

This list of recipients of the Order of the Palmetto was compiled by Archives and History Department staff using Microsoft Access software. The Order of the Palmetto was first presented by Governor John C. West in the summer of 1971. The list is as complete as possible through the end of the Beasley administration, but the available sources have two major gaps. Staff were able to locate information about only two dated presentations for the year 1974 (Governor West). No lists have been found for the first twenty months of the Riley administration (all of 1979 and Jan.-Aug. 1980). Five sources were used in compiling the list: two lists compiled by Archives staff from two Order of Palmetto folders in Gov. West's Gubernatorial Papers at the Archives; an alphabetical card file of the honorees, 1975-1979, in the archives that was kept by the staff of Governor James B. Edwards; a chronological printout from a data base of recipients maintained by the Campbell administration, 1987-1994; and a chronological printout, Sept. 10, 1980-May 11, 1999, from a data base of recipients maintained by the printing services area of the Governor's Office.
