AGENCY'S DISCUSSION AND ANALYSIS

The main objective of the Panel is established by Subarticle 3, section 11-35-4410 of the Consolidated Procurement Code. The Panel's primary function is to provide an administrative review of decisions by the Chief Procurement Officers relating to (1) formal protests of the solicitation or award of State contracts; (2) suspension or debarment of individual vendors; (3) contract controversies; and (4) other written decisions, policies, or procedures affecting the state procurement system.

The Panel seeks to provide the best possible services to vendors and agencies of the State in keeping with the integrity of the Consolidated Procurement Code. The Panel is unique in its formation, being composed of five members drawn from the private sector and two State employees, all of whom are appointed by the Governor. Each Panel member brings his or her own experience to bear in independently reviewing how the State procures its goods and services, ensuring that the State's procurement process is transparent, fair, and effective. Moreover, the Panel's composition and specialized purpose allows it to schedule and conduct hearings in a very timely fashion, which is one of its continuing strategic goals. Timely hearings and written decisions from the Panel allow the State to conduct its business efficiently while also guaranteeing fairness to vendors.

The Panel received one request for administrative review during fiscal year 2020-2021. The appeal requested review of a CPO's written protest determination. On its website, the Panel provides a link to the Panel's decisions that are posted on the Procurement Services website at <https://prp.sc.gov/panel-orders>. In addition, the Panel publishes its decisions on WestLaw, a legal research service.

One case from fiscal year 2019-2020 was appealed to the South Carolina Court of Appeals and continued into fiscal year 2020-2021. This case concluded by way of dismissal in fiscal year 2020-2021.

Risk Assessment and Mitigation Strategies

The Panel's key customers are the vendors who participate in the State procurement process and the State agencies which are procuring needed goods and services. Both groups of customers expect the Panel to conduct timely hearings and to ensure that the State's procurement process is open and fair to all participants. Both groups also expect the Panel to apply the provisions of the Consolidated Procurement Code in an independent and impartial manner. The Panel's primary services are providing hearings to aggrieved vendors and resolving the procurement questions presented by the appeal issues. The Panel's product is reflected by its written decisions resolving protests and other procurement issues. The written decisions are available in hard copies and by Internet access. Failure by the Panel to provide these services in a timely manner could result in delays in the awarding of contracts, which could ultimately impact the way other state agencies are able to perform. Depending on the using agency and the type of contract involved, delayed awards could negatively impact services to the public. In addition, failures or delays in providing these services could negatively affect the public's perception of the State's public procurement process.

AGENCY NAME:	PROCUREMENT REVIEW PANEL		
AGENCY CODE:	S600	SECTION:	111

The only circumstances under which the Panel would be unable to perform its function would be the loss of property or personnel. In the event of property loss, either temporarily or permanently, the Panel would rely on the assistance of the Facilities Management staff to assist us in relocating to other available state-owned facilities. The Panel would also rely on the Division of Technology Operations for any technology needs. During the period that alternative accommodations are being sought, Panel staff will maintain communication with one another, other agencies, and the public through remote access of e-mail and phone messages.

The Business Manager and the Attorney for the Panel are familiar with basic functions of each other's job duties. However, the Panel would rely on the Comptroller General's Office, Procurement Services, and Human Resources to assist in the performance of complex technical duties of the Business Manager in the event of a temporary absence lasting up to 30 days. In the event of an extended temporary absence of the staff Attorney, the Panel would temporarily hire an attorney approved by the Attorney General's Office to handle the technical complex aspects of this job. Additionally, the current Business Manager is a certified paralegal and can provide legal support to the attorney as needed.

Agency Organization Structure

The office is currently located at 367 Brown Building on Pendleton Street. The Panel's organizational structure consists of seven Panel members and two staff members. The staff members employed by the Panel are a full-time business manager and a part-time attorney. Of the seven Panel members, two are state employees and the other five are working for or retired from the private sector or retired from state government. The Panel members elect a Chairman and a Vice Chairman, as provided by section 11-35-4410(3) of the Consolidated Procurement code (see Organization Chart below). The Panel's unique composition, with the majority of its members drawn from the private sector, engenders trust among the business community because vendors know their protests and claims will be fairly and independently heard by the Panel's members.
