year in May. Students expecting to graduate must file their graduation applications and pay applicable fees with the Student Services Office according to dates specified on the student calendar. Failure to meet the stated deadline will result in a \$10.00 late filing fee and could create a delay in the receipt of the appropriate associate degree, diploma or certificate. All fees and financial obligations owed to the College must be paid before a student can graduate.

A minimum program grade point average of 2.0 is required for graduation from a degree, diploma or certificate program. Additional curriculum or divisional requirements, if any, are noted in the individual curriculums elsewhere in the catalog.

It is the responsibility of each student to meet all graduation requirements of the College in his/her particular program of study and to maintain the minimum required grade average. Student Services counselors and faculty will guide the student, but the final responsibility belongs to the individual student.

All students must complete a minimum of 25% coursework at OCtech. Students may appeal the completion of remaining course requirements to the Vice President for Academic Affairs if required courses are not offered at the College within the last term(s) of enrollment.

The College assumes no obligation in the case of special adjustment if the student fails to file for graduation by the appointed date. If a student fails to receive his/her degree at the time indicated, a new application must be filed. Failure to graduate during the designated commencement requires that an application for graduation be resubmitted and an additional graduation fee be paid. Arrangements for caps, gowns and invitations will be made through the College's bookstore..

Academic Records

Confidential Treatment of Student Academic Records

The privacy and confidentiality of all official student records shall be preserved at OCtech in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974. Each student has the right to inspect and challenge the accuracy of his/her records.

Student Review of Academic Records

Students may inspect and review their educational records upon written request to the Vice President of Student Services at Orangeburg-Calhoun Technical College. The request should identify, as precisely as possible, the record(s) he/she desires to inspect. The Vice President for Student Services will notify the Registrar who will make the necessary arrangements for access as promptly as possible. The student must be given access to inspect and review educational records within 45 days of the day the College received the request for access. The Vice President for Student Services will notify the student of the time and location where the records may be inspected.

OCtech reserves the right to refuse student inspection and review of the following records:

1. The financial statement of the student's parent(s).

Academic Information

- Confidential letters and recommendations placed in the files prior to January 1, 1975, or letters and statements of recommendations placed after January 1, 1975, in which the student has waived his or her right to inspect and review statements that are related to the student's admission, application for employment, job placement, or receipt of honors.
- Educational records that contain information about more than one student; however, the College will permit access to the portion of the record which only pertains to the inquiring student.
- Disciplinary records.

In accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974, a student who wishes to inspect their educational records and finds a discrepancy, may challenge the contents of their educational records. However, while the FERPA amendment procedure may be used to challenge facts that are inaccurately recorded, it may not be used to challenge a grade, an opinion, or a substantive decision made by a school about an eligible student.

FERPA provides students with the right to challenge the contents of their education records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if the decisions of the hearing panels are unacceptable.

Students may challenge the contents of their education records that they consider inaccurate, misleading or otherwise in violation of their privacy or other rights

- The student must submit a written challenge to the College Registrar. The Registrar will review and determine within 5-7 working days whether to take corrective action consistent with the student's request.
- The Registrar will notify the student in writing within 2 working days of the decision(s).
- If the decision reached is in accordance with the student's request, the Registrar will correct, amend, or delete the appropriate records.
- When a student disagrees with the Registrar's decision, the student has the right to appeal to the Vice President for Student Services, whose decision is final. Student appeals must be submitted to the Vice President for Student Services within 2 weeks of notification of the Registrar's decision.
- The Vice President for Student Services will review, determine and notify the student of the final decision within 10 working days of receipt of the appeal.
- When the final decision is unsatisfactory to the student, the student has the opportunity to place a statement about the information in the education record.
- The Registrar's office is responsible for maintaining the statement as part of the student's education record for as long as OCtech retains the student's records.

OCtech retains the right to deny a student a copy of his/her academic records in the following instances:

- The student has an unpaid financial obligation to the College.
- There is an unresolved disciplinary action against the student.

OCtech will disclose information from a student's academic record only with the written consent of the student. Exceptions to disclosure without student consent include the following:

Student Right-to-Know Disclosure

Under the Student Right-to-Know and Campus Security Act of 1990, prospective students, applicants and current OCtech students have the right to know the graduation and transfer-out rates of students enrolled at the College. THE STUDENT CODE FOR THE SOUTH CAROLINA TECHNICAL COLLEGE SYSTEM

GENERAL PROVISIONS

I. PRINCIPLES

Orangeburg-Calhoun Technical College students are members of both the community at large and the academic community. As members of the academic community, students are subject to the obligations that accrue to them by virtue of this membership. As members of the larger community of which the college is a part, students are entitled to all rights and protection accorded them by the laws of that community.

By the same token, students are also subject to all laws; the enforcement of which is the responsibility of duly constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instance, college discipline will be initiated only when the presence of the student on campus will disrupt the educational process of the college. However, when a student's violation of the law also adversely affects the college's pursuit of its recognized educational objectives, the college may enforce its own regulations. When students violate college regulations, they are subject to disciplinary action by the college whether or not their conduct violates the law. If a student's behavior simultaneously violates both college regulations and the law, the college may take disciplinary action independent of that taken by legal authorities.

The Student Code of Conduct for Orangeburg-Calhoun Technical College sets forth the rights and responsibilities of the individual student.

II. SOLUTIONS OF PROBLEMS

The college will seek to solve problems by internal procedures of due process. When necessary, off-campus law enforcement and judicial authorities may be involved.

