

# What can the Census do?

*Help small businesses grow in South Carolina.*

*The 2010 Census is coming to South Carolina. Make sure we count!*

Larry J. Stevens' job is to help budding South Carolina entrepreneurs turn their dreams into reality. His team at the Small Business Development Center at Winthrop University in Rock Hill helps people develop business plans, locate funding sources and create marketing strategies.

Census data helps fund 15 business development centers in South Carolina – programs that help improve our economy. That's why it is so important to return your 2010 Census form when it comes in the mail this spring.

**Census 2010**

**SOUTH CAROLINA**

**MAKE SURE WE COUNT!**
