The booklist for *100 Picture Books* was compiled by children’s librarians and professionals, the Youth Services Section of the South Carolina Library Association, the South Carolina State Library, and many others who shared their time and experience to work on this list.

These books are available in the public libraries of South Carolina. Visit your public library often to borrow books to share with children.

This list is just a start … there are many other books by these authors, and other books and authors to enjoy.
