Clemson University. Cooperative Extension Service

Anco, Dan

[Peanut money-maker 2019 production guide](#) – 2019-01

OCLC#: 1097599319

This book is a guide for making timely peanut management decisions. The intention is to lay out a step-by-step game plan for peanut production under South Carolina conditions and to provide growers, county agents, private consultants and industry representatives with a reference that will answer most practical questions about peanut production. Changes to this year's production guide include updates to the sections on Varieties, Budgets and on Weed and Disease Management. A table on fungicide rainfast times and a new section on Peanut Combine Field Capacities has been added.

Clemson University. Cooperative Extension Service

Keinath, Anthony P.
