

Grant Thornton LLP

PRESENTS

IN ASSOCIATION WITH THE
SOUTH CAROLINA CHAMBER OF COMMERCE,
THE 27TH ANNUAL RANKING
OF THE STATE'S LARGEST
PRIVATELY OWNED COMPANIES.

This year marks the 27th edition of the Grant Thornton South Carolina 100™ (The South Carolina 100™), the only ranking of the state's largest privately held companies. The South Carolina 100 is compiled by Grant Thornton LLP under the direction of Mark Ballew, audit partner, in cooperation with the South Carolina Chamber of Commerce.

Dynamic companies share five traits: innovation, expansion, talent, culture and agility. The Grant Thornton South Carolina 100 private companies certainly embody these traits. Collectively, these companies generate almost \$18 billion in revenue and employ more than 80,000 workers.

Privately held companies continue to experience a great deal of change. While the total revenues of the 2011 South Carolina 100 were almost \$18 billion, for only the second time in the history of the ranking, the list has less than 100 companies (the last time was 2009). The top 10 companies are as follows: Milliken & Company (No. 1); The InterTech Group Inc. and Affiliates (No. 2); J M Smith Corporation (No. 3); Southeastern Freight Lines Inc. (No. 4); Piggly Wiggly Holdings LLC (No. 5); Ellett Brothers LLC (No. 6); Hilex Poly Co. LLC (No. 7); Carolina-Eastern Inc. (No. 8); Mount Vernon Mills Inc. (No. 9); and Dearybury Oil & Gas Inc. (No. 10). The top 10 changed with the addition of Dearybury Oil & Gas Inc. at No. 10, while

Southeastern Freight Lines Inc., Ellett Brothers LLC and Hilex Poly Co. LLC moved up one, four and two places, respectively.

Twenty-three of the companies are manufacturers, representing \$7.5 billion in revenues or about 42 percent of the total revenue. Employees of South Carolina 100 manufacturers account for approximately 34,200 workers or 43 percent of the jobs represented in the survey. Twenty-four of the companies are wholesale distribution companies with \$6.2 billion in revenues and approximately 8,700 employees.

This year, there are five companies in the ranking either for the first time or after an absence. They are Dearybury Oil & Gas Inc. (No. 10); IH Services Inc. (No. 39); Greenville Meats Inc. (No. 71); Commercial Foodservice Repair Inc. (No. 79); and Chicora Affiliates LLC (No. 90).

The companies with significant rank increases for 2011 are Arnold Construction Corporation, up 35 places; BFG Communications, up 18 places; Industrial Packaging Supplies, up 17 places; Wolverine Brass Inc., up 15 places; and The Ritedose Corporation, up 12 places. ISO Poly Films Inc., Thompson Industrial Services LLC and West Oil Company Inc. are all up 11 places. Up 10 places are Environmental Express Inc.; Epting Distributors Inc.; Southern States Packaging Company; Southern Weaving Company; General Wholesale Distributors LLC and Sumter Packaging Corporation.

Participation in the South Carolina 100 is voluntary,

and companies are ranked based upon their net revenues for their most recently completed fiscal year. To qualify, companies must be privately held, headquartered in South Carolina and cannot be a subsidiary of another company. Financial institutions, insurance companies, real estate and other brokerages, health care organizations and companies primarily engaged in retail are not eligible for the South Carolina 100 listing.

The people in the independent firms of Grant Thornton International Ltd. provide personalized attention and the highest quality service to public and private clients in more than 100 countries. Grant Thornton LLP is the U.S. member firm of Grant Thornton International Ltd., one of the six global audit, tax and advisory organizations.
