

SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION

Qualified Manufacturers of Elastomeric Bearing Pads

The following is a list of elastomeric bearing pad manufacturers who have satisfied the requirements established in the Departments "Policy for Inspection and Acceptance of Elastomeric Bearing Pads" (Qualified Products Policy 24). In accordance with the aforementioned policy, the contractor will notify the Department's Structural Materials Engineer of the supplier of the bearing pads at the time an order is placed so that arrangements can be made to provide necessary in-plant inspections. All trade names are registered trademarks of the appropriate company.