In situations where South Carolina Technical/Community Colleges have shared programs, the Chief Student Services Officer where the alleged violation of the Student Code for the South Carolina Technical College System occurred will handle

Student Code

the charges. A change of venue to the other college may be granted, based on the nature of the offense, provided it is agreed to by the Chief Student Services Officers of both colleges. Any sanctions imposed will apply across both colleges.

In situations where a student is dually enrolled in 2 or more South Carolina Technical/Community Colleges and is charged with a violation of the Student Code for the South Carolina Technical College System, the Chief Student Services Officer of the college where the alleged infraction occurred will handle the charges and the sanctions may apply at each college in which the student is enrolled.

- B. Freedom of Speech and Assembly-- Students shall have the right to freedom of speech and assembly without prior restraints or censorship subject to

clearly stated, reasonable, and nondiscriminatory rules and regulations regarding time, place, and manner.

Students desiring to conduct an assembly must submit a request to the President, or other designated college official, requesting a specific date, time, location, and manner no later than 15 working days prior to the date of the desired event. The request will be approved, amended, or denied no more than 10 working days prior to the desired event.

- C. Freedom of the Press-- In official student publications, they are entitled to the constitutional right of freedom of the press, including constitutional limitations on prior restraint and censorship. To ensure this protection, the college shall have an editorial board with membership representing SGA, faculty, and administration. Each college has the responsibility of defining the selection process for its editorial board. The primary responsibility of the board shall be to establish and safeguard editorial policies.
- D. Protection Against Unreasonable Searches and Seizures-- Students are entitled to the constitutional right to be secure in their persons, dwellings, papers, and effects against unreasonable searches and seizures. - F. Classroom Behavior-- Discussion and expression of all views relevant to the subject matter is recognized as necessary to the educational process, but students have no right to interfere with the freedom of instructors to teach or the rights of other students to learn.

The instructor sets the standards of behavior acceptable in the classroom by announcing these standards early in the term. If a student behaves disruptively in class after the instructor has explained the unacceptability of such conduct, the instructor may dismiss the student for the remainder of that class period.

The instructor shall initiate a discussion with the student to resolve the issue prior to the next class meeting. A further disruption by the student may result in a second dismissal and referral in writing by the faculty member to the Chief Student Services Officer. These procedures for classroom behavior do not limit the action that may be taken for proscribed conduct under Section III herein and instructors may dismiss students from class for the remainder of the class period for such conduct. Students remain subject to other sanctions hereunder for such conduct.

- G. Evaluation and Grading-- Instructors will follow the announced standards in evaluating and grading students.

Grades are awarded for student academic performance. No grade will be reduced as a disciplinary action for student action or behavior unrelated to academic achievement.

Student Code

- H. Privacy-- Information about individual student views, beliefs, and political associations acquired by instructors, counselors, or administrators in the course of their work is confidential. It can be disclosed to others only with prior written consent of the student involved or under legal compulsion.

The college Student Government/Advisory Association's constitution, as approved by the area commission, establishes the governance structure for students at a college. Amendments to the constitution require approval as stipulated in each Student Government Association constitution.

B. Student Organizations

An essential prerequisite for a student organization to be approved is that it has educational importance and that its objectives be clearly explained in a proposed charter.

The formation of organizations strictly as social clubs should be discouraged. Prior to consideration for approval as an organization, an organization constitution or bylaws must be prepared, and a person must be identified who is willing to serve as advisor, and the names of charter members must be submitted.

III. PROSCRIBED CONDUCT

A. General

Certain conduct is proscribed and upon violation of such proscriptions, a student shall be subject to one or more of the sanctions specified in Section IV.D.2.c. B. Abuse of Privilege of Freedom of Speech or Assembly

No student, acting alone or with others, shall obstruct or disrupt any teaching, administrative, disciplinary, public service, research, or other activity authorized or conducted on the campus of the college or any other location where such activity is conducted or sponsored by the college. This disruption does not necessarily have to involve violence or force for the student to face disciplinary actions. In addition to administrative action, any person who violates the law will be turned over to the appropriate authorities.

In the event of illegal or disruptive activity on a college campus, the Chief Student Services Officer or other administrative officer will request those involved either to leave the campus or abide by regulations governing uses of, or presence on, the campus. The Chief Student Services Officer or other official will further announce that failure to disperse will result in enforcement of Section 16-17-420 of the South Carolina Code of Laws pertaining to illegal or disruptive activity on a college campus. According to South Carolina law, "It shall be unlawful for any person willfully or unnecessarily:

1. to interfere with or disturb in any way or in any place the students or teachers of any school or college in this state

The Student Code Of Conduct for Orangeburg Calhoun Technical College sets forth the rights and responsibilities of the individual student, identifies behaviors that are not consistent with the values of college communities, and describes the procedures that will be followed to adjudicate cases of alleged misconduct. This Code applies to behavior on college property, at college-sponsored activities and events, and to off-campus behavior that adversely affects the college and/or the college community and the Code applies to all students from the time of applying for admission through the awarding of a degree, diploma, or certificate.

Sexual harassment is a form of discrimination prohibited by law as well as by the Student Code for Orangeburg-Calhoun Technical College and the South Carolina Technical College System. In general, sexual harassment includes any advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature that interferes with a student's ability to participate in or benefit from the college's programs or services.

The Title IX coordinator's office location and phone number are available on the college's website. Reports may also be filed by any other member of the college community.

If the alleged harasser or violator of named in the report is an employee, the case will be adjudicated through the Orangeburg-Calhoun Technical College Non Discrimination and Anti-Harassment Policy and Procedure number 8.004.01.

If the alleged harasser or violator of this policy is a student at Orangeburg-Calhoun Technical College, the case will be adjudicated through the process that follows.
