

Qualified Product Policy for:
Bridge Deck Waterproofing Membrane Type I
for use under HMA overlays

A manufacturer may request to be included in the QPL for this material by furnishing the following information to the Contact Person listed below:

1. A certification from the manufacturer that the product meets the Department's standard specification titled "Section 814.2.4 - Bridge Deck Waterproofing." The certification shall include actual material test results from a recognized laboratory. A copy of the latest standard specification may be downloaded on the internet at:

www.scdot.org/doing/StandardSpecifications/pdfs/2007_full_specbook.pdf

2. A copy of the installation instructions for each product submitted.
