

State of South Carolina

Governor's Proclamation

WHEREAS, the Weatherization Assistance Program, the nation's largest residential energy efficiency program, was initiated and funded by the United States Department of Energy to help low-income families have more energy efficient, safe, and healthy homes; and

WHEREAS, the State of South Carolina Governor's Office of Economic Opportunity, primarily in cooperation with the state's local Community Action Agencies, delivers weatherization services in the field; and

WHEREAS, since the inception of the program in 1976, Weatherization has reduced energy costs for over 30,000 South Carolina households; and

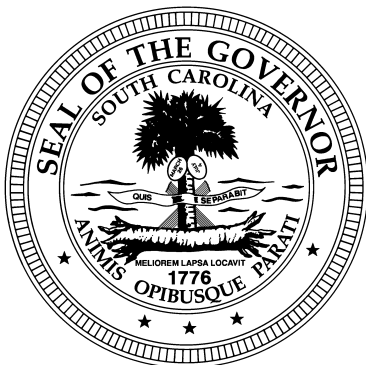

WHEREAS, the Weatherization Assistance Program enables low-income residents to permanently reduce home energy costs, reducing their dependency and freeing funds for other uses; and

WHEREAS, with today's high energy costs, the 2007 observance of "National Weatherization Day" provides an important opportunity to increase public awareness of the positive impact of weatherization on the economic well-being of our residents and on the conservation of our energy resources.

NOW, THEREFORE, I, Mark Sanford, Governor of the Great State of South Carolina, do hereby proclaim October 30, 2007, as

WEATHERIZATION DAY

throughout the state and encourage all South Carolinians to recognize the positive impact of the Weatherization Assistance Program on the quality of life of the residents of the Palmetto State.

A handwritten signature in black ink, appearing to read "Mark Sanford".

MARK SANFORD
GOVERNOR
STATE OF SOUTH CAROLINA
