We have performed the procedures described in Attachment 1, which were agreed to by the management of the South Carolina Criminal Justice Academy (the Academy), solely to assist you in evaluating the systems, processes and behaviors of the Academy for the fiscal year ended June 30, 2016. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment 1 for the purpose of which the agreed-upon procedures report has been requested or for any other purpose.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors of the Academy. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Academy has agreed that the following deficiencies will not be included in the State Auditor's Report on Applying Agreed-Upon Procedures:

- Clerical errors of less than \$1,000 related to processing cash receipts and cash disbursements transactions unless the errors occur in ten percent or more of the transaction class inspected.
- Clerical errors of less than \$1,000 related to reporting packages.
- Errors in applying account coding definitions to accounting transactions unless it is determined that ten percent or more of the accounting transactions inspected were found to be in error.
