

Changing your information with Empower Retirement

Address change

Active participants who are currently contributing

Contact your employer to notify them of your new address. If your employer remits contributions by payroll file upload, your new address should automatically update. Your employer may also update your address through the Plan Service Center (PSC).

You may also change your address by completing a *Personal Information Change Request* form. To obtain the form, call the Participant Services Center at 877.457.6263 or log in to your account at www.southcarolinadcp.com to download the form. After you log in, select your plan, then click on *Plan forms* in the menu on the left. Note the form must be notarized or signed by an authorized Plan Administrator.
