COLUMBIA, SOUTH CAROLINA

South Carolina Bibliographies No. 3 N is the fourteenth number of an annual short-title checklist of the publications of the departments, institutions, and other agencies of the state of South Carolina.

The Checklist is compiled from individual lists furnished by the publishing agencies and from copies of the publications furnished by the same sources. Though every effort has been made to produce a Checklist free of error, in some instances the lists furnished by the agencies have not been entirely exact. For this reason, it is not to be expected that the Checklist is entirely complete or accurate.

The publications are listed alphabetically according to the names of the issuing agencies, the name in each case being that which appears in the title of the publication. Whenever the information is available, the entry gives the name of the publishing agency, the title (frequently in short form), the name of the personal author or editor, the volume or other serial number, the date of publication, and the number of pages and the price (if any).

Orders for copies of state publications must be sent to the publishing agencies except in the case of the Acts and Joint Resolutions and the Code of Laws of South Carolina, 1962, and Cumulative Supplement (published by the Code Commissioner), the Journals and the Reports and Resolutions (published by the General Assembly), and Reports of Cases Heard and Determined by the Supreme Court of South Carolina (published by the Supreme Court). These publications are distributed by the State Library, State House, Columbia, S. C. 29201.

Reports and Resolutions is a collection (usually in two volumes) of the annual reports of state agencies originally issued as separate publications.

Copies of the Checklist may be obtained without charge from the
