**CAREER COACH
FOR TRI-COUNTY
TECHNICAL COLLEGE**

INTENT TO SOLE SOURCE

Tri-County Technical College intends to sole source the procurement of the Career Coach web-based career guidance tool developed by EMSI.

Career Coach allows jobseekers to get a detailed & accurate view of their local labor market. Any web-based career guidance tool which gathers its data from multiple data sources & which provides unsuppressed, quarterly updated, ZIP code-level labor market information in the United States may be considered. Additionally any such product must provide complete unsuppressed 5 digit occupational employment data by standard occupation classification for all ZIP codes, counties, metropolitan areas & states in the US. Product software must be able to integrate the College's entire program catalogue with data. The product must have the ability to embed codes that can be placed on the College's academic program pages to display labor market data for the occupations linked to the specific program.

Tri-County Technical College seeks any vendors who can provide a product which meets or exceeds the referenced requirements. Responses will be accepted until 2:00pm, on July 17, 2012. Please submit all inquiries & responses to Kristal Doherty at kdoherty@tctc.edu. This notice of intent, any amendments & the award will be posted at the following web address: http://www.tctc.edu/Content/About_TCTC/PurchasingSolicitation/Solicitation.xml.

NOTICES

**SC DEPT. OF TRANSPORTATION
QUALIFIED PRODUCTS LISTS
& POLICIES**

The South Carolina Department of Transportation (SCDOT) maintains Qualified Products Lists (QPL) for a variety of pre-qualified materials that may be used on construction & maintenance projects as specified in the project proposal. If a QPL is referenced, only the pre-qualified products may be used.

The Qualified Products Policies (QPP) provide information to the manufacturer of the material to assist them in obtaining pre-qualified status. Each QPL & QPP indicates when the last revision occurred & a contact name in the event assistance is required.

For information about the QPL lists & the policy & procedures governing the testing & approval of those products, please visit the Materials & Research page at http://www.scdot.org/doing/rm_lab.asp. This site allows access to the contents of the various lists & also access to the published policy by selecting the date listed under the Policy or the List categories.
