PREFACE

Checklist of South Carolina State Publications was issued by the Department of Archives and History for fiscal years 1950/51 through 1966/67 and has been issued by the South Carolina State Library* since fiscal year 1968/69. It is an annual listing of those State publications received by the South Carolina State Library.

Materials are listed according to the classification system devised for South Carolina State publications, which is in general an alphabetical arrangement by key word in the issuing agency and in the publication title.

Most items are available on interlibrary loan from the South Carolina State Library. Individual items desired for permanent retention, except those from the General Assembly, should be requested from the issuing agency. General Assembly publications may be purchased from the following:

Code of Laws
Acts and Joint Resolutions
Senate Journal (bound)

R. L. Bryan, Greystone Executive Park, Columbia, South Carolina 29210

Reports and Resolutions
House Journal (bound)

State Printing Company, 1305 Sumter St.
Columbia, South Carolina 29201

Legislative Manual

Clerk, House of Representatives,
P. O. Box 11225, Columbia, South Carolina 29211

Prices are given when available, but omission of price does not mean the item is free.

Judicial publications, South Carolina Reports and Supreme Court of South Carolina: Cases Heard and Submitted--Brief and Records, are not included in the Checklist but are available for use in the Supreme Court Library and in the University of South Carolina Law Library.
